SECURITY LEASING CORPORATION LIMITED

Report of the Board of Directors
For the Financial Year Ended June 30, 2026

To the Shareholders, your Directors are pleased to present the Annual Report of Security Leasing Corporation Limited, together with the audited Financial Statements and the Auditors' Report, for the financial year ended June 30, 2026.

1. OVERVIEW OF THE NATIONAL ECONOMY

Pakistan's economic environment through 2025-2026 remained testing. High inflation, a depreciating rupee and a heavy external debt burden kept pressure on the balance of payments, with foreign exchange reserves at critical levels and continued reliance on IMF support. Political uncertainty added further strain to the recovery process.

The government has pursued fiscal reform, tighter fiscal discipline and export-led growth measures to stabilize the macroeconomic position; however, the pace of recovery remains slow and inflation continues to weigh on households and businesses alike.

2. COMPANY OVERVIEW

A summary of the Company's position during the year under review, in respect of equity, profitability and indebtedness to institutional creditors, is set out below:

Particulars (Rs.)	30 June 2025	30 June 2026
Equity	42,770,602	33,646,399
Profitability / (Loss)	(3,121,231)	(9,124,203)
Indebtedness to institutional creditors	366,742,123	366,742,123

During 2025-2026, the country continued to face serious challenges on account of political uncertainty, persistent inflation and overall economic slowdown, which adversely affected the business sector in terms of profitability, liquidity and the pace of recovery. Consequently, the exact impact on the Company's financial performance and position cannot be predicted with certainty at this stage.

3. FINANCIAL RESULTS

The financial results of the Company for the year are summarized below:

Particulars (Rupees)	2025	2026
Profit / (Loss) after tax	(3,121,231)	(9,124,203)
Profit per share - basic & diluted	(0.09)	(0.25)
Appropriation - transfer to statutory reserves	-	-

4. SHARE CAPITAL & LICENSING

Against the minimum equity of Rs. 50 million prescribed by the Securities & Exchange Commission of Pakistan (SECP), the Company's equity as of 30th June 2026 stood at Rs. 33.646 million.

5. CORPORATE SOCIAL RESPONSIBILITY

The Company has consistently demonstrated its commitment to being a responsible corporate citizen through active participation in social causes, both directly and through the voluntary efforts of its staff. During earthquakes, floods and other natural disasters, the Company has extended support to those in need through financial assistance and donations of goods.

6. BUSINESS ETHICS

The Company's Code of Conduct provides a clear guiding framework for Directors and employees alike to operate with integrity, honesty and dedication toward the common goal of delivering positive outcomes for the Company and its stakeholders.

7. DIRECTORS' DECLARATION

The Directors have implemented the revised Code of Corporate Governance and are pleased to confirm the following:

1. The financial statements prepared by management present fairly the Company's state of affairs, results of operations, cash flows and changes in equity.
2. Proper books of account have been maintained.
3. Accounting policies have been consistently applied, and accounting estimates are based on reasonable and prudent judgment.
4. International Financial Reporting Standards, as applicable in Pakistan, have been followed, with any departure adequately disclosed.

5. The system of internal control is sound in design and has been effectively implemented and monitored.
6. Key operating and financial data for the last six years, in summarised form, is annexed to this report.
7. No trading in the shares of the Company was carried out by the Directors, Executives, or their spouses and minor children during the year.
8. Eight meetings of the Board of Directors and four meetings of the Audit Committee were held during the year; attendance details follow.

INDEPENDENT AUDITORS' REVIEW REPORT

To the members of M/s. Security Leasing Corporation Limited

Review report on the statement of compliance contained in the Listed Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (here-in-after referred to as 'the Regulations'), prepared by the Board of Directors of Security Leasing Corporation Limited (the Company) for the year ended 30 June 2026 in accordance with the requirements of the Regulation 36 of the Listed Companies (Code of Corporate Governance) Regulations, 2019.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's Compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended 30 June 2026.

Further we highlight below instances of non-compliances with requirements of Regulation as reflected in the paragraph reference where these are stated in statement of compliance:

Reference#	Description
1&2	As per Regulation 6(1) It is mandatory that each listed company shall have at least two or one third members of the Board, whichever is higher, as independent directors. Also, as per Regulation 7 it is mandatory that the Board shall have at least one female director. And as per Regulation 8 It is mandatory that the executive directors, including the chief executive officer, shall not be more than one third of the Board.

