Agenda Item 1

To consider the change of name of the Company from *WorldCall Telecom Limited* to *WorldCall Technologies Limited*, subject to the approval of the Registrar, Securities and Exchange Commission of Pakistan (SECP), and all other requisite regulatory approvals, and the consequent amendments in the Memorandum and Articles of Association of the Company.

To better reflect its evolving business model and technology transformation, the Board recommended changing the name from WorldCall Telecom Limited to "WorldCall Technologies Limited", subject to the formal approval of the Registrar, SECP and relevant approvals.

Proposed Special Resolutions

"RESOLVED THAT subject to the approval of the Registrar of Companies, Securities and Exchange Commission of Pakistan (SECP), and all other requisite regulatory approvals, the name of the Company be and is hereby changed from "WorldCall Telecom Limited" to "WorldCall Technologies Limited" or to such other name as may be approved by the Registrar

FURTHER RESOLVED THAT consequent upon the change of name, the Memorandum and Articles of Association of the Company be and are hereby amended accordingly to reflect the new name wherever appearing. **FURTHER RESOLVED** THAT the Board of Directors of the Company be and is hereby authorized and empowered to approve, make and incorporate any modification, amendment, addition or deletion in the proposed name or in the Memorandum and Articles of Association, as may be required or deemed appropriate, or as may be directed or advised by the Registrar of Companies, SECP, or any other regulatory authority, for the purpose of giving effect to this resolution.

FURTHER RESOLVED THAT the Chief Executive Officer and the Company Secretary of the Company be and are hereby authorized, singly or jointly, to take all necessary steps, execute all documents, and do all acts, deeds and things as may be required or deemed necessary to give effect to this resolution, including filing of requisite documents with the SECP and other regulatory authorities."

Rationale

The Company has strategically transitioned from a traditional telecommunications operator to a diversified, technology-driven enterprise, with an increasing focus on digital solutions, IT services, and emerging technologies. In view of this transformation, the proposed change of name is intended to more accurately reflect the Company's current business model, future strategic direction, and growth aspirations. The revised name will enhance the Company's market positioning, reinforce its evolving brand identity, and support ongoing and planned diversification initiatives.

Interest of Directors

The Directors of the Company have no direct or indirect interest in the proposed special business (from Special Business Agenda 1, 4-6), except to the extent of their shareholding in the Company, if any.

Special Business

Agenda Item 2a

To consider and approve the proposal for expansion of the Company's business by establishing international operations in the United Arab Emirates, including the acquisition and/or transfer of interest in a Dubai-based entity presently held by the sponsors/directors of the Company, in accordance with Section 208 of the Companies Act, 2017, subject to the approval of shareholders and all requisite regulatory approvals, and to pass the special resolution as set out in the statement of material facts annexed to this notice.

Background and Rationale

The Company has been actively exploring strategic opportunities to expand its operations beyond Pakistan in line with its long-term growth strategy. As part of this initiative, the Company proposes to establish its international presence through the setting up of a wholly owned subsidiary in the United Arab Emirates ("UAE"), thereby enabling access to new markets, customers, and business opportunities in the region and globally. In order to efficiently execute this expansion, the Company intends to acquire an existing, non-operational UAE entity, which is presently held by certain sponsors/directors of the Company. This approach is considered commercially advantageous as compared to establishing a new entity from scratch. The estimated cost of fresh incorporation in the UAE is approximately AED 100,000, whereas the proposed acquisition is being undertaken at a consideration of AED 50,000, resulting in significant cost savings.

From an operational perspective, the proposed acquisition will substantially reduce the time required for market entry by avoiding the procedural and administrative requirements associated with new incorporation, which typically span several months. The availability of an already established legal structure will enable the Company to commence operations in the UAE in a timely and efficient manner.

Furthermore, the target entity does not have any prior operational history and is free from liabilities, obligations, or encumbrances, thereby providing a clean legal and financial platform for the Company's international operations. The Company also plans to allocate an amount of up to USD 500,000 towards capital expenditure and working capital requirements of the proposed subsidiary. The entire transaction and subsequent operations shall be subject to compliance with all applicable laws and regulations in Pakistan and the UAE, including obtaining necessary approvals from relevant regulatory authorities.

