Disclosure of Material Information

Dear Sir,

In accordance with Section 96 of the Securities Act, 2015 and Clause 5.6.1(a) of the Pakistan Stock Exchange Regulations, we hereby inform you of the following material information:

J.K. Spinning Mills Limited has undertaken an investment of approximately Rs. 1,789 million for the enhancement and modernization of its Fabric Processing Unit. The investment includes the installation of a Goller Complexa two-stage Bleaching Range with single-loop washing compartments, one 8-Chamber POSLU Stenter with 3,400 mm working width, and one biomass-fired step-grate thermal oil heater, together with related civil works and associated costs. The investment is expected to improve the operational efficiency of the processing department and enhance the quality and competitiveness of the Company's products.

Furthermore, the Company has deployed Rs. 515.50 million under its ongoing policy of Balancing, Modernization and Replacement (BMR) of its Spinning Division and is expected to replace 16 LMW high-speed Ring Frame LRJ/SX machines, 2 sets of complete high-speed Toyota Simplex frames along with accessories, an Automatic Bale Plucker, and other related equipment. Replacement of the existing machinery is expected to improve operational efficiency, optimize the spinning process, and enhance the quality of yarn.

The Company has secured financing from banks under the Long Term Finance Facility (LTFF) scheme, and the requisite documentation and other formalities with the financing banks are currently being completed.

The above investments form part of the Company's ongoing efforts to modernize its manufacturing facilities, improve operational efficiency, and enhance product quality and competitiveness.

You may please inform the Certificate Holders of the Exchange accordingly.

Yours Sincerely,

For J.K. Spinning Mills Limited
