Subject: Material Information – Award of Cybersecurity Contract

Dear Sir,

In accordance with Section 96 of the Securities Act, 2015 and Clause 5.6.1 of the Rule Book of the Pakistan Stock Exchange Limited, we hereby convey the following material information:

Supernet Technologies Limited (the “Company”) is pleased to inform that its subsidiary, **Supernet Secure Solutions (Private) Limited**, has been awarded a five-year contract by one of Pakistan’s largest banks for the provision of an **advanced cybersecurity solution**.

This contract represents the second tenure of the engagement, following the successful execution of an earlier five-year contract awarded in 2021. The renewed mandate encompasses an enhanced and more advanced version of the cybersecurity solution, further strengthening the client’s security posture.

The contract, **valued in the multi-million US dollar range**, involves deployment of endpoint security solutions designed to safeguard over 10,000 employees nationwide, addressing one of the most critical vectors of cyber risk.

In addition to this contract, Supernet Secure Solutions (Private) Limited is currently delivering a three-year privileged access management solution to the same client and has also supported its international operations with various cybersecurity services.

This long-term and repeat engagement reflects the continued confidence of the client in the Company’s capabilities and reinforces its position as a trusted provider of cybersecurity solutions in the financial services sector.

The financial impact of this contract is expected to be positive over the duration of the agreement.

You may please inform the TREC holders accordingly.

Yours sincerely,
For **Supernet Technologies Limited**
