**Subject: Corporate Announcement – Execution of Lending Facility Agreement
between LogiServe and Mobilink Microfinance Bank**

Dear Sir,

Secure Logistics Trax Group Limited ("SLGTrax" or the "Company") is pleased to inform its valued investors and counterparties that LogiServe (Private) Limited ("LogiServe"), a wholly owned subsidiary of SLGTrax, operating as a Non-Banking Finance Company ("NBFC") license, has executed a Lending Facility Agreement with Mobilink Microfinance Bank Limited ("MMBL"). The signing ceremony was held on June 29, 2026 in Islamabad.

The agreement establishes a digital lending mechanism for merchants operating within SLGTrax's e-commerce and logistics ecosystem. Under the arrangement, merchants will have access to working capital financing of up to PKR 250,000, with disbursements and recoveries managed in line with LogiServe's existing loan cycle and NBFC regulatory framework. With this agreement, the Company's lending capital has increased manifold, with further facilities in the pipeline to support continued lending growth.

In addition to financing access, merchants will be entitled to a range of value-added benefits, including exclusive deals across 10,000+ partner vendors, free online OPD consultations, hospitalization coverage of up to PKR 200,000 across 300+ panel hospitals, and protection against accidental death, permanent disability and loss of business premises, each covered up to the outstanding loan amount or PKR 1,000,000, whichever is less. Female merchants will receive additional support, including a family income and maternity benefits.

This agreement is expected to support the continued growth of the Company's e-commerce and Digital Lending business lines.

The Company will provide further updates as the partnership progresses.

Yours sincerely,

Company Secretary
