As part of the UK market-entry process, formal regulatory engagement with the Office of Communications (Ofcom), the United Kingdom's communications regulator, has been initiated for Digital and Physical Sim powered by sim.market, and the Company has undertaken steps to align its operations, customer framework and digital platforms with the applicable UK regulatory and consumer-compliance requirements.

PLATFORM AND SERVICE OFFERING

The UK operations are intended to offer digital eSIM, Physical SIMs and connectivity solutions to customers through the Company's technology platforms, including its global eSIM marketplace, sim.market.

STRATEGIC RATIONALE

The establishment of Zuma Global Ltd represents another step in Zuma Resources Limited's strategy to build an international digital connectivity and technology business, with the United Kingdom expected to serve as an important market and operating base for the Group's international expansion.

The Company intends to progressively introduce and market its SIM and related digital connectivity services in the United Kingdom, subject to applicable regulatory, commercial and technical requirements.

Further material developments in this regard shall be communicated to the Pakistan Stock Exchange and shareholders as appropriate.
