Dear Sirs,

In accordance with Sections 96 and 131 of the Securities Act, 2015 and Clause 5.6.1 of the Rule Book of the Pakistan Stock Exchange Limited, we are pleased to convey following information:

“Fatima Fertilizer Company Limited has entered into project agreements with Mari Energies Limited, being the operator of Mari Gas Field, and other consortium members namely Fauji Fertilizer Company Limited and Engro Fertilizers Limited in relation to the Pressure Enhancement Facilities (PEF) Project at Mari Gas Field, Daharki, Sindh.

The PEF Project is a strategic initiative aimed at enhancing and sustaining gas supply through debottlenecking of pipeline infrastructure and installation of compression facilities. This is expected to support continuity of gas supplies to fertilizer plants, thereby contributing to stable domestic fertilizers production in the country.”

You may please inform the TRE Certificate Holders of the Exchange accordingly.

Yours sincerely,

Anil Zia
