Stock Exchange Building, Stock Exchange Road  
Karachi

**Subject: Material Information – Completion and Operationalization of Imported Air Jet Weaving Machinery**

Dear Sir,

In continuation of our earlier disclosure dated September 17, 2025, made pursuant to Section 96 of the Securities Act, 2015 and Clause 5.6.1(a) of the PSX Regulations, regarding the establishment of a Letter of Credit for the import of Air Jet Terry Towel weaving machinery from Shandong Rifa Textile Machinery Co. Ltd., China, we are pleased to inform the Exchange that the project has now been successfully completed.

The imported Air Jet weaving machines, along with the supporting infrastructure including the air-conditioning plant, centralized compressor facility, and newly designated weaving shed, have been fully installed and commissioned. Commercial production from the new machinery has commenced with effect from 2<sup>nd</sup> February 2026, and the machines are operating under normal production conditions.

With the successful commissioning, the Company has now realized the previously disclosed approximately 75% enhancement in weaving production capacity, enabling improved in-house production capability, operational efficiency, and stronger competitiveness in export markets.

The expansion is expected to positively contribute to the Company's future turnover and profitability outlook, while strengthening the Company's productive asset base and supporting long-term shareholder value.

We further confirm that the funding arrangement previously disclosed remains unchanged, and the project completion has been achieved without creating external financial liabilities for the Company.

In compliance with applicable regulations, the Exchange is requested to disseminate this information to the TRE Certificate Holders accordingly.

Thanking you.  
Yours faithfully,  
For HALA ENTERPRISES LIMITED

  
(Muhammad Mushtaq Saeed Iqbal)