	The Company is compliant with the applicable requirements of the Listed Companies (Code of Corporate Governance) Regulations, 2019, regarding the composition of the Board of Directors. However, the Company has not complied with the minimum number of directors prescribed under Section 154 of the Companies Act, 2017, which requires a listed company to have not less than seven (7) directors.
9	As per 19(1) it is encouraged that: By June 30, 2022 all directors on their boards have acquired the prescribed certification under any Directors Training Program offered by institution (local or foreign) that meet that meet the criteria specified and approved by the commission. However, company is non-compliant for other than majority of directors who are seasoned professionals.
10	As per regulation 24 of listed companies (Code of corporate Governance) Regulation 2019, the same person shall not simultaneously hold the office of Company Secretary and Chief Financial Officer. However, as notes in clause 10 of statement of compliance, currently these positions are held by same person.
12	As per regulation 28 of Listed Companies (Code of corporate Governance) Regulation 2019, There shall be a human resource and remuneration committee of at least three members comprising a majority of nonexecutive directors of whom at least one member shall be an independent director. The company is non-compliant in this regard as company has not formed any Human Resource and Remuneration Committee.
15	As per regulation 31 of Listed Companies (Code of corporate Governance) Regulation 2019, there shall be internal audit function in every company. Although the company has outsourced its internal audit function to Xact Legal, however the company is in non-compliance to the fact that the company has not appointed or designated a fulltime employee other than chief financial officer, as head of internal audit holding equivalent qualification prescribed under Regulation 23, to act as coordinator between firm providing internal audit services and the Board.
15	As per 2(iii) of regulation 27 of Listed Companies (Code of corporate Governance) Regulation 2019, It is mandatory for audit committee to meet internal audit function at least once a year. However, company is non-compliant in this regard.
19	As per regulation 10(1), subject to the requirements of section 183 and 204 of the Act, the Board is responsible for adoption of corporate governance practices by the company and monitoring effectiveness of such practices and the members of the Board shall ensure high ethical standards in performing their responsibilities. However, the company is in non-compliance with certain requirements of Code of Corporate Governance other than regulation 3, 6, 7, 8, 32, 33, 36 of the Regulation and explanation is given.

INDEPENDENT AUDITOR'S REPORT

To the members of SECURITY LEASING CORPORATION LIMITED

Report on the Audit of the Financial Statements

Adverse Opinion

We have audited the annexed financial statements of **Security Leasing Corporation Limited** (the Company), which comprise the statement of financial position as at June 30, 2026, and the statement of profit or loss, Statement of comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, because of the significance of the matters described in Basis for Adverse opinion section, the statement of financial position, the statement of profit or loss, statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof do not conform with the accounting and reporting standards as applicable in Pakistan and do not give the information required by the Companies Act, 2017, in the manner so required and respectively do not give a true and fair view of the state of the Company's affairs as at June 30, 2026 and of the profit and other comprehensive Income, the changes in equity and its cash flows for the year then ended.

Basis for Adverse Opinion

- i. As disclosed in the note 13 to the financial statements, the company has recorded deferred tax asset amounting to Rs. 334 million (2025: Rs. 334 million) based on future plans which projects that future taxable profits would be available against which such deferred tax asset could be utilized. However, in our opinion there is no sufficient appropriate audit evidence that the managements plans are feasible and ultimate outcome will improve the company's situation as discussed in below paragraph of material uncertainty relating to going concern, therefore sufficient future profits will not be available against which deferred tax asset could be utilized. In our view deferred tax asset should be derecognized. Had the deferred tax asset been derecognized, deferred tax asset, equity would have been lower by Rs. 334 million whereas profit for the year would have been decreased by Rs. 334 million.

Further there is no movement in amount of deferred tax assets reported in financial statements of the company since 2018 and we could not be able to verify the amount of deferred tax debits from supporting documents.

- ii. As disclosed in the note of 15/16 to the financial statements, the company has defaulted in making repayment of long-term borrowings from various financial institutions. The lenders filed various litigations against the company for recovery of principal and markup/cost of fund. The company has also not recorded markup/cost of fund against these financial facilities. We were unable to quantify the amount of cost of fund that should have been recorded in financial statements for the year ended 30 June 2026.
- iii. The company has recorded short term loan receivable amounting to Rs. 50 million due from First Pakistan Security Limited. As per time-based criteria mentioned in Schedule X of the NBFC prudential regulation, the receivable required to be fully provided. Although the management has initiated a suit for the recovery of the said amount however we are unable to satisfy ourself on the recoverability of the said amount because of the absence of sufficient and appropriate audit evidence, hence on the adequacy of the provision is required. Had the provision been made, the short-term loan and equity have been decreased and profit for the year would have been increased by Rs. 50 million.
- iv. As disclosed in Note 14 to the financial statements, the Company has recorded advances against lease amounting to Rs. 17.099 million. We were unable to obtain Sufficient appropriate audit evidence to verify this balance. Consequently, we were unable to determine whether any adjustments to advances against lease, and the corresponding effects on the financial statements were necessary.
- v. As described in Note 1.1 to the financial statements the company has prepared financial statements on going concern basis. However, the company's losses have been accumulated to Rs. 607.12 million as at June 30, 2026 (2025: Rs 598.12 million), and its Current liabilities exceeds its Current assets by Rs 346.79 million (2025: Rs 340.70 million). Further the operating cash flows of the company are also negative since 2012 and the company was unable to meet its financial obligations. These circumstances and cancellation of business license since 2018, of company indicate that material uncertainty relating to going concern exists that casts significant doubt on company's ability to continue as going concern and therefore company may be unable to realize its assets and discharge its liabilities in the normal course of business.

