2. CONDENSED UNCONSOLIDATED INTERIM FINANCIAL STATEMENTS

DIRECTORS' REVIEW

In accordance with Section 237 of the Companies Act, 2017, the Board of Directors of The Pakistan Credit Rating Agency Limited is pleased to present the unaudited condensed interim unconsolidated financial statements of the Company for the nine months and quarter ended March 31, 2026.

The Company's financial results for the first nine months reflect revenue of PKR 379.9 million, representing a 12.1% increase over PKR 338.9 million in the corresponding period last year. Cost of revenue increased by a modest 6.4%, well below the pace of revenue growth. As a result, core operating profit rose to PKR 133.2 million from PKR 107.8 million, registering a healthy 23.6% growth. Other income declined to PKR 19.5 million from PKR 29.9 million, primarily on account of lower dividend income received from the subsidiary and lower interest rates on bank deposits.

Profit before tax stood at PKR 148.6 million, compared to PKR 135.1 million in the same period last year, an increase of 10.0%. However, profit after tax decreased to PKR 93.6 million from PKR 100.8 million, on account of a higher tax incidence resulting from the application of minimum tax. Earnings per share (EPS) for the nine months stood at PKR 1.26, against PKR 1.35 in the corresponding period last year, while EPS for the current quarter was PKR 0.29 compared to PKR 0.33 in the same quarter of the previous year.

	Quarter Ended March 31,		Quarter Ended March 31,	
	2026	2025	2026	2025
(PKR in million)	9M	9M	3M	3M
Revenue	379.9	338.9	122.2	108.0
Operating Profit	133.2	107.8	40.9	32.2
Profit Before Tax	148.6	135.1	44.7	34.7
Income Tax	54.9	34.3	23.1	10.1
Profit After Tax	93.6	100.8	21.6	24.6
Earnings per Share (EPS)	1.26	1.35	0.29	0.33

For the period ended March 31, 2026, Pakistan Credit Rating Agency Limited (PACRA) demonstrated stability in its financial and operational performance. The Company maintained disciplined cost management and strengthened client relationships across key segments, enabling it to sustain profitability while expanding its engagement across the debt capital markets. The bond market has shown clear signs of improvement, supported by stronger investor appetite, enhanced liquidity, and renewed momentum in fixed-income activity.

OUTLOOK

PACRA's strategy remains anchored in consolidating its leadership in core credit ratings while selectively expanding into high-growth segments of the economy. The Company is well positioned to capture emerging opportunities across fintech, SME financing, infrastructure, and sustainable finance. As market expectations evolve toward greater transparency, robust risk assessment, and measurable impact, PACRA is strengthening its capabilities in ESG, performance, and social impact ratings to remain aligned with stakeholder demands.

To support this direction, PACRA is prioritising investment in digital transformation, advanced analytics, and human capital. Enhancements in data architecture, research capabilities, and technology-enabled processes are expected to deepen analytical rigor and improve service delivery. In parallel, the Company is refining its commercial model through the introduction of subscription-based research and analytics offerings aimed at building stable, recurring revenue streams.

Improving macroeconomic stability and a gradual strengthening of financial markets are likely to drive increased debt issuances, structured finance activity, and broader capital market participation. This environment provides a strong platform for PACRA to expand its rating coverage and further reinforce its position as a credible, independent institution committed to high standards of governance, transparency, and professional excellence. Geopolitical headwinds, regional tensions and commodity-price volatility remain a material risk to Pakistan's macro trajectory and to the credit quality of issuers. PACRA continues to monitor these exposures closely through its surveillance framework and recognises that periods of elevated uncertainty typically increase the value placed on independent, well-researched credit opinions.

In summary this has been a period of operational improvement but with a structurally higher tax incidence. The Group's underlying earning power has improved, the balance sheet has strengthened, but the tax effect, which is material, is a key area of concern.

ACKNOWLEDGEMENT

The Board takes this opportunity to express its sincere appreciation to the shareholders, clients, employees, and all stakeholders for their continued trust and confidence in the Company. The Board looks forward to their ongoing support and cooperation in the years ahead.

ON BEHALF OF THE BOARD

Usman Haider

13. CONTINGENCIES AND COMMITMENTS

13.1 CONTINGENCIES

13.1.1 There has been no significant change in the status of contingencies as reported in annual audited financial statements of the Company for the year ended June 30, 2025, except elsewhere reported in the condensed unconsolidated interim financial statements for the nine-month period ended March 31, 2026.

