

Cover Story

At Sui Northern Gas Pipelines Limited (SNGPL), being *Driven by Excellence* means continuously striving to enhance efficiency, integrity, and innovation across every facet of our operations. It reflects our unwavering commitment to upholding the highest standards of governance, transparency, and performance in an ever-evolving energy landscape.

The year 2024–25 was marked by resilience and challenges. Despite expanded regulatory framework, higher RLNG import obligations, a reduced rate of return determined by the Regulator, and broader macroeconomic pressures, SNGPL demonstrated strength of purpose, **delivering the second-highest profit in its history**, advancing operational agility, and complying with its governance framework under the new State-Owned Enterprises (Governance and Operations) Act, 2023.

Our **focus on digitization**, safety, and efficiency continued to redefine industry benchmarks, **reducing UFG to international standards**. From precision-based gas measurement through TBS metering and advanced leakage detection to network modernization via GIS mapping and strategic infrastructure augmentation, we have continued to build a stronger, smarter, and more sustainable energy network for the nation.

Being **Driven by Excellence** also means standing firm amid challenges, pursuing a level playing field, financial stability, and policy reforms that secure the long-term viability of the energy sector. Through steadfast engagement with the Ministry, the Regulator, and policymakers, **SNGPL remains at the forefront of advocating equitable solutions** to circular debt, surplus RLNG cargos, pricing disparities, and evolving market liberalization.

And in doing so, we are Powering Progress, not only through the pipelines we lay but through the lives we impact. Every milestone achieved reflects our enduring commitment to national development, energy security, and service to millions of consumers across our franchise areas in Pakistan.

As we move forward, our vision remains clear: to blend excellence with innovation, resilience with responsibility, and progress with purpose, continuing to power Pakistan's journey toward a secure and sustainable energy future.

Core Business & Revenue Driver

Transportation of Natural Gas

Company transports Natural Gas from wellhead / LNG Terminal to the burner tip.

Company conduct this activity through high pressure Transmission Lines and low pressure Distribution Lines.

Sales of Natural Gas

Company purchases Natural gas from Natural Gas E&P Companies and LNG importers and sells it to its Customers.

Market Share in Pakistan Energy Mix

28%

Performance Snapshot

Profit After Tax*

14.592 **3.977**

Earning Per Share (Rs.)

23.01 **2024**: 29.92

UFG % Overall

2024: 4.93%

UFG Volume(ммсг) 30,026 ♣↓↓

2024:31,319

Capitalization

47.936

2024:38.810

Bank Loans

182.359

2024:169.465

Current ratio

0.94

Debt-Equity ratio

74.53%

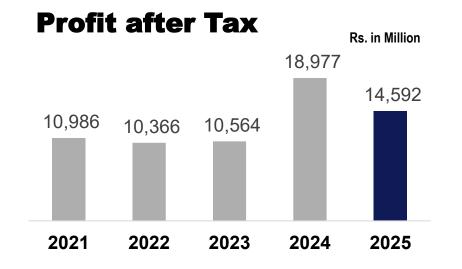

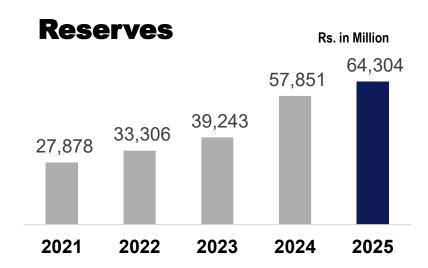

^{*} The decline in profit is mainly due to the reduction in the regulated return on assets, which fell from 26.22% last year to 21.25% this year

^{**}Slight increase in UFG %age is due to reduction in gas input by 65 BCF (i.e. from 635 BCF to 570 BCF), attributed to reduction in gas consumption by Power Sector and Industrial (CPP) Sale due to tariff hike. With same gas input as that of FY2023-24, %age UFG would have been 4.73%

Risks that Matter

and How We Respond

Key Risk	Source	Our Strategic Response
Cyber Security	External	Strengthen cyber controls, enhance monitoring, and maintain robust disaster recovery readiness.
Circular Debt	External	Engage regulators for sustainable pricing mechanisms and secure timely cost recoveries.
Supply/Demand Gap	External	Optimize RLNG cargo management and negotiate flexible commercial arrangements.
UFG Losses	Internal	Enforce companywide UFG control initiatives supported by technology & real-time governance.

Future Outlook

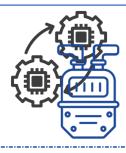

Infrastructure Development - Mega Projects

Injection of 45 MMCFD Gas

- Kot Palak Gas Field
- 265 KMs New injection/Augmentation
- Cost: Rs.28 billion

Metering Workshop Capacity Enhancement

- 11,000 meters/year from 4,000 meter/year
- Transparent & controlled meter operations
- Cost: Rs.641 million

Augmentation of Network

- Rawalpindi/Islamabad Cities
- Scope:145 KMs (24" 30" Dia Pipeline)
- Cost: Rs.27 billion

Compression System Optimization

- Capacity enhancement at CC-1 (Haranpur) from 280 MMCFD to 450 MMCFD (170 MMCFD)
- Maximize gas flow & reliable transmission
- Cost: Rs.391 million

- Mardan & Peshawar Region (Phase-II)
- Scope: 8"Ø × 24 KM
- Cost: Rs.825 million

Information Security - Upgrade

Strengthened cybersecurity framework for critical infrastructure protection.

- Cost: Rs.613 million

SCADA Upgradation & Expansion

Real-time monitoring of:

- All transmission intakes:578 from 257 existing
- All transmission offtakes:445 SMSs from 145 existing

New Household RLNG Connections

- **FY 2025–26:** 300,000 connections **Subsequent years:**
- 600,000 connections annually

Serving the nation

Business that should be both profitable and beneficial to the society.

Health

- ✓ Installation of an **RO Water Filtration Plant** at Government High School, Pattoki.
- ✓ Donation of a **ventilator machine** to Indus Hospital, Lahore.
- ✓ Provision of essential **medical equipment** to Nishtar Hospital, Multan.

- Installation of solar systems at Rescue 1122 Office, Karak Civil Hospital, Bahadur Khel, Karak Government Secondary Special Education Centre, Rahim Yar Khan
- ✓ Establishment of computer lab with 12 personal computers at Government Polytechnic Institute (TEVTA), Lakki Marwat.
- ✓ Provision of furniture for Alkhidmat Aghosh Home, Waziristan.
- ✓ Support for lab facilities at Alkhidmat Aghosh Home, Rawalakot.

Community Relief Initiative

SNGPL supported a national-level relief initiative by distributing approximately 20,000 ration bags to deserving citizens during the holy month of Ramadan.

National Forum for Environment & Health blessed SNGPL with:

- √ 17th Annual Corporate Social Responsibility Award 2025
- √ 21st Annual Environment Excellence Award 2024
- √ 14th Annual Fire Safety Award 2024