These conditions lead us to believe that the going concern assumption used in preparation of these financial statements is inappropriate, consequently the assets and liabilities should have been stated at their realizable and settlement amounts respectively.

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan ("the Code") and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

Key Audit Matter

Except for the matters described in the basis for the adverse opinion section, we have determined that there are no other key matters to communicate in our report.

Information other than Financial Statements and Auditor's Report thereon

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

However, we have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirement of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operation, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Pakistan, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the owner of the entity regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- Except for the effects of the matters described in Basis for Adverse Opinion section , proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- Except for the effects of the matters described in Basis for Adverse Opinion section, the statement of financial position, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and

d) No zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is **Arslan Ahmed**.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2026

1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1** Security Leasing Corporation Limited ("the Company") was incorporated in Pakistan on December 6, 1993 as a public limited company under the repealed Companies Ordinance 1984 (now the Companies Act, 2017) and commenced its operations on May 21, 1995. The company is listed on Pakistan Stock Exchange Limited and is licensed to carryout Investment Finance Services as a Non-Banking Finance Company (NBFC) under the Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 issued by the Securities and Exchange Commission of Pakistan (SECP).

The registered office of the Company is situated at Block B, 5th Floor, Lakson Square Building No.3, Sarwar Shaheed Road, Karachi, Pakistan. The Company is listed on Pakistan Stock Exchange.

Since the start of the financial and economic crisis in Pakistan in October 2008, the financing facilities of the Company were abruptly withdrawn by the banks which resulted in reduction of portfolio of leasing and other finances. The private sector especially NBFCs could not attract any funding in form of either equity or financing facility due to crowding out by high fiscal borrowings of government in the preceding years. The Company was feeling extraordinary pressure on its repayment capacity due to constant reduction of portfolio and absence of sizeable fresh business. Therefore, the Company negotiated on different occasion with its lenders of long and short term funding for the reprofiling of its financial liabilities and now the Company has requested all its lenders to make full and final settlement.

The company's licence to carry out leasing business has been suspended and later cancelled since 2018. Despite the existence of the foregoing material uncertainties, these financial statements have been prepared using the going concern assumption.

1.2 Mitigating Factors

The main objective of requesting the lenders for full and final settlements of financial liabilities was to increase cash flows and equity of the Company. In addition to these measures, the Company is also taking drastic steps to reduce the administrative costs.

The Management is hopeful that settlement with lenders will assist in reducing losses and improving the equity of the Company. This will make the company attractive for equity participation/merger /acquisition to inject additional equity.

The Company is making efforts to improve equity level through bringing fresh equity. In this regard some positive progress has been made.

In order to streamline minimum capital requirement and other issues of NBFC Sector, SECP is reviewing a report submitted by NBF Reform Committee.

The company is constantly looking for options to increase the equity levels by soliciting investor for cash and in kind equity investment. The Board and its management are hopeful that these measures would bring stability to the Company and results would start to improve in the coming periods.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the approved accounting standards, as applicable in Pakistan and the requirements of the Companies Act, 2017 (Act), the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the Rules) and the Non- Banking Finance Companies and Notified Entities Regulations, 2008 (the Regulations). Approved accounting standards comprise such International Financial Reporting Standard (IFRS) issued by International Accounting Standard Board (IASB) as are notified under the provisions of the Companies Act, 2017, provisions of and directives issued under the Companies Act, 2017. Wherever, the requirements of the Act, the Rules and the Regulations differ with the requirements of IFRS, the requirements of the Act, the Rules or the Regulations shall prevail.

2.2 Basis of measurement

These financial statements have been prepared under historical cost convention except for certain property and equipment which have been stated at revalued amounts and financial assets and financial liabilities which have been stated at their fair values, cost or amortized cost. The financial statements have been prepared following the accrual basis of accounting except for the cash flow information.

2.3 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates. The financial statements are presented in Pakistani Rupees, which is the Company's functional and presentation currency.

2.4 Use of estimates and judgements

The preparation of financial statements in conformity with approved accounting standards as applicable in Pakistan, requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which forms the basis of making judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in period of revision and future periods if the revision affects both current and future periods.