13.2 COMMITMENTS

13.2.1 JS Bank Limited has issued performance guarantee on behalf of the Company in favour of Finance Department of Government of Punjab amounting to Rs. 0.05 million (2025: Rs. 0.05 million).

13.2.2 During the previous financial year, under a tri-party agreement dated January 12, 2025, the majority sponsors/directors of the Company namely Mr. Mumtaz Hussain, Mr. Sardar Ali Wattoo, Mr. Usman Haider, and Mr. Adnan Afaq (the "Buyers Group") with Mr. Mumtaz Hussain as the Buyer's Agent entered into a Mutual Buyout Agreement (MBO) with LSE Ventures Limited (the "Seller") to acquire its entire shareholding in the Company comprising of 26.830 million shares ("Shares") against a consideration of Rs. 600 million, payable in 10 equal semi-annual instalments of Rs. 60 million each over a period of five years through assignment and payment of Buyers dividends from the Company. Any shortfall in the payment of the instalment was guaranteed by the Buyer's Agent. Under the arrangement, all shares were held in blocked form in the seller's CDS account, and upon each instalment, the escrow agent was required to transfer 2.683 million shares to the Buyers. The 1st instalment under the MBO was paid on January 14, 2025, to the Sellers through a dividend from the Company (less applicable withholding tax) pursuant to which 2.683 million shares were transferred to the Buyers. However, on June 30, 2025, the Seller issued a notice to terminate the MBO, and the matter is currently under dispute.

In this regard, a civil suit was instituted before the competent Civil Court at Lahore on December 08, 2025, by the Seller against the Company, its sponsors/directors (including the Buyers and the Buyer's Agent), Central Depository Company of Pakistan Limited (CDC), and the Securities and Exchange Commission of Pakistan (SECP) (collectively, the "Respondents"). The Company as Respondent has entered appearance before the Court and the last hearing was scheduled for February 16, 2026 for filing of written statements. However, the said hearing did not take place and has since been adjourned by the Court. Under the said proceedings, the Civil Court granted an interim order permitting the Seller to exercise voting rights in respect of the disputed shares at the Extraordinary General Meeting ("EOGM") of the Company convened on December 29, 2025 for the election of directors.

Subsequently, on January 27, 2026, Mr. Mumtaz Hussain, Mr. Sardar Ali Wattoo, and Mr. Adnan Afaq (forming part of the Buyers' group) instituted proceedings before the Lahore High Court challenging the election of the director(s) nominated and/or voted for by the Seller at the said EOGM. The Company, the Seller, CDC, CDC Share Registrar Services Limited, SECP and directors nominated by the seller have been impleaded as Respondents in the said petition. The Lahore High Court has issued notices to the Respondents and, as an interim measure, has directed that any decisions taken by the director(s) elected pursuant to the impugned nomination/voting shall remain subject to the final outcome of the proceedings before the Court.

This arrangement is between the Buyers and the Seller, with the Company acting only as a counterparty, the management do not anticipate any impact on the operations of the Company.

3. CONDENSED CONSOLIDATED INTERIM FINANCIAL STATEMENTS

GROUP DIRECTORS' REVIEW

The Directors are pleased to present the unaudited condensed interim consolidated financial statements of The Pakistan Credit Rating Agency Limited ("PACRA" or "the Company") for the nine months and quarter ended March 31, 2026.

CONSOLIDATED FINANCIAL HIGHLIGHTS OF THE COMPANY:

During the first nine months of the financial year, the Company delivered a solid operational performance, supported by sustained growth in its core rating operations and a notable turnaround in its share of profit from associate. Total revenue rose 11% to PKR 388.4 million (SPLY: PKR 349.9 million), driven primarily by higher mandate activity in financial instruments amid improved bond market conditions. Cost of revenue increased modestly by 6% to PKR 253.5 million (SPLY: PKR 238.6 million), well below the pace of revenue growth. This translated into stronger operating leverage, with operating profit climbing 21% to PKR 134.8 million, compared to PKR 111.2 million in SPLY.