The proposed international expansion is expected to:

- provide access to new markets and customer segments;
- diversify revenue streams and enhance profitability;
- strengthen the Company's competitive position in the global market; and
- support long-term strategic growth and business diversification.

Interest of Directors

Mr. Babar Ali Syed and Mr. Muhammad Azhar Saeed, Directors of the Company, have a direct interest in the proposed transaction by virtue of their shareholding and directorship in the acquiree UAE entity. Accordingly, the transaction constitutes a related party transaction under Section 208 of the Companies Act, 2017 and is being placed before the members for approval.

Recommendation of the Board

The Board of Directors has reviewed the proposed transaction and recommends the same for approval of the members, considering it to be in the best interest of the Company and its stakeholders. The Directors having an interest in the proposed transaction did not participate in the deliberations of the Board and abstained from voting on the matter in compliance with the applicable provisions of the Companies Act, 2017.

Proposed Special Resolutions

RESOLVED THAT pursuant to the provisions of Section 208 and all other applicable provisions of the Companies Act, 2017, and subject to such approvals, consents and permissions as may be required, the establishment of international operations of the Company in the United Arab Emirates, including the acquisition of an existing UAE entity from sponsors/directors of the Company, be and is hereby approved.

FURTHER RESOLVED THAT the Company be and is hereby authorized to establish a wholly owned subsidiary in the United Arab Emirates and to undertake all necessary steps in connection therewith, including investment of funds, deployment of capital, and commencement of business operations.

FURTHER RESOLVED THAT the Board of Directors of the Company be and is hereby authorized and empowered to approve, finalize and implement the structure, terms and conditions of the acquisition and international expansion, including making any modifications, amendments or adjustments as may be required or deemed appropriate or as may be directed by any regulatory authority.

FURTHER RESOLVED THAT the Board of Directors of the Company be and is hereby authorized and empowered to make such modifications, amendments, additions or deletions to the structure, terms and conditions of the proposed acquisition, including but not limited to variation in the shareholding structure of the proposed subsidiary (including change from wholly owned subsidiary to a subsidiary with shareholding of less than one hundred percent (100%) but not less than fifty percent (51%)), as may be required or deemed appropriate, or as may be directed or advised by any regulatory authority, for the purpose of giving effect to these resolutions.

FURTHER RESOLVED THAT the Chief Executive Officer, Chief Financial Officer and Company Secretary of the Company be and are hereby authorized, singly or jointly, to:

- negotiate, finalize and execute all agreements, contracts and documents;
- make requisite filings with regulatory authorities in Pakistan and abroad;
- take all necessary actions for establishment and operationalization of the subsidiary; and

To consider and approve the alterations in the Articles of Association of the Company by passing a special resolution as set out in the statement of material facts annexed to this notice for the extension of Mandatory Conversion Date till December 31, 2030 in relation to Convertible Preference Shares; Background and Rationale

The Company has issued Convertible Preference Shares ("CPS"), the terms and conditions of which, including conversion rights and mechanics, are governed by the Memorandum and Articles of Association of the Company, particularly Articles 17-A and 17-B.

Proposed Special Resolutions

In order to provide flexibility to the CPS holders and align the conversion timeline with the Company's ongoing capital restructuring and future strategic plans, it is proposed to extend the mandatory conversion date of the CPS up to December 31, 2030. All other terms and conditions of the CPS, including conversion mechanism, rights and entitlements, shall remain unchanged and continue to be governed strictly in accordance with the Memorandum and Articles of Association of the Company.

It is further clarified that the capital restructuring measures contemplated under Agenda Items No. 4, 5 and 6 (including rearrangement of authorized capital, reduction of share capital and sub-division of shares) relate solely to the ordinary share capital of the Company and shall not affect, alter or prejudice, in any manner whatsoever, the rights, privileges, value or conversion terms of the CPS, which shall continue to remain intact in accordance with their original terms of issuance.

