Directors’ Report

Dear Shareholders,

On behalf of the Board of Directors of United Distributors Pakistan Limited (UDPL), we are pleased to present the unaudited financial statements of the Company for the half year ended December 31, 2025.

INDUSTRY OVERVIEW

The agriculture sector continued to experience challenges carried over from the last financial year, which also affected performance during the current quarter. Lower-than-expected wheat support prices had already reduced farm incomes, while weakening purchasing power led to a decline in cultivated acreage and farmer confidence. During this quarter, the situation further deteriorated as floods destroyed crops across several regions, causing significant losses to growers. Consequently, farmers were adversely affected and demand for crop protection products and micronutrients remained subdued.

Despite these challenges, agriculture remains a key pillar of the economy, and the Company is committed to supporting farmers with reliable solutions and a strong presence in the field.

FINANCIAL PERFORMANCE

The Company’s financial performance during the quarter was adversely affected by the prolonged impact of agriculture industry challenges, coupled with floods and excessive rains during the period under review that disrupted agricultural activity, leading to lower sales and business performance compared to the previous period.

FINANCIAL PERFORMANCE

For the Half Year Ended

Rs. 000s	Dec 31, 2025	Dec 31, 2024	Changes
Net Sales	445,217	519,290	(74,073)
Gross Profit	170,918	199,828	(28,910)
Operating (Loss) / profit	(67,338)	25,990	(93,328)
Other Income	772,522	337,133	435,389
Profit Before Tax	679,531	348,587	330,944
Profit After Tax	655,850	299,406	356,444
Earnings Per Share (Rs.)	18.59	8.49	

For the half year ended December 31, 2025, the Company recorded revenue of Rs. 445 million, reflecting resilience amid ongoing industry challenges. Although this represents a modest decline compared to the same period last year, the Company remained focused on operational efficiency and cost discipline. Gross profit stood at Rs. 171 million, with a gross margin of 38%, supported by an improved product mix and effective cost control measures.

Operating profit was affected by reduced market activity, which impacted overall sales. Nevertheless, the Company has undertaken initiatives to improve profitability and strengthen long-term shareholder value.

The Company reported a Profit After Tax of Rs. 656 million, significantly higher than Rs. 299 million in the corresponding period last year, primarily due to higher other income. Consequently, earnings per share (EPS) rose to Rs. 18.59, compared to Rs. 8.49.

The Company entered into a three-year non-compete agreement with FMC Corporation, agreeing not to engage in the manufacture, sale, trade, or distribution of certain products that compete with the business of the Company within the defined territory, in exchange for a consideration of six million US dollar which has been received.

DIVIDEND

The Board of Directors is pleased to announce an interim cash dividend of 12.5% (Rs. 1.25/- per share) for the half year ended December 31, 2025.

Future Outlook

We remain committed to our mission of supporting farmers with best-in-class services and high-quality solutions, enabling them to achieve optimal crop yields and contribute to providing healthy food for a growing population. The recent reduction in interest rates reflects progress in controlling inflation and is expected to lower the overall cost of doing business. However, natural disasters such as floods, weather-related uncertainties, and fluctuations in commodity support prices may continue to affect revenue and profitability. Despite these challenges, the Company remains proactive, leveraging its diversified product portfolio and enhancing operational efficiencies to safeguard performance and sustain growth.

ACKNOWLEDGMENTS

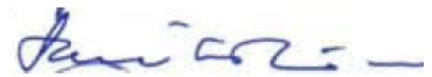

On behalf of the Board of Directors, we extend our gratitude to our esteemed customers, bankers, valued shareholders, and other stakeholders for their continued support and encouragement and place on record the appreciation of the valuable services rendered by the employees of the Company.