A key highlight of the period was the meaningful improvement in the share of profit from the Company's associate, Tasdeeq and Lanka Rating Agency which contributed PKR 7.0 million during the nine months, reversing a loss of PKR 6.5 million recorded in SPLY. This turnaround was a major contributor to the 29% growth in profit before tax, which rose to PKR 150.5 million from PKR 116.3 million. However, profit after tax growth was tempered by a substantially higher tax charge due to a minimum tax incidence at 15% of revenue. Income tax for the period increased sharply to PKR 57.2 million from PKR 35.6 million in SPLY, reflecting a higher effective tax rate. As a result, profit after tax grew by a more modest 15% to PKR 93.2 million (SPLY: PKR 80.7 million).

Earnings per share (EPS) for the nine-month period accordingly improved to PKR 1.25, up from PKR 1.08 in SPLY. For the quarter under review, EPS stood at PKR 0.30 compared to PKR 0.32 in the corresponding quarter last year, primarily on account of the higher quarterly tax charge of PKR 24.6 million versus PKR 9.8 million in SPLY, which offset the strong growth in operating profit for the quarter.

PKR Million	Quarter Ended March 31,		Quarter Ended March 31,	
	2026 9M	2025 9M	2026 3M	2025 3M

14. CONTINGENCIES AND COMMITMENTS

14.1 CONTINGENCIES

14.1.1 There has been no significant change in the status of contingencies as reported in annual audited financial statements of the Holding Company for the year ended June 30, 2025, except elsewhere reported in the condensed consolidated interim financial statements for the nine month period ended March 31, 2026.

14.2 COMMITMENTS

14.2.1 JS Bank Limited has issued performance guarantee on behalf of the Company in favour of Finance Department

of Government of Punjab amounting to Rs. 0.05 million (2025: Rs. 0.05 million).

14.2.2 During the previous financial year, under a tri-party agreement dated January 12, 2025, the majority sponsors/directors of the Company namely Mr. Mumtaz Hussain, Mr. Sardar Ali Wattoo, Mr. Usman Haider, and Mr. Adnan Afaq (the "Buyers Group") with Mr. Mumtaz Hussain as the Buyer's Agent entered into a Mutual Buyout Agreement (MBO) with LSE Ventures Limited (the "Seller") to acquire its entire shareholding in the Company comprising of 26.830 million shares ("Shares") against a consideration of Rs. 600 million, payable in 10 equal semi-annual instalments of Rs. 60 million each over a period of five years through assignment and payment of Buyers dividends from the Company. Any shortfall in the payment of the instalment was guaranteed by the Buyer's Agent. Under the arrangement, all shares were held in blocked form in the seller's CDS account, and upon each instalment, the escrow agent was required to transfer 2.683 million shares to the Buyers. The 1st instalment under the MBO was paid on January 14, 2025, to the Sellers through a dividend from the Company (less applicable withholding tax) pursuant to which 2.683 million shares were transferred to the Buyers. However, on June 30, 2025, the Seller issued a notice to terminate the MBO, and the matter is currently under dispute..

In this regard, a civil suit was instituted before the competent Civil Court at Lahore on December 08, 2025, by the Seller against the Company, its sponsors/directors (including the Buyers and the Buyer's Agent), Central Depository Company of Pakistan Limited (CDC), and the Securities and Exchange Commission of Pakistan (SECP) (collectively, the "Respondents"). The Company as Respondent has entered appearance before the Court and the last hearing was scheduled for February 16, 2026 for filing of written statements. However, the said hearing did not take place and has since been adjourned by the Court. Under the said proceedings, the Civil Court granted an interim order permitting the Seller to exercise voting rights in respect of the disputed shares at the Extraordinary General Meeting ("EOGM") of the Company convened on December 29, 2025 for the election of directors.

Subsequently, on January 27, 2026, Mr. Mumtaz Hussain, Mr. Sardar Ali Wattoo, and Mr. Adnan Afaq (forming part of the Buyers' group) instituted proceedings before the Lahore High Court challenging the election of the director(s) nominated and/or voted for by the Seller at the said EOGM. The Company, the Seller, CDC, CDC Share Registrar Services Limited, SECP and directors nominated by the seller have been impleaded as Respondents in the said petition. The Lahore High Court has issued notices to the Respondents and, as an interim measure, has directed that any decisions taken by the director(s) elected pursuant to the impugned nomination/voting shall remain subject to the final outcome of the proceedings before the Court.

This arrangement is between the Buyers and the Seller, with the Company acting only as a counterparty, the management do not anticipate any impact on the operations of the Company.
