Subject: 23rd Annual Environment Excellence Award 2026 by the National Forum for Environment & Health (NFEH)

Dear Sir / Madam,

Haleon Pakistan Limited is pleased to inform you that its Jamshoro manufacturing facility has been honoured with the **23rd Annual Environment Excellence Award 2026** by the **National Forum for Environment & Health (NFEH)**. This recognition reflects the site's continued commitment to environmental excellence, responsible operations and sustainable development.

The award recognises Haleon Jamshoro's ongoing initiatives across key environmental areas, including Scope 1 emissions elimination, renewable energy addition, energy conservation, water stewardship, waste circularity, waste, water and energy efficiency, and progress under the TRUE (Total Resource Use and Efficiency) certification programme. These initiatives demonstrate the site's focus on reducing environmental impact while strengthening a culture of continuous improvement.

As a leading consumer healthcare company in Pakistan, Haleon remains committed to embedding sustainability into its operations through responsible resource use, circular economy practices, water stewardship and emissions reduction. This achievement further reinforces Haleon's purpose to deliver better everyday health with humanity, while contributing to a healthier future for people and the planet.

Yours sincerely,

For and on behalf of Haleon Pakistan Limited

Mr. Qawi Naseer
