d) **Purpose of the Right Issue**

The principal purpose of the Right Issue is to implement Company's investment portfolio by investing in PICIC Insurance Limited which as per scheme of arrangement will become subsidiary of the Company besides complimenting Company's other investment portfolio in accordance with its approved Investment policy to achieve optimal risk-adjusted returns. This will increase investment income, thereby contributing to the Company's profitability and overall financial performance and deliver higher and more sustainable returns to shareholders. The capital infusion will directly enhance the Company's equity base and solvency margins, ensuring greater financial flexibility and the ability to underwrite larger risks while maintaining prudent risk management practices. Further, it will ensure compliance with the enhanced paid-up capital requirements prescribed by the regulator and will enable the Company to expand the insurance business.

e) **Utilization of Proceeds of the Right Issue**

The proceeds from the Right Issue will be utilized to invest in PICIC Insurance Limited which as per scheme of arrangement will become subsidiary of the Company and to invest in other companies complimenting Company's investment portfolio in accordance with its approved Investment policy. Further, the proceeds will be used to enhance Company's capital base and solvency position in order to support sustainable growth and comply with regulatory capital requirements as well as to expand the insurance business of the Company.

f) **Benefits to the Company and Shareholders**

The Right issue will increase investment income, thereby contributing to the Company's profitability and overall financial performance and deliver higher and more sustainable returns to shareholders. The capital infusion will directly enhance the Company's equity base and solvency margins, ensuring greater financial flexibility and the ability to underwrite larger risks while maintaining prudent risk management practices and will enable the company to expand its insurance business.

g) **Risk Factors associated with the Right Issue, if any**

The Right Issue of the Company is being carried out at a discount of PKR 5/- (Pak Rupees Five) to par that is at a price of PKR 5/- (Pak Rupees Five) per Right Share which is calculated at 90 days weighted average price immediately preceding the right announcement, hence there is no major investment risk associated with the Right Issue. The substantial shareholders and Directors of the Company have confirmed that they shall subscribe to (or arrange the subscription of) their respective right entitlements, while the balance portion of the Right Issue shall be fully underwritten as per requirements under applicable regulations. Normal risks associated with the business will remain.

h) **Minimum Subscription Amount**

Not Applicable.

i) **ASBA**

Not opted for.

Agenda Item 4: As per Section 199 of the Companies Act, 2017 for the following acts by the Company:

Approval for provision of an intercompany loan to its associated company, PICIC Insurance Limited ("PIL"), of an aggregate amount of up to PKR 1,000,000,000 (Rupees One Billion).