RESOLVED THAT pursuant to the applicable provisions of the Companies Act, 2017 and all other applicable laws, and subject to such approvals as may be required, the mandatory conversion date of the Convertible Preference Shares (CPS) of the Company be and is hereby extended up to December 31, 2030.

FURTHER RESOLVED THAT all other terms and conditions of the CPS, including but not limited to conversion rights, entitlements, and mechanics, shall remain unchanged and shall continue to be governed in accordance with the Memorandum and Articles of Association of the Company, particularly Articles 17-A and 17-B.

FURTHER RESOLVED THAT the capital restructuring contemplated under Agenda Items No. 4, 5 and 6 shall not affect, vary or prejudice the rights, privileges, value or conversion terms of the CPS in any manner whatsoever, and the CPS shall remain intact in accordance with their original terms of issuance.

FURTHER RESOLVED THAT the Board of Directors of the Company be and is hereby authorized and empowered to make such modifications, amendments or adjustments, as may be required or deemed appropriate, or as may be directed by any regulatory authority, for the purpose of giving effect to this resolution.

FURTHER RESOLVED THAT the Chief Executive Officer, Chief Financial Officer, the Company Secretary and any director of the Company be and are hereby authorized, jointly or severally, to take all necessary steps, execute all documents, and do all acts, deeds and things as may be required or deemed necessary to give effect to the aforesaid resolution, including making requisite filings with the Securities and Exchange Commission of Pakistan and other regulatory authorities.

Special Business**Agenda Item 4**

To consider the rearrangement and reclassification of the authorized share capital of the Company in accordance with Section 85 of the Companies Act, 2017, and the consequent amendments in the Memorandum and Articles of Association of the Company. Background

The existing authorized share capital of the Company comprises ordinary shares and preference shares, as detailed below:

Particulars	Ordinary Shares	Preference Shares	Total
Authorized Capital (Nos.)	1,500,000,000	500,000	—
Currency	PKR	US\$	—
Par Value (per share)	10.00	100.00	—
Authorized Capital (Value)	15,000,000,000	50,000,000	—
Exchange Rate (US\$1 = PKR)	—	—	—
Authorized Capital (PKR)	15,000,000,000	6,000,000,000	21,000,000,000

The issued and outstanding share capital of the Company as on December 31, 2025 is as follows:

The Company currently does not require the full extent of its authorized preference share capital amounting to PKR 6,000,000,000 (US\$ 60,000,000). Accordingly, it is proposed to restructure and reallocate the authorized capital by reducing the preference share component and increasing the ordinary share component, while maintaining the overall authorized capital at PKR 21,000,000,000.

Proposed Authorized Capital Structure

Particulars	Ordinary Shares	Preference Shares	Total
Authorized Capital (Nos.)	1,980,000,000	100,000	—
Currency	PKR	US\$	—
Par Value (per share)	10.00	100.00	—

Authorized Capital (PKR)	19,800,000,000	2,000,000,000	21,000,000,000

Rationale

The proposed rearrangement is aimed at rationalizing the Company's authorized capital structure by aligning it with its current operational requirements and future funding strategy. The reallocation from preference share capital to ordinary share capital is intended to optimize the composition of capital, eliminate underutilized components, and enhance the Company's ability to raise equity in a more efficient and flexible manner.

Status of Previously Approved Increase in Authorized Capital

It is noted that the shareholders of the Company had previously approved an increase in the authorized share capital of the Company from PKR 21,000,000,000 to PKR 29,000,000,000 in an earlier general meeting; however, the same is currently pending approval with the Securities and Exchange Commission of Pakistan (SECP).

In view of the proposed capital restructuring under Agenda Items No. 4, 5 and 6, it is clarified that upon approval and implementation of the aforesaid agenda items, the earlier approved increase in authorized capital shall be deemed to be withdrawn and shall not be pursued further.

FURTHER RESOLVED THAT consequent upon the aforesaid rearrangement, Clause V of the Memorandum of Association of the Company be and is hereby substituted and amended to read as follows:

"The authorized share capital of the Company is Rs. 21,000,000,000/- (Rupees Twenty-One Billion only), divided into 1,980,000,000 ordinary shares of Rs. 10.00 each and 100,000 preference shares of US\$ 100.00 each (Equivalent to Rupees 1,200,000,000 only at exchange rate of 120/- for each US\$)."

