Dear Sir,

It is stated that management is highly concerned for the held process and trying to figure out the best solution to initiate operation, but due to economic uncertainty and high rates of electricity, situations are becoming more adverse.

Further, management is working upon different possibilities to improve the scenario and bring the business back on track.

We shall continue notifying our efforts and developments in the quarterly progress report.

Thanking you.

Your's sincerely,
For Khalid Siraj Textile Mills Ltd
