Subject: UNUSUAL MOVEMENT IN PRICE OF THE SHARES OF 786 INVESTMENTS LIMITED ("786")

Dear Sir,

This is with reference to the requirement of Section 97 of the Securities Act, 2015 and clause 5.6.3 of PSX Regulations which require the Listed Companies to respond promptly by disclosing the following to the public if unusual movements in the price or volume of their traded securities is observed:

- i. Details of any matter or development of which it is aware of that is or may be relevant to the unusual movements, or
- ii. A statement of the fact that it is not aware of any such matter or development.

It may be noted that PSX has observed unusual movement in price of 786's shares during the preceding period. It has also been observed that 786, vide its announcement dated February 09, 2026 through PUCARS, upon query of PSX, has informed that "*The management of 786 Investments Limited would like to state that the movement in the Company's share price is beyond the control of the management, as share prices are determined by prevailing market forces of demand and supply. And we reaffirm that all material information concerning the Company's operations and financial position is being disclosed to shareholders and the public in a timely and transparent manner through periodic financial statements and other disclosures, in full compliance with the applicable regulations of the Pakistan Stock Exchange.*" Subsequently, PSX again observed an increase in price of 786's shares, therefore, in-line with the above-referred Regulation, it is considered important to seek further clarification from 786 regarding any matter or development of which it is aware of or that is or may be relevant to the unusual movement and has yet not been disclosed to the public.

In view of the above, 786 is advised to notify, through PUCARS, if there is any information held by 786 that necessitates disclosure to the public.

Yours truly,
