In Re: **PROGRESS REPORT**

This is with reference to your letter No. PSX/Gen-411, dated 07.04.2026, on the captioned subject.

We wish to inform you that the Company is a non-operational entity and went through a Scheme of Arrangement under Section 279 of the Companies Act, 2017, duly sanctioned by the honorable High Court of Sindh at Karachi. Prior to sanction of the said Scheme, the secured creditors and shareholders approved the Scheme, in the meetings held under the chairmanship appointed by the Court, covering sale of all assets of the Company for settlement of its existing liabilities.

The Scheme has since been implemented in accordance with its terms. All assets of the Company were sold through the Asset Sale Committee constituted under the Scheme, and the sale proceeds were distributed by the Agent Bank, among the secured creditors on a pari passu basis in terms of the Scheme as full and final settlement of the Company's existing liabilities. As a result, the Company does not possess any operational assets and remains non-operational.

The Company is, at a preliminary stage of evaluating strategic options for the future, subject to regulatory approvals and availability of resources.

Without prejudice to the foregoing, and in compliance with your directions, the Company has submitted the Quarterly Progress Report for the quarter ended March 31, 2026 through PUCARS, reflecting the current non-operational status of the Company.

The Company assures you that, going forward, quarterly progress reports shall be submitted within the prescribed timelines in accordance with PSX Regulation **5.11.1(b)**.

We trust the above clarifies the matter.

Yours truly,

Company Secretary