For and on behalf of the Board

ASAD ABDULLA

Auditor's Report

On Review of Condensed Interim Financial Information to the Members

We have reviewed the accompanying condensed interim statement of financial position of UNITED DISTRIBUTORS PAKISTAN LIMITED ("the Company") as at December 31, 2025 and the related condensed interim statement of profit or loss, the condensed interim statement of comprehensive income, the condensed interim statement of cash flows, the condensed interim statement of changes in equity and the notes to the condensed interim financial statements for the six-month period then ended (here-in-after referred as the "interim financial statements"). Management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

SCOPE OF REVIEW

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Statements Performed by the Independent Auditor of the Entity." A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

CONCLUSION

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

OTHER MATTER

Pursuant to the requirement of section 237(1) (b) of the Companies Act, 2017, only cumulative figures for the half year, presented in the second quarter accounts are subject to a limited scope review by the statutory auditors of the Company. Accordingly, the figures of the condensed interim statement of profit or loss and condensed interim statement of comprehensive income for the three months period ended December 31, 2025 have not been reviewed by us.

The engagement partner on the review resulting in this independent auditor's report is Tariq Feroz Khan.

3 BASIS OF PREPARATION

3.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards applicable in Pakistan for interim financial reporting. The accounting and reporting standards applicable in Pakistan for interim financial reporting comprise of :

International Accounting Standard (IAS) 34, 'Interim Financial Reporting', issued by the International Accounting Standard Board (IASB) as notified under the Companies Act, 2017 and

Provisions of, directives and notifications issued under the Companies Act, 2017.

Where the provisions of, directives and notifications issued under the Companies Act, 2017, differ from the requirements of IAS 34, the provisions of, directives and notifications issued under the Companies Act, 2017, have been followed.

These condensed interim financial statements do not include all the information and disclosures required for full annual financial statements and should be read in conjunction with the annual audited financial statements of the Company as at, and for the year ended, June 30, 2025, which have been prepared in accordance with approved accounting standards as applicable in Pakistan. However, selected explanatory notes are included to explain events and transactions that are material to understanding of the changes in the Company's financial position and performance since the last annual audited financial statements.

The comparative statement of financial position presented in these condensed interim financial statements has been extracted from the annual audited financial statements of the Company for the year ended June 30, 2025, whereas the comparative condensed interim statement of profit or loss, condensed interim statement of comprehensive income, condensed interim statement of cash flows, and condensed interim statement of changes in equity are extracted from the unaudited condensed interim financial information for the period ended December 31, 2024.

The figures of the condensed interim statement of profit or loss and condensed statement of comprehensive income for the quarter ended December 31, 2025 and December 31, 2024 included in these condensed interim financial statements were neither subject to review nor audited.

3.2 Basis of measurement

These condensed interim financial statements have been prepared under the historical cost convention except otherwise stated.

3.3 Functional and presentation currency

These condensed interim financial statements has been presented in Pak Rupees (Rupees 'Rs'), which is the functional and presentation currency of the Company.

4 MATERIAL ACCOUNTING POLICY INFORMATION AND CHANGES THERE IN

4.1 The material accounting policies and the methods of computation adopted in the preparation of these condensed interim financial statements are consistent with those applied in the preparation of the annual audited financial statements for the year ended June 30, 2025.

4.2 Standards, interpretations of and amendments to accounting and reporting standards as applicable in Pakistan that are effective in the current period:

There are certain amendments to the published accounting and reporting standards that are mandatory for the Company's annual accounting period beginning on or after July 01, 2025. However, these do not have any material impact on the Company's financial information and, therefore, have not been detailed in these unconsolidated condensed interim financial statements.

4.2.1 Standards, interpretations of and amendments to accounting and reporting standards as applicable in Pakistan that are not effective in the current period:

There are certain new standards and amendments to the published accounting and reporting standards that will be applicable to the Company for its annual periods beginning on or after July 1, 2025. However, these are not considered to be relevant or will not have any material effect on the Company's financial information except for:

- The new standard - IFRS 18 Presentation and Disclosure in Financial Statements (IFRS 18) (published in April 2024) with applicability date of January 1, 2027 by IASB. IFRS 18 when adopted and applicable shall impact the presentation of 'Income Statement' with certain additional disclosures in the financial statements; and
- Amendments to IFRS 9 'Financial Instruments' which clarify the date of recognition and derecognition of a financial asset or financial liability including settlement of liabilities through banking instruments and channels including electronic transfers with effective date of January 1, 2026. The amendment when applied may impact the timing of recognition and derecognition of financial liabilities.