Significant accounting estimates and areas where judgements were made by the management in the application of accounting policies are discussed below:

- Future financial projections and going concern assumptions;
- Classification of investments and impairment thereon;
- Residual values and useful lives of property, plant, equipment and investment properties;
- Revaluation of property, plant and equipment;
- Recognition and measurement of current and deferred taxes;
- Measurement the present value of defined benefit obligation and the fair value of plan assets;
- Allowance for potential lease, loan losses and other receivables; and
- Classification of investment in leases

3 APPLICATION OF NEW STANDARDS, AMENDMENTS AND INTERPRETATIONS TO PUBLISHED APPROVED ACCOUNTING AND REPORTING STANDARDS

3.1 Standards, interpretations and amendments to accounting and reporting standards as applicable in Pakistan which are effective in current period

There are certain new standards and interpretations and amendments to existing accounting and reporting standards that have become applicable from the accounting periods from July 01, 2025, which are considered either not relevant or not to have any significant impact on the company's operations and therefore have not been detailed in these financial statements.

3.2 Amendments to standards and IFRS interpretations that are not yet effective

There are certain new standards and amendments that will be applicable to the Company for its annual periods beginning on or after July 1, 2026. The new standards include IFRS 18 Presentation and Disclosure in Financial Statements and IFRS 19 Subsidiaries without Public Accountability: Disclosures both with applicability date of January 1, 2027. The overall amendments include those made to IFRS 7 and IFRS 9 which clarify the date of recognition and derecognition of a financial asset or financial liability which are applicable for the Company's annual periods beginning on or after January 1, 2026. The Company's management at present is in the process of assessing the full impacts of these new standards and the amendments to IFRS 7 and IFRS 9 and is expecting to complete the assessment in due course.

4 MATERIAL ACCOUNTING POLICY INFORMATION

The significant accounting policies applied in the preparation of these financial statements are set out below. These accounting policies have been applied consistently to all years presented.

4.1 Cash and cash equivalent

Cash and cash equivalents comprise of cash balances and bank deposits. For the purpose of the statement of cash flows, cash and cash equivalents comprise of cash in hand and balances with banks in current and saving accounts.

4.2 Financial Assets

The Company recognizes a financial asset when and only when it becomes a party to the contractual provisions of the instrument evidencing investment. The Company classifies its financial assets into either of following three categories:

Financial assets measured at amortized cost

A financial asset is measured at amortized cost if it is held within business model whose objective is to hold assets to collect contractual cash flows, and its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on principal amount outstanding. Such financial assets are initially measured at fair value plus transaction costs that are directly attributable to the acquisition or issue thereof.

Financial assets measured at fair value through Other Comprehensive Income (FVTOCI)

A financial asset is classified as at fair value through other comprehensive income when either:

- a) It is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding; or
- b) It is an investment in equity instrument which is designated as at fair value through other comprehensive income in accordance with the irrevocable election available to the Company at initial recognition.
- c) Such financial assets are initially measured at fair value plus transaction costs that are directly attributable to the acquisition or issue thereof.

SECURITY LEASING CORPORATION LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2026

Financial assets measured at fair value through Profit or loss (FVTPL)

Financial assets that do not meet the criteria for being measured at amortized cost or FVTOCI are measured at fair value through the statement of profit or loss (FVTPL). Specifically:

- Investments in equity instruments are classified as at FVTPL, unless the Company designates an equity investment that is neither held for trading nor a contingent consideration arising from a business combination as at FVTOCI on initial recognition.
- Debt instruments that do not meet the amortized cost criteria or the FVTOCI criteria are classified as at FVTPL. In addition, debt instruments that meet either the amortized cost criteria or the FVTOCI criteria may be designated as at FVTPL upon initial recognition. If such designation eliminates or significantly reduces a measurement or recognition inconsistency (so called "accounting mismatch") that would arise from measuring assets or liabilities or recognizing the gains and losses on them on different bases. The Company has not designated any debt instruments as at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any fair value gains or losses recognized in the statement of profit or loss.

4.2.1 Subsequent measurement

Financial assets measured at amortized cost

These assets are subsequently measured at amortized cost (determined using the effective interest method) less accumulated impairment losses.

"Interest / markup income, foreign exchange gains and losses and impairment losses arising from such financial assets are recognized in profit or loss

Financial assets measured at fair value through Other Comprehensive Income (FVTOCI)

These are subsequently measured at fair value less accumulated impairment losses.

A gain or loss on a financial asset measured at fair value through other comprehensive income in accordance is recognised in other comprehensive income, except for impairment gains or losses and foreign exchange gains and losses, until the financial asset is derecognised or reclassified. When the financial asset is derecognised the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment (except for investments in equity instruments which are designated as at fair value through other comprehensive income in whose case the cumulative gain or loss previously recognized in other comprehensive income is not so reclassified). Interest is calculated using the effective interest method and is recognised in profit or loss.

Financial assets measured at fair value through Profit or loss (FVTPL)

These assets are subsequently measured at fair value. Net gains or losses arising from remeasurement of such financial assets as well as any interest income accruing thereon are recognized in profit or loss.

4.2.2 De-recognition

Financial assets are derecognized when the rights to receive cash flows from the financial assets have expired or have been transferred and the Company has transferred substantially all risks and rewards of ownership.

