SUBJECT: PROVISION OF MATERIAL INFORMATION

Dear Sir,

In accordance with Section 96 of the Securities Act, 2015 and Clause 5.6.1 of the Pakistan Stock Exchange Limited Regulations, Barkat Frisian Agro Limited (the "Company") wishes to inform the Exchange of the following updates regarding the progress of its operational expansion and strategic initiatives.

1. Faisalabad Production Facility:

The Company is pleased to inform that the trial run of its newly established production facility located at Plot No. 51, Phase II, M-3 Industrial City, Faisalabad has been successfully completed.

The facility has been established as part of the Company's expansion plan disclosed in the Prospectus issued at the time of its Initial Public Offering (IPO) and is intended to enhance the Company's production capacity to meet the growing demand for pasteurized egg products in both local and export markets.

Following the successful completion of the trial run, the Company expects to commence commercial operations at the facility with full commercial production anticipated from the beginning of the next month. The project timelines remain in line with those disclosed in the Prospectus issued at the time of the Company's IPO.

2. Egg Powder Production Facility:

Further to the Company's earlier disclosure regarding the establishment of a dried egg powder production facility, the Company wishes to inform that orders for the required plant and equipment have been placed and the necessary Letter of Credit (LCs) have been established. Construction activities for the facility have also commenced, and the project is progressing as planned.

3. Backward Integration – Poultry Layer Farming:

Further to the Company's previously disclosed backward integration initiative through poultry layer farming, the Company wishes to inform that the required land has been acquired, orders for the necessary plant and related equipment have been placed, the relevant Letters of Credit (LCs) have been established, and construction of the farming infrastructure has commenced.
