This is with reference to your letter No. PSX-Gen-2238 dated December 26, 2025, whereby we were requested to submit the Quarterly Progress Report for the quarter ended September 30, 2025, regarding the commencement of commercial production/business operations.

In this connection, we wish to submit the following for your kind consideration:

1. The Company, in its Extraordinary General Meeting held on June 03, 2025, resolved to dispose of its dilapidated building with the objective of expanding the Dairy Farming operations. However, the sale process is still pending due to the non-availability of serious buyers.