The Company directly reduces the gross carrying amount of a financial asset when the Company has no reasonable expectations of recovering the financial asset in its entirety or a portion thereof. A write-off constitutes a derecognition event.

SECURITY LEASING CORPORATION LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2026

4.3 Leases

Net investment in finance lease

Leases where the Company transfers substantially all the risks and rewards incidental to ownership of an asset to the lessees are classified as finance leases. A receivable is recognized at an amount equal to the present value of the minimum lease payments, including any residual value, if any.

Operating lease

Leases where the Company does not transfer substantially all the risks and benefits of ownership of the assets are classified as operating lease. Initial direct costs incurred in negotiating operating leases are added to the carrying amount of leased asset and recognized over the lease term on the same basis as rental income.

Leased assets repossessed upon termination of leases

The Company repossesses leased assets in settlement of non-performing lease finance provided to customers. These are stated at lower of the original cost of the related asset, exposure to the Company or net realizable value of the asset repossessed. Gains or losses on repossession of such assets are taken to the statement of profit or loss.

4.4 Provision against non-performing exposures

The allowance for potential lease, loan losses and other receivables is maintained at a level which, in the judgment of management, is adequate to provide for potential losses on lease and loan portfolio which can be reasonably anticipated. The adequacy of allowance is evaluated on the basis of Schedule-X and Schedule-XI of Regulation 25 of NBFC Regulations, 2008.

4.5 Investment properties

Investment properties are accounted for under cost model and are stated at cost less accumulated depreciation and impairment losses, if any. Depreciation is charged to profit or loss by applying the straight line method at the rate 2.5% per annum after taking into account residual value, if any. Depreciation on additions is charged from the date of addition till the date the investment properties are disposed off. The residual values, useful lives and depreciation methods are reviewed and adjusted, if appropriate, at each reporting date.

Gains or losses on sale of investment properties are charged to profit or loss in the period in which they arise.

4.6 Intangible assets

These are stated at cost less accumulated amortization and impairment losses, if any. Amortization is charged to profit or loss using the straight line method in accordance with the rates specified in the financial statements. Amortization is charged when an asset is made available for use until the date the asset is disposed off. The residual values, useful life and amortization methods are reviewed at each reporting date and adjusted, if deemed appropriate. Gain and losses on disposal of such assets, if any, are included in profit or loss.

4.7 Long term loans and finances

These are initially recognized at cost being the fair value of the consideration received together with the associated transaction cost. Subsequently, these are stated at amortized cost using the effective interest method.

uly

SECURITY LEASING CORPORATION LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2026

4.8 Loans and receivables

These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market other than (a) those that the Company intends to sell immediately or in the near term, which shall be classified as held-for-trading, and those that the Company upon initial recognition designates as at fair value through profit or loss account; (b) those that the Company upon initial recognition designates as available-for-sale; or (c) those for which the Company may not recover substantially all of its initial investment, other than because of credit deterioration, which shall be classified as available for sale.

Subsequent to initial measurement loans and receivables are measured at amortized cost using the effective interest method. Gains/Losses arising on remeasurement of loans and receivables are taken to the profit and loss account. Gain or loss is also recognized in profit and loss account when loans and receivables are derecognised or impaired, and through the amortization process.

4.9 Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses

Depreciation is charged to profit or loss applying the straight line method in accordance with the rates specified in note 11 to the financial statements whereby the cost / revalued amount of an asset is written-off over its estimated useful life. Depreciation on additions is charged from the date an asset is available for use till the date the asset is disposed off.

Any revaluation increase arising on the revaluation of property is recognised in other comprehensive income and presented as a separate component of equity except to the extent that it reverses a revaluation decrease for the same asset previously recognised in profit or loss, in which case the increase is credited to profit or loss to the extent of the decrease previously charged. Any decrease in carrying amount arising on the revaluation of property is charged to profit or loss to the extent that it exceeds the balance, if any, held in the surplus on revaluation relating to a previous revaluation of that asset. The surplus on revaluation to the extent of incremental depreciation charged is transferred to unappropriated profits. The surplus realized on disposal of revalued fixed assets is credited directly to unappropriated profits.

Subsequent costs are included in an asset's carrying amount or are recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other expenses are charged to profit or loss during the financial period in which they are incurred.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is recognized in the profit and loss account in the year the asset is derecognized, except that the related surplus on revaluation of fixed assets (net of deferred tax) is transferred directly to unappropriated profits.

Revaluation is carried out with sufficient regularity to ensure that the carrying amount of assets does not differ materially from their fair value.

4.10 Financial liabilities

"Financial liabilities are classified as measured at amortized cost or 'at fair value through profit or loss' (FVTPL). A financial liability is classified as at FVTPL if it is classified as held for trading, it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in the statement of profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in the statement of profit or loss. Any gain or loss on de-recognition is also recognized in the statement of profit or loss. Financial liabilities are derecognized when the contractual obligations are discharged or cancelled or have expired or when the financial liability's cash flows have been substantially modified.

