Subject: Disclosure of Material Information

Dear Sir / Madam,

We write in accordance with the applicable provisions of sections 96 and 131 of the Securities Act, 2015 and Rule 5.6.1. (a) of the PSX Rule Book regarding Prime International Oil and Gas Company Limited ("Prime") which is a joint venture of Hub Power Holdings Limited (a wholly owned subsidiary of The Hub Power Company Limited).

In this regard, we are pleased to inform that, Prime, through its wholly owned subsidiary Prime Global Energies Limited ("Prime Global"), has successfully commissioned Lundali-1 Well in the Sukhpur-II Concession and achieved First Gas on 6 September 2026. The well is currently flowing 10 MMscfd Gas at a wellhead pressure of 2,000 psi and the gas is being supplied to Sui Southern Gas Company Limited (SSGC). Prime Global is the Operator of the Sukhpur-II Concession, with, Oil and Gas Development Company Limited (OGDCL), Mari Energies Limited (MEL), and Turkish Petroleum Overseas Company Limited (TPOC) being its joint venture partners.

The Sukhpur-II (Block 2568-23) Petroleum Concession Agreement and Exploration Licence became effective on 2 December 2025. Following the award of the licence, the joint venture accelerated activities in the block, leading to the Lundali-1 well's successful commissioning.
