FIRST NATIONAL BANK MODARABA

NOTICE OF 23rd ANNUAL REVIEW MEETING & BOOK CLOSURE

Notice is hereby given that the 23rd Annual Review Meeting of certificate holders of First National Bank Modaraba ("Company") will be held on Tuesday, October 27, 2026 at 11:30 a.m. at Ground Floor, NBP RHQs Building, 26-McLagon Road, Lahore and virtually through a video-link facility to review the performance of the Company for the year ended June 30, 2026.

WEBLINK & QR CODE:

In compliance with Section 223 of the Companies Act, 2017, pursuant to SECP's S.R.O No. 389(I)/2023 dated March 21, 2023 and the approval obtained by certificate holders of the Company in its 21st Annual Review Meeting held on October 28, 2024 to transmit/circulate annual audited financial statements of the Company via QR-enabled code and Weblink, the audited financial statements of the Company for the year ended June 30, 2026 together with the auditors' report, directors' report etc. ("Annual Report") have been uploaded on the Company's website which can be downloaded from the following weblink and QR enabled code:

<http://www.nbmodaraba.com>

Notes:

-The Certificate Transfer Book will remain closed from October 20, 2026 to October 27, 2026 (both days inclusive) for the purpose of eligibility to attend the Annual Review Meeting.

-The certificate holders whose names appear on the Register of Certificate Holders of the Company at the close of business as on October 19, 2026 will be eligible to attend the Annual Review Meeting. All transfers received in order, up to the close of business on October 19, 2026 at our Registrar's Office, Hameed Majeed Associates (Pvt.) Limited, H.M House, 7-Bank Square, Lahore will be considered in time.

-In case a certificate holder desires to attend the meeting virtually, the Company has made adequate arrangements for the certificate holders to participate seamlessly via video-link. To attend the Annual Review Meeting via video link, certificate holders are required to email their names, folio number, valid email address and number of shares held in their names to the following email address at least 48 hours before the date of Annual Review Meeting:

nadia@nbmodaraba.com. The certificate holders will receive video-link login credentials following the provision of the requisite details.

-Annual Report shall be circulated by the Company through email in case email address has been provided by the certificate holder to the Company.

-The Company will, however provide hard copy of the Annual Report to the Certificate holders at their registered addresses within seven days, on request, free of cost. Standard request form is available on the Company's website.

By Order of the Board

Nadia Jalil

Company Secretary

National Bank Modaraba Management Company Limited

Managers of First National Bank Modaraba:

Lahore, September 21, 2026

Vision:

To offer Shariah complaint Islamic Financial Products in the financial market so as to achieve optimum customer satisfaction and develop sustainable business relationships.

Mission:

Promote an Islamic Financial Institution where values of management excellence, professionalism, human resource development are promoted such that interests of all stakeholders are safeguarded.

Annual Shari'ah Advisor's Report

I have conducted the Shari'ah review of First National Bank Modaraba managed by National Bank Modaraba Management Company Limited (NBMMCL), a wholly-owned subsidiary of the National Bank of Pakistan for the financial year ended June 30, 2026, in accordance with the requirements of the Shari'ah Compliance and Shari'ah Audit Mechanism for Modarabas and report that except the observations as reported hereunder, in my opinion:

- i. The Modaraba has introduced a mechanism for Shari'ah compliance and the systems, procedures, and policies adopted by the Modaraba are in line with the Shari'ah principles;
- ii. No significant developments took place during the year.
- iii. The financing agreement(s) entered by the Modaraba is Shari'ah compliant and the financing agreement(s) have been executed on the formats as approved by the Religious Board and all the related conditions have been met;
- iv. To the best of my information and according to the explanations given to me, the core business transactions undertaken by the Modaraba and all other matters during the period incidental thereto are in conformity with the Shari'ah requirements as well as the requirements of the Prospectus, Islamic Financial Accounting Standards as applicable in Pakistan and the Shari'ah Compliance and Shari'ah Audit Regulations for Modarabas
- v. The earnings that have been realized from the sources or by means prohibited by Shari'ah have been credited to charity accounts.

Observation(s)

During my review, it has been found that no fresh financial activity took place, so observations remain the same as previous:

- i. Conventional terminology has been used in the Financial Statements.
- ii. FNBMM maintains bank accounts with a conventional Bank.
- iii. Financing from conventional Bank(s) has been secured.

Recommendation(s)

Following are some recommendations:

- i. FNBMM should use Shariah-compliant terminology throughout its Financial Statements and their system to ensure consistency with its Shariah status and principles.
- ii. FNBMM must maintain account(s) in Islamic Banks/Islamic Windows of Conventional Banks only.
- iii. The matter arising from the previous report is that all credit lines with conventional banks were instructed to be replaced with Islamic banking facilities. It is still outstanding and the management needs to resolve this as soon as possible.

Conclusion

Based on the above-mentioned fact, I believe that the business operations of First National Bank Modaraba are Shariah compliant to the best of my knowledge.