4.11 Offsetting of financial assets and liabilities

Financial assets and liabilities are offset and the net amount is reported in the statement of financial position only when there is a legally enforceable right to set off the recognised amounts and the Company intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

4.12 Foreign currency translation

Transactions in foreign currencies are accounted for in rupees at the rate of exchange prevailing on the date of transaction. Monetary assets and liabilities in foreign currencies as at the balance sheet date are expressed in rupees at rates of exchange prevailing on that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transactions. Exchange gains and losses are included in income currently.

4.13 Related parties transactions

All transactions with related parties, if any, are recorded at an arm's length basis as disclosed in note 34.

4.14 Provisions and contingencies

A Provision is recognised in the statement of financial position when the Company has a legal or constructive obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

As the actual outflows can differ from estimates made for provisions due to changes in laws, regulations, public expectations, technology, prices and conditions, and can take place many years in the future, the carrying amounts of provisions are reviewed at each reporting date and adjusted to take account of such changes. Any adjustments to the amount of previously recognised provision is recognised in the statement of profit or loss unless the provision was originally recognised as part of cost of an asset.

SECURITY LEASING CORPORATION LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2026

Contingent liabilities

A contingent liability is disclosed when the Company has a possible obligation as a result of past events, whose existence will be confirmed only by the occurrence or non-occurrence, of one or more uncertain future events not wholly within the control of the Company; or the Company has a present legal or constructive obligation that arises from past events, but it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation, or the amount of the obligation cannot be measured with sufficient reliability.

4.15 Revenue recognition

Finance lease income

The Company follows the effective interest method in accounting for the recognition of lease income. Under this method, the unearned lease income i.e. the excess of aggregate lease rentals and the estimated residual value over the cost of the leased assets is deferred and taken to income over the term of the lease, so as to produce a systematic return on the net investment in lease. Unrealised lease income pertaining to non-performing leases is held in suspense account, where necessary, in accordance with the requirements of the NBFC Regulations.

Processing, front-end and commitment fee and commission are recognized as income when such services are provided. Gain on termination of lease contracts and late payment charges are recognized as income when realised.

Operating lease income

Rental income from assets given under operating leases is recognized on an accrual basis.

Other Income

Income on term loans

Income on term loans is recognized using effective yield on a time proportionate basis. However, income on non-performing loan receivables is recognized on receipt basis in accordance with the requirements of the NBFC Regulations, 2008.

Mark-up / return on investments

Mark-up income on debt securities is recognised on time proportion basis using the effective yield on instruments.

Dividend income

Dividend income from investments is recognised when the Company's right to receive dividend is established.

Interest income on bank deposits

Interest income on bank deposits is recognised on time proportion basis using the effective interest method.

4.16 Taxation

Income tax comprises current and deferred tax. Income tax expense is recognised in profit or loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case, it is recognised in equity or other comprehensive income.

why

SECURITY LEASING CORPORATION LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2026

Current

Provision for current taxation is based on taxable income at the current rates of taxation after taking into account available tax credits, rebates and tax losses, or minimum tax, whichever is higher. The charge for the current tax is calculated using tax rates enacted or substantively enacted at the reporting date. The charge for current tax also includes adjustments, where considered necessary, relating to prior years.

Deferred

Deferred tax is recognised using the balance sheet liability method on all temporary differences between the carrying amount of assets and liabilities used for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date.

A deferred tax asset is recognised only to the extent that the entity has sufficient taxable temporary differences or there is convincing other evidence that the sufficient taxable profit will be available against which the unused tax losses or unused tax credits can be utilized by the entity. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Dividend distribution

Dividend distribution to the Company's shareholders is recognized as a liability in the financial statements for the period in which the dividend is approved by the shareholders.

4.17 Segmental reporting

A business segment is a distinguishable component of the Company that is engaged in providing an individual product or service or a group of related products or services and that is subject to risk and returns that are different from those of other business segments. As the risk and rate of return are predominantly affected by difference in these products or services, the primary format for reporting segment information is based on business segment.

4.18 Discontinued operations

A discontinued operation is a component of the Company's business that represents a separate major line of business or geographical area of operations that has been disposed of or is held for sale. Classification as a discontinued operation occurs on disposal or when the operation meets the criteria to be classified as held for sale, if earlier. When an operation is classified as a discontinued operation, the comparative profit and loss account is restated as if the operation had been discontinued from the start of the comparative period.

