**Subject: Material Information - Inauguration of 10 MW Solar Project**

Dear Sir,

We are writing to inform you, in accordance with Section 96 and 131 of the Securities Act, 2015 and clause 5.6.1 of Rule Book of Pakistan Stock Exchange Limited, that Saif Textile Mills Limited ("the Company") has successfully installed and commissioned the 10 MW solar power project at its Mills located at Industrial Estate, Gadoon Amazai, District Swabi, Khyber Pakhtunkhwa.

This initiative forms part of the Company's ongoing strategy to enhance energy efficiency, optimize operating costs, and promote sustainable operations. The solar power installation is expected to reduce the Company's reliance on grid electricity and partially insulate it from escalating energy tariffs, resulting in a positive impact on the cost of production and, consequently, on operating margins over time. The Company remains focused on undertaking prudent measures aimed at improving operational performance and enhancing long-term shareholder value.

The project also reflects the Company's commitment to environmentally sustainable practices through the reduction of its carbon footprint.

Yours truly,

  
Umar Shahzad  
Company Secretary
