MATERIAL INFORMATION

Dear Sir,

In compliance with Section 96 of the Securities Act, 2015 and Clause 5.6.1.(a) of the Pakistan Stock Exchange Regulation, **Zuma Resources Ltd** ("the Company") in its meeting held on 12th March 2026, has approved the following strategic decisions

1. Strategic Partnership with Telna North America, Inc.

The Board has authorized the Company to enter into a strategic partnership and collaboration agreement with Telna North America, Inc. for the purpose of expanding the Company's telecommunications and connectivity services globally.

Telna is a global telecom connectivity platform delivering eSIM, Physical Sims and mobile network services in over 200 countries through partnerships with international mobile operators. The proposed partnership is expected to enable Zuma Resources Ltd to expand its international digital telecom services and generate projected annual revenues in the range of USD 3–5 million within the initial phase of operations, subject to regulatory approvals and commercial rollout. The collaboration will focus on:

- Launching global eSIM and physical SIM connectivity services
- Providing MVNO enablement, international roaming and telecom infrastructure solutions
- Integrating telecom services into the Company's global connectivity platforms
- Expanding the Company's presence in international telecom markets

This partnership is expected to support the Company's strategic expansion into the international telecom and digital connectivity sector, enabling it to deliver innovative connectivity solutions to global customers.

2. Incorporation of Wholly-Owned Subsidiary in United Kingdom (UK)

The Board has further approved the incorporation of a wholly-owned subsidiary in UK, subject to obtaining the necessary regulatory approvals.

The proposed subsidiary will primarily be responsible for:

- Managing international telecom partnerships
- Operating global connectivity services
- Executing agreements with international telecom operators including Telna North America, Inc.
- Managing global distribution and technology integrations

The establishment of the UK subsidiary will serve as the Company's international operational hub to support its global telecom and connectivity initiatives.

Enclosed herewith is the Disclosure Form under SRO 142(1)/2012 dated 05 December 2012 read with Section 96 and 131 of the Securities Act, 2015 for your information.

You may please inform the TRE Certificate Holders of the Exchange accordingly.