Non-current (or disposal groups comprising assets and liabilities) that are expected to be recovered primarily through sale rather than through continuing use are classified as held for sale. Immediately before classification as held for sale, the assets (or components of a disposal group) are remeasured in accordance with the Company's accounting policies. Thereafter generally the assets (or disposal group) are measured at the lower of their carrying amount and fair value less cost to sell. Impairment losses on initial classification as held for sale and subsequent gains or losses on remeasurement are recognized in profit or loss. Gains are not recognized in excess of any cumulative impairment loss.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2026

16.1 In January 2012, in view of the difficult financial situation with no bright prospects of new funding in form of direct equity or financing, the Company requested the lenders to modify the terms of the long term finance by extending the repayment period from 4 years to 10 years with effect from February 2012. Since the company has defaulted again on its liabilities and whole amount has been classified as current liabilities. Therefore, the amortization has been stopped and loans are presented on the face value.

31 SEGMENT INFORMATION

The primary sources of revenue segments are Finance Lease, Musharika business and Capital Market Operations based on the nature of business and related risk associated with each type of business segment. Other operations, which are not deemed by the management to be sufficiently significant to disclose as separate items are reported under Others.

Segment assets and liabilities included all assets and liabilities related to the segment and relevant proportion of the assets and liabilities allocated to the segment on reasonable basis.

Segment revenue and expenses included all revenue and expenses related to the segment and relevant proportion of the revenue and expenses allocated to the segment on reasonable basis.

The Company is primarily exposed to credit risk, liquidity risk and market risk. The Company has designed and implemented a framework of controls to identify, monitor and manage these risks as follows:

32 Credit risk

Credit risk is the risk that one party to financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss. Concentration of credit risk arises when a number of counter parties are engaged in similar business activities or have similar economic features that would cause their ability to meet contractual obligations to be similarly effected by changes in economics, political and other conditions. Concentration of credit risk indicate the relative sensitivity of the Company's performance to developments affecting a particular industry.

The Company manages its credit risk by monitoring credit exposure, limiting transaction with specific counter party and continually assessing the credit worthiness of counter parties. Management considers that all the financial assets that are neither past due nor impaired are of good credit quality. The maximum exposure of the Company to credit risk at reporting date without taking account any collateral held or other credit enhancements is as follows:

Classes of financial assets - carrying value		2026	2025
Cash and cash equivalent	Note	-----Rupees-----	
Cash and bank balances	5	161,739	295,746
Loans and receivables			
Short term loan	7	50,000,000	50,000,000
Long-term deposits		233,500	496,500
Net investment in finance leases	9	85,687,426	92,590,062
		<u>136,082,665</u>	<u>143,382,308</u>

32.1 The credit risk to cash and cash equivalent is negligible, since the counter parties are reputable banks with high quality external credit rating.

32.2 The Company manages concentration of credit risk exposure through diversification of activities to avoid undue concentrations of risks with individuals, groups of specific industry segment. An analysis by class of business of the Company's net investments in finance leases, hire purchase contracts, investment and other financial assets is given below:

32.4 Financial assets that are past due and impaired are disclosed in notes . Impairment is determined after considering the forced sale value of the collateral held.

32.5 Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting its financial obligations as they fall due. Liquidity risk arises because of the possibility that the Company could be required to pay its liabilities earlier than expected or difficulties in raising funds to meet commitments associated with financial liabilities as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The following are the contractual maturities of financial liabilities, including interest payments and excluding impact of netting agreements:

بورڈ آف ڈائریکٹرز کی رپورٹ

برائے مالی سال 30 جون 2026

حصص یافتگان کے نام

آپ کے ڈائریکٹرز کو سیکورٹی لیزنگ کارپوریشن لمیٹڈ کی سالانہ رپورٹ، آڈٹ شدہ مالیاتی گواہیوں اور آڈٹ شدہ رپورٹ کے ساتھ، مالی سال جو 30 جون 2026 کو اختتام پذیر ہوا، پیش کرتے ہوئے خوشی محسوس ہو رہی ہے۔

1۔ قومی معیشت کا جائزہ

2025-2026 کے دوران پاکستان کا معاشی ماحول مسلسل مشکل رہا۔ بلند انٹرایڈ زرہ روپے کی قدر میں کمی اور بیرونی قرضوں کے بھاری بوجھ نے ادائیگیوں کے توازن پر دباؤ برقرار رکھا۔ زر مبادلہ کے ذخائر نازک سطح پر رہے اور آئی ایم ایف کی معاونت پر مسلسل انحصار جاری رہا۔ سیاسی غیر یقینی صورتحال نے بحالی کے عمل پر مزید دباؤ ڈالا۔ حکومت نے مالیاتی اصلاحات، سخت مالیاتی نظم و ضبط اور برآمدات پر سبشی ترقی کے اقدامات کے ذریعے معاشی صورتحال کو مستحکم کرنے کی کوشش کی ہے؛ تاہم بحالی کی رفتار سست رہی اور انٹرایڈ زرہ نے گھبرائوں اور کاروباری اداروں دونوں کو متاثر کیا۔

2۔ کمپنی کا جائزہ

زیر جائزہ سال کے دوران کمپنی کی انکروی، منافع/ نقصان اور ادارہ جاتی قرض دہندگان کے واجبات کی صورتحال درج ذیل ہے:

تخصیلات (روپے)	30 جون 2025	30 جون 2026
انکروی	42,770,602	33,646,399
منافع / (نقصان)	(3,121,231)	(9,124,203)
ادارہ جاتی قرض دہندگان کے واجبات	366,742,123	366,742,123

2025-2026 کے دوران ملک کو سیاسی خیر یقینی صورتحال، مسلسل انضمام زر اور مجموعی معاشی سست روی کے باعث سنگین چیلنجز کا سامنا رہا جس نے کاروباری شعبے کو منافع، لیکویڈیٹی اور بحالی کی رفتار کے لحاظ سے متاثر کیا۔ نتیجتاً اس مرحلے پر کمپنی کی مالی کارکردگی اور مالی حیثیت پر پڑنے والے درست اثرات کی یقینی طور پر پیش گوئی ہمیں کی جا سکتی۔

3- مالیاتی نتائج

سال کے دوران کمپنی کے مالیاتی نتائج کا خلاصہ درج ذیل ہے:

2026	2025	محصیلات (روپے)
(9,124,203)	(3,121,231)	فیکس کے بعد منافع / (نقصان)
(0.25)	(0.09)	فی حصص منافع - چھپاری اور ڈائیونڈ
-	-	تقسیم - قانونی ذخائر میں منتقلی

4- حصص سرمایہ اور لائسنسنگ

سیکورٹیز اینڈ ایکسچینج کمیشن آف پاکستان (SECP) کی جانب سے مقرر کردہ کم از کم ایکویٹی 50 ملین روپے کے متعلقہ میں، 30 جون 2026 کو کمپنی کی ایکویٹی 33.646 ملین روپے تھی۔

5- کارپوریٹ سماجی ذمہ داری

کمپنی نے براہ راست اور اپنے عملے کی رضا کارانہ کوششوں کے ذریعے سماجی سرگرمیوں میں فعال شرکت کرتے ہوئے ایک ذمہ دار کارپوریٹ شہری ہونے کے عزم کا مسلسل مظاہرہ کیا ہے۔

زلزلوں، سیلابوں اور دیگر متدرجی آفات کے دوران کمپنی نے مالی معاونت اور اشیاء کے عطیات کے ذریعے ضرورت مند افراد کی مدد کی ہے۔

6- کاروباری اخلاقیات

کمپنی کا مذاہلہ اخلاق ڈائریکٹرز اور ملازمین دونوں کے لیے دیانت، سچائی اور گمن کے ساتھ کام کرنے کے لیے واضح رہنما اصول مندرجہ کر رہا ہے، تاکہ کمپنی اور اس کے اسٹیک ہولڈرز کے لیے بہت نتائج کے مشترکہ مقصد کو حاصل کیا جاسکے۔

7۔ ڈائریکٹرز کا اعلامیہ

ڈائریکٹرز نے کارپوریٹ گورننس کے نظریاتی شدہ ضابطے کو نافذ کیا ہے اور درج ذیل کی تصدیق کرتے ہوئے خوشی محسوس کرتے ہیں:

- 1۔ انتظامیہ کی حساب سے تیار کردہ مالیاتی گوشوارے کمپنی کے معاملات، آپریشنز کے نتائج، نقد بہاؤ اور انکوبٹی میں تبدیلیوں کی منصفانہ عکاسی کرتے ہیں۔
- 2۔ اکاؤنٹس کی مناسب کتابیں برقرار رکھی گئی ہیں۔
- 3۔ اکاؤنٹنگ پالیسیوں کا مستقل اطلاق کیا گیا ہے، اور اکاؤنٹنگ تخمینے مناسب اور محتاط فیصلے کی بنیاد پر کیے گئے ہیں۔
- 4۔ پاکستان میں متاثر اطلاق بین الاقوامی مالیاتی رپورٹنگ معیارات (IFRS) پر عمل کیا گیا ہے، اور کسی بھی انحراف کو مناسب طور پر ظاہر کیا گیا ہے۔
- 5۔ اندرونی کنٹرول کا نظام ڈیزائن کے اعتبار سے مضبوط ہے اور اسے مؤثر طور پر نافذ اور مانیٹر کیا گیا ہے۔
- 6۔ گزشتہ چھ سالوں کا اہم آپریشننگ اور مالیاتی فیصلہ ساز کام کی صورت میں اس رپورٹ کے ساتھ منسلک ہے۔
- 7۔ سال کے دوران کمپنی کے ڈائریکٹرز، ایگزیکٹوز یا ان کے شریک حیات اور تعلقہ بچوں کی حساب سے کمپنی کے حصص میں کوئی لین دین نہیں کیا گیا۔
- 8۔ سال کے دوران بورڈ آف ڈائریکٹرز کے آٹھ اجلاس اور آڈٹ کمیٹی کے چار اجلاس منعقد ہوئے؛ حاضری کی تفصیلات درج ذیل ہیں۔