FURTHER RESOLVED THAT the Board of Directors of the Company be and is hereby authorized and empowered to approve, make and incorporate any modification, amendment, addition or deletion in the aforesaid Clause V of the Memorandum of Association and in the Article 4 of the Articles of Association, as may be required or deemed appropriate, or as may be directed or advised by the Securities and Exchange Commission of Pakistan (SECP) or any other regulatory authority, for the purpose of giving effect to these resolutions.

- filing of requisite documents with the SECP and other regulatory authorities;
- making consequential amendments in the Memorandum and Articles of Association of the Company; and

complying with any conditions, directions or requirements imposed by any regulatory authority.

Special Business**Agenda Item 5**

To consider the reduction of the share capital of the Company in accordance with Section 89 of the Companies Act, 2017 by approximately 90%. The share capital and reserves position of the Company as at December 31, 2025 is as follows:

Issued Capital	49,822,889

Capital Reserves	272,796
Surplus on Revaluation of Fixed Assets	3,035,276
Preference Share Capital	890,665
Dividend on Preference Shares	320,329

Shareholders' Equity (370,941) The Company has accumulated losses which have resulted in an erosion of shareholders' equity and an imbalance in its capital structure. In view of this, it is considered appropriate to undertake a comprehensive balance sheet rationalization exercise. Accordingly, in order to realign and optimize the Company's capital structure in light of its current financial position, it is proposed to undertake a reduction of share capital along with the re-characterization and adjustment of certain reserves and balances, including discount on shares.

The proposed restructuring is aimed at enhancing the overall presentation and strength of the Company's balance sheet by appropriately adjusting historical losses and reserves, thereby reflecting a more accurate financial position. This exercise will place the Company on a more sustainable financial footing and facilitate future restructuring, investment and capital raising initiatives, in accordance with applicable provisions of the Companies Act, 2017.

Preference Share Capital	890,665
Dividend on Preference Shares	320,329
Shareholders' Equity	(370,941)

Nature of Reduction

The issued ordinary share capital of the Company is proposed to be reduced by approximately 90%, from 4,982,289,186 ordinary shares to 498,228,918 ordinary shares, by cancelling such portion of the paid-up share capital as is lost or unrepresented by available assets, in accordance with the provisions of Section 89 of the Companies Act, 2017.

Rationale

The proposed capital reduction forms part of a broader balance sheet restructuring exercise and is intended to:

- eliminate accumulated losses and rationalize the capital structure of the Company;
- align the issued share capital with the Company's current asset base and financial position;
- align the capital structure framework;
- facilitate appropriate re-characterization of reserves, including adjustment of discount on shares and other accumulated balances; and
- place the Company on a more sustainable financial footing, thereby enabling future restructuring, investment and capital raising initiatives.

Effect on Creditors

The proposed reduction of share capital is purely an accounting adjustment and does not involve:

- any extinguishment or compromise of liabilities;
- any reduction in the amount payable to any creditor;
- any outflow of cash or transfer/distribution of assets to shareholders; or
- any diminution of the Company's net assets available to meet its obligations.

The reduction is limited to the cancellation of paid-up capital that is already lost or unrepresented by available assets, and therefore does not affect the underlying asset base of the Company. Consequently, the financial position of creditors remains entirely unaffected both before and after the proposed reduction.

All existing liabilities of the Company shall continue to be fully recognized, enforceable and payable in the ordinary course of business, without any alteration in terms, priority or security.

In view of the foregoing, the proposed capital reduction does not involve any element of prejudice to the interests of creditors, whether secured or unsecured, and does not result in any compromise or arrangement with creditors.

Accordingly, the reduction does not warrant any requirement for creditor consent or settlement of liabilities.

Compliance with Statutory Requirements

The proposed reduction of share capital shall be carried out in accordance with all applicable provisions of the Companies Act, 2017, including Sections 90 to 96, and shall be subject to confirmation by the Honorable Lahore High Court.

