**NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS**  
**FOR THE HALF YEAR ENDED DECEMBER 31, 2025**

## **1 CORPORATE AND GENERAL INFORMATION**

The company was incorporated on May 20, 1984, as a public company limited by shares under the Companies Ordinance, 1984 ( now the Companies Act, 2017), and is listed on Pakistan Stock Exchange Limited. The business of company is to manufacture ready-made garments for selling them locally as well as exporting. The Registered office is situated at 442, Mirpurkhas Road, Hyderabad.

The manufacturing activities had remained suspended since 2003. The manufacturing activities were commenced during the year 2013 for supplying goods to local and foreign customers, but due to scarce financial resources the operations were not viable, hence operations were closed in March 2015. The core reason for non-production is blockage of funds with Russia at time when the Russian Central Bank defaulted on its debts due to disintegration of U.S.S.R., that rendered the Company into financial distress. The manufacturing activities could not be profitably carried out with scarce financial resources, hence to mitigate the operational and administrative costs, operations had remained closed.

### **2.4 Basis of Measurement**

These condensed interim financial statements have been prepared under the historical cost convention.

#### ***Going Concern Assumption***

These financial statements have been prepared on going concern basis, yet there are factors which effect the Company's ability to continue as a going concern, for instance the operations of the Company have been closed since the year 2015, due to the reasons as stated in Note No.1.

### ***Mitigating Factors to the Uncertainty relating to the use of Going Concern***

Foreign debtors with Russia were blocked due to delinkage of the same with Russian Federation. The management of the Company had filed an appeal before the Honorable Foreign Exchange Regulation Appellate Board, Karachi against the order of Honorable Foreign Exchange Adjudication Court, State Bank of Pakistan, Banking Services Corporation in July 2014. Foreign Exchange Regulation Appellate Board, vide order dated 24.04.2017 has annulled and set aside the said order and directed the adjudication officer to pass afresh speaking and final order on all legal and factual grounds and further directed to not to take any coercive measures against the appellant till further direction of the Appellate Board. Further during the year 2019 the Company had filed a constitutional petition before the Honorable High Court of Sindh.

The Government of Pakistan and the Russian Federation have been discussing the matter for settlement of claims by the Pakistani exporters. The Government of Pakistan has frozen the account of the Russian Federation Government maintained with NBP, till the settlement of the claims of the Pakistani exporters, in accordance, with the order of the Honorable High Court of Sindh. Consequent to the negotiations for recovery of stuck up funds from Russian the Federation, an amount of USD 3,200,000 was placed at the disposal of the Company, out of which an amount of USD 1,200,000 (Rs.190,560,000) including sea freight compensation has been received.

The FER cases against the Company have been vacated by the Foreign Exchange Adjudication Office vide order dated September 14, 2023 in favour of the Company. The Foreign Exchange Adjudication Officer has remarked in his order that stuck up amount is to be paid to the Company after settlement of family dispute. Thus there are prospects that the Company will receive the stuck up funds, once the family cases are vacated. The equity is positive, the management has no plans to liquidate its assets other than in the normal course of business. Moreover continued financial support is available from the directors and other related parties.

Since operations have not yet been commenced there is a material uncertainty which cast significant doubt about the Company's ability to continue as a going concern, therefore it may be unable to realise its assets and discharge its liabilities in the normal course of business. These financial statements do not include any adjustments relating to the recoverability and classification of recorded assets amounts, and discharge and classification of liabilities, that may be necessary should the company be unable to continue as a going concern.

## **INDEPENDENT AUDITOR’S REVIEW REPORT**

**To the Members of: FATEH SPORTS WEAR LIMITED**

**Report on Review of Condensed Interim Financial Statements**

### **Introduction**

We have reviewed the accompanying condensed interim statement of financial position of **FATEH SPORTS WEAR LIMITED** (the Company) as at December 31, 2025, the related condensed interim statement of profit or loss and other comprehensive income, condensed interim statement of changes in equity, condensed interim statement of cash flows and notes to the condensed interim financial statements for the half year then ended (here-in-after referred to as the “interim financial statements”). Management is responsible for the preparation and presentation of these interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these financial statements based on our review.

### **Scope of Review**

We conducted our review in accordance with International Standard on Review Engagements 2410, “Review of Interim Financial Information Performed by the Independent Auditors of the Entity”. A review of interim financial statement consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### **Basis for Qualified Conclusion**

The carrying value of property, plant and equipment as of the reporting date is Rs.9,976,294. As stated in Note No.1 to the financial statements, the operations of the Company have been closed since the year 2015. Therefore there is an indication that items of property, plant and equipment may have been impaired. The Company has not carried out an exercise to assess their fair value, we are therefore unable to obtain sufficient appropriate evidence about the carrying amount of property, plant and equipment, and to determine if impairment loss, if any is to be recognized.

The Company has reported work in progress at a carrying amount of Rs.29,844,042 the work on the project has been suspended for the last two years, we are also unable to obtain sufficient appropriate evidence about the carrying amount of the same and to determine if impairment loss, if any, is to be recognized.

We have been unable to receive balance confirmations for balances of trade creditors amounting to Rs.781,144 and other payables amounting to Rs.2,018,986 hence these balances remained unverified.

### **Qualified Conclusion**

*Except for the adjustments to the condensed interim financial statements, that we might have become aware of, had it not been for the situation described above,* based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

### **Material Uncertainty relating to Going Concern**

We draw attention to Note 2.4 to the financial statements, which states that these financial statements have been prepared on going concern basis, yet there are factors which affect the Company's ability to continue as a going concern, for instance the operations of the Company have been closed since the year 2015, due to the reasons as stated in Note No.1. The aforesaid condition indicates the existence of a material uncertainty which cast significant doubt about the company's ability to continue as a going concern. Management's plans and other mitigating factors to this matter have been discussed in Note 2.4 to the financial statements. Our conclusion is not modified in respect of this matter.

### **Other Matter**

The figures of the condensed interim statement of profit or loss and other comprehensive income for the quarters ended December 31, 2025 and 2024 have not been reviewed as we were required to review only the cumulative figures for the half year ended December 31, 2025.

The engagement partner on the review resulting in this independent auditor's review report is **SAUD ANSARI**.
