Dear Sir(s),

In accordance with Sections 96 and 131 of the Securities Act, 2015 and Regulation 5.6.1 of the PSX Regulations, we hereby make disclosure of the following information:

“Keeping pace with the growing demand for cement in the Democratic Republic of Congo (DRC)—driven by continued economic activity and an uptick in construction projects—the joint venture between Lucky Cement Limited and the Rawji Group, through its company Nyumba Ya Akiba (NYA), has resolved to enhance its cement production capacity.

NYA will expand its current capacity from 1.31 million tons per annum (MTPA) to 2.91 MTPA by adding a fully integrated cement manufacturing line of 1.6 MTPA. This capacity enhancement will significantly improve the overall efficiency of NYA’s operations and play a pivotal role in meeting the rising cement demand in the DRC.