Given that the proposed reduction constitutes a purely accounting adjustment—being limited to the cancellation of paid-up capital that is lost or unrepresented by available assets—and does not involve any payment to shareholders, extinguishment or compromise of liabilities, or diminution of assets available to creditors, no prejudice is caused to the interests of any creditor.

Accordingly, it is submitted that this case falls within the category of reductions where the Honorable Court may, in its discretion, dispense with the requirement of settling a list of creditors and/or obtaining their consent, as contemplated under the applicable provisions of the Companies Act, 2017.

Without prejudice to the foregoing, the Company undertakes that, to the extent required by the Honorable Court, appropriate arrangements shall be made for safeguarding the interests of any creditor, including the provision of security where necessary. The reduction shall take effect only upon confirmation by the Honorable Court and registration of the order with the Registrar in accordance with law.

Special Business**Agenda Item 6**

To consider the sub-division of the ordinary share capital of the Company by changing the nominal (par) value of ordinary shares from PKR 10/- to PKR 1/- per share keeping the existing number of shares unchanged, and the consequential increase in the number of ordinary shares, along with the corresponding amendments in the Memorandum and Articles of Association of the Company.

Subject to the completion of Agenda Item No. 4 (rearrangement of authorized share capital) and Agenda Item No. 5 (reduction of share capital), it is proposed to sub-divide the ordinary share capital of the Company by reducing the nominal (par) value of each ordinary share from PKR 10.00 to PKR 1.00 per share, resulting in a corresponding increase in the number of issued and authorized ordinary shares without any change in the overall paid-up capital of the Company.

The market price of the Company's ordinary shares is approximately PKR 1.18 as of April 03, 2026, which is significantly below the existing face value of PKR 10.00 per share. In order to better align the nominal value of the shares with the prevailing market price, and to make the share denomination more reflective of current trading levels, it is considered appropriate to reduce the par value to PKR 1.00 per share.

The proposed sub-division is also expected to:

- enhance liquidity and trading activity in the Company's shares by increasing the number of shares in circulation;
- improve affordability and accessibility of the shares for a broader base of investors;
- facilitate more efficient price discovery in the market; and
- support potential future capital raising and restructuring initiatives.

It is, however, clarified that pursuant to the capital reduction contemplated under Agenda Item No. 5, both the number of shares and the aggregate value of shareholding will be reduced. Thereafter, upon implementation of the proposed sub-division, the number of shares will increase proportionately in line with the revised nominal value. Consequently upon the proposed sub-division, the Memorandum and Articles of Association of the Company will be amended to reflect the revised share capital structure.

The following resolutions are proposed to be passed as **special resolutions**:

Composite Enabling Resolutions (Agenda Items 4 to 6)

Rationale for Composite Implementation

The restructuring of the Company's capital, as contemplated under Agenda Items No. 4, 5 and 6, comprises multiple interdependent corporate actions, including rearrangement of authorized capital, reduction of share capital and sub-division of shares.

Given the integrated nature of these steps, it may be necessary, for regulatory, procedural or practical reasons, to implement such actions in a particular sequence, combination or manner as may be required or directed by the relevant authorities. Requiring separate implementation or approval at each stage may result in **unnecessary delays, duplication of processes and increased administrative complexity**, without adding substantive value. Accordingly, it is considered appropriate and in the best interest of the Company and its stakeholders to authorize flexibility in execution, so as to efficiently achieve the intended **final capital structure** as set out below.

FURTHER RESOLVED THAT the Board of Directors be and is hereby **authorized to make such modifications, amendments, additions or deletions** to any of the approved actions, resolutions or structures, including variation in sequence or manner of implementation, as may be required or deemed appropriate, or as may be directed or

advised by the Securities and Exchange Commission of Pakistan (SECP), the Honorable Lahore High Court or any other regulatory authority.

FURTHER RESOLVED THAT the Chief Executive Officer, the Chief Financial Officer the Company Secretary and any director of the Company be and are hereby authorized, jointly or severally, to take all necessary steps, execute all documents, make filings with the relevant regulatory authorities, and do all acts, deeds and things as may be required or deemed appropriate to give effect to the ultimate capital restructuring of the Company.