5 SIGNIFICANT ACCOUNTING ESTIMATES, JUDGEMENTS, AND ASSUMPTIONS

The preparation of these condensed interim financial statements in conformity with accounting and reporting standards applicable in Pakistan requires management to make estimates, assumptions and use judgments that affect the application of policies and the reported amounts of assets, liabilities, income and expenses.

Actual result may differ from these estimates. Estimates, assumptions and judgements are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. During the preparation of these condensed interim financial statements, the significant judgements made by the management in applying the Company's accounting policies and the key sources of estimation uncertainty were the same as those applied to the annual audited financial statements for the year ended June 30, 2025.

- 11.1 During the period, the Company entered into another Non-Compete Agreement with FMC Corporation, under which the Company has agreed not to engage in the manufacture, sale, trade, or distribution of any products that compete with the business of the Company within the defined territory. In consideration of this agreement, an amount of six million US Dollars were received equivalent to Pakistani Rs. 1,688.700 million. The amount will be amortized on a straight line basis over a period of 36 months.

12 TRADE AND OTHER PAYABLES

These include Rs. 3.304 million (June 30, 2025: Rs. 6.140 million) payables to related parties.

13 CONTINGENCIES & COMMITMENTS

13.1 Contingencies

- 13.1.1 Further to the matter as disclosed in note 11.1 above, the Company has recognized amortization income amounting to Rs. 627.875 million during the current period relating to the non-compete fee arrangement with FMC Corporation and International Brands (Private) Limited (agreement

executed during the year ended June 30, 2024). The cumulative amortization of the non-compete fee recognized as income from June 2024 to December 2025 works out to be Rs. 1,268 million, which includes the current period amortization of Rs. 627.875 million. Based on the opinion of the Company's tax advisor, management believes that the aforesaid amount represents a capital receipt, and does not constitute business income, and is therefore not subject to income tax. Accordingly, no provision for taxation has been made in these condensed interim financial statements in respect of this income, nor was any provision recognized in prior periods.

13.1.2 During the year ended June 30, 2024, the Company entered into a non-compete agreement with International Brands (Private) Limited for which, under the Competition Act, 2010, both parties were required to seek an exemption for the non-compete clause from the Competition Commission of Pakistan (CCP). However, inadvertently neither party filed for the exemption on a timely manner. The CCP subsequently imposed penalties of Rs. 20 million on each party for purportedly acting upon the agreement without prior exemption and Rs. 1 million for late filing. The Company has filed an appeal before the Appellate Bench of CCP and a writ petition before the Honorable Islamabad High Court, which has suspended the penalty orders until the next hearing. During the period ended December 31, 2025, the Company furnished a bank guarantee amounting to Rs. 10.5 million (open-ended) and submitted an undated cheque of Rs. 10.5 million as security. Based on legal advice, management believes that the Company has reasonable grounds for relief; accordingly, no provision has been recorded in these condensed interim financial statements.

13.2 Commitments

The facilities for opening letters of credit as at December 31, 2025, amounted to Rs. 200 million (June 30, 2025: Rs. 200 million). The amount remaining unutilized as at December 31, 2025, is Rs. 185.9 million (June 30, 2025: Rs. 177.3 million).

19 FINANCIAL RISK MANAGEMENT

The Company's financial risk management objective and policies are consistent with that disclosed in the annual audited financial statements for the year ended June 30, 2025

19.1 Fair value of financial instruments

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Consequently, differences can arise between carrying values and the fair value estimates

The table below analyses financial instruments carried at fair value using the fair value measurement method in accordance with IFRS 13. The different levels have been defined as follows:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices) (level 2); and
- Inputs for the asset or liability that are not based on observable market data (level 3).
