Subject: **Disclosure of Material/Price Sensitive Information**

Dear Sir,

In accordance with Section 96 of the Securities Act, 2015 and Clause 5.6.1 (a) of the PSX Regulations, we hereby convey the following information:

Commissioning of Lundali-1 Well in the Sukhpur-II Block, Sindh Province

We are pleased to inform that the Joint Venture (JV) comprising Prime Global Energies Limited (Operator with 25% working interest), Mari Energies Limited (30%), Oil and Gas Development Company Limited (30%) and Turkish Petroleum Overseas Company Limited (15%) has successfully commissioned Lundali-1 Well in the Sukhpur-II Block, and achieved First Gas on September 06, 2026. The well is currently flowing 10 MMscfd Gas at a wellhead pressure of 2,000 psi. The gas is being supplied to Sui Southern Gas Company Limited (SSGC).

The Sukhpur-II (Block 2568-23) Petroleum Concession Agreement and Exploration License (EL) became effective on December 02, 2025. Following the grant of EL, the JV accelerated exploration and development activities, culminating in the successful commissioning of Lundali-1 (the well was drilled by the previous JV). This milestone reflects the JV's commitment to strengthening Pakistan's energy security through the development of indigenous hydrocarbon resources.

You are requested to disseminate the above information to the Members of the Exchange accordingly.

For and on behalf of Mari Energies Limited
