## MATERIAL INFORMATION

Dear Sir,

In compliance with the requirements of the Pakistan Stock Exchange Limited (PSX) and applicable provisions of the Securities Act, 2015, and PSX Rule Book, we hereby convey the following material information:

### Execution of Global Connectivity Agreement

Zuma Resources Limited (“Zuma” or the “Company”), a technology-focused listed entity, is pleased to announce that it has entered into a **Global Connectivity Agreement** with **Telna North America Inc.** (“**Telna**”), a United States-based global telecommunications connectivity provider.

Under this agreement, Telna shall provide Zuma access to its multi-IMSI global connectivity infrastructure, enabling the provision of international mobile telecommunications services, including:

- eSIM connectivity
- Mobile data services
- Voice and SMS services
- International roaming capabilities across multiple networks

### Commercial Rights and Strategic Initiative

Pursuant to the terms of the agreement, Zuma shall have the right to:

- **Establish and commercially launch its own global telecom brand**
- Utilize Telna’s connectivity infrastructure to deliver telecom services to end users worldwide
- Operate as a reseller and service provider across multiple jurisdictions
- Integrate third-party partners and service providers

- 
- Retain full commercial flexibility, including the ability to adopt a multi-supplier operating model

The Company intends to leverage this agreement to **develop, own, and operate its proprietary global telecom platform and brand**, supported by Telna's infrastructure and network integrations.

## Strategic Significance

This agreement represents a key milestone in Zuma's strategic transformation into a technology and telecom-enabled business platform, and is expected to:

- Facilitate entry into the rapidly growing global digital connectivity and eSIM market
- Enable the Company to build scalable and recurring revenue streams
- Strengthen Zuma's position in international telecom and digital infrastructure sectors
- Support future expansion into global markets, including Europe, the United Kingdom, and other regions

## Key Commercial Highlights

- Initial term of the agreement: Three (3) years, subject to renewal
- Revenue generation through resale of telecom services and usage-based billing mechanisms
- Scalable commercial structure aligned with subscriber growth and traffic volumes
- Capability to support large-scale deployment of telecom services globally

## Future Outlook

The Company will continue to evaluate and pursue strategic initiatives to expand its telecom footprint, enhance service offerings, and create long-term shareholder value through innovation and global partnerships.

In this regard, **Zuma is currently evaluating the feasibility of applying for a Mobile Virtual Network Operator (MVNO) license from the Pakistan Telecommunication Authority (PTA)**, subject to regulatory approvals and applicable legal requirements. There can be no assurance that such approval will be obtained, and any further developments in this respect will be communicated to the Exchange in accordance with applicable regulations.

The above information is being disseminated in compliance with PSX disclosure requirements.