Signature

Mufti Ehsan Waqar Ahmad

Shari'ah Advisor

Dated: September 16, 2026

DIRECTORS' REPORT

Board of Directors of National Bank Modaraba Management Company Limited (NBMMCL), the Management Company of First National Bank Modaraba (FNB), is pleased to present the directors report on the 23rd annual accounts of FNB for the period ended June 30, 2026. These accounts have been audited by the statutory auditors of the Modaraba and are accompanied by their audit report.

Election of directors was held on May 25, 2026 and Mr. Javaid Bashir Sheikh, Mr. Ijaz Bashir Sheikh and Mr Usman Shahid were elected as new members to the Board. They replaced Mr. Muhammad Imran Malik, Khawaja Waheed Raza and Syed Zubair Ahmad Shah. While Mr. Mr. Fouad Farrukh, Mr Hasan Ahmad, and Ms. Tosheeba Sarwar were reelected. The Board welcomed newly appointed directors and hope that being seasoned bankers the Company & its Modaraba will benefit from their participation. The Board also acknowledged the contribution made by the retiring directors and wish them best.

In an effort to revive the business of the Modaraba, the management with the approval of the Board has submitted a proposal for revival to the National Bank of Pakistan. The management is hopeful that a positive response will be received in due course.

Economic and Sector Outlook:

Despite severe external and domestic challenges including geopolitical tensions, commodity price volatility, and Middle East conflict-driven inflation risks—Pakistan's economy demonstrated resilience in FY 2025-26 through prudent macroeconomic management. While the ongoing Gulf crisis threatens economic stabilization, current account balances, and foreign exchange reserves, the government has responded with targeted subsidies, energy stabilization, and active diplomacy. Crucially, Pakistan's successful role as a key regional mediator in de-escalating the conflict has significantly elevated its international diplomatic profile.

With robust digitalization policies coupled with e-commerce, stability in SBP policy rates and growing regulatory focus on Islamic mode of financing, the Modaraba sector can also advantageously position itself leveraging its regulated outreach to a vast clientele base across the country.

Challenges and Future Outlook

The Modaraba sector in Pakistan continues to demonstrate promising growth, underpinned by increasing demand for Sharia-compliant financial solutions. However, the industry is poised to face intensified competition in the coming years. By 2028, a significant number of conventional banks are expected to transition towards Islamic financial models. These institutions, equipped with substantial resources and access to low-cost funding, may present considerable challenges to the existing Modaraba landscape.

Despite this evolving competitive environment, the presence of a robust and well-regulated Modaraba framework offers a strategic opportunity. Modarabas are uniquely positioned to expand their outreach to underserved segments, particularly Small and Medium Enterprises (SMEs) and the retail sectors of the economy, through innovative Islamic financing solutions.

To sustain relevance and competitiveness, Modarabas must adopt a proactive approach by innovating product offerings, enhancing customer experience via digital platforms and service excellence, forming strategic alliances and targeting niche and emerging markets where conventional institutions have limited penetration.

1. Going Concern Assumption

FNB faces existential challenges with accumulated losses exceeding 50% of its paid-up fund and a winding-up petition filed by SECP on June 16, 2020. Therefore, on the advice of our external auditors, these financial statements have been prepared on the basis of estimated realizable / settlement values of assets and liabilities respectively as fully explained in note 1.2 to the financial statements.

Financial Results (FY 2025 - 26)

During the year under review, FNB posted a net loss of Rs. 4.353 million (FY 2025: Rs. 4.683million). This decline in profitability was primarily attributable to reduced income from short-term deposit placements and continued finance costs on legacy borrowing.

Recoveries from the non-performing portfolio during FY 2026 amounted to Rs. 10.975 million, resulting in a reversal of provisions for doubtful recoveries (Rs. 0.462 m), reversal of suspended Income (Rs. 5.71 m) and principal recovered (Rs. 4.80 m). The management remains committed to expediting recoveries through all available legal and operational channels, including fast-tracking the execution of decrees awarded by the Honorable Banking Courts.

The main revenue stream continues to be profit earned on short-term placements, largely funded by recovery proceeds from legacy NPLs. Due to a reduction in the State Bank of Pakistan's policy rate, income from these placements declined from Rs. 40.50 million in FY 2025 to Rs. 32.40 million in FY 2026.

Operating expenses were prudently managed and contained at Rs. 17.63 million (FY 2025: Rs.16.30 million). Nevertheless, accrued finance costs on the Short-Term Loan facility from National Bank of Pakistan (expired in 2019) amounted to Rs. 25.6 million (Rs 34.3 million in FY 2025), exerting continued pressure on profitability and contributing to an increase in accumulated losses.

In light of the prevailing financial challenges, the management is actively evaluating strategic options under a comprehensive business revival plan. This includes potential balance sheet restructuring aimed at restoring profitability and ensuring long-term sustainability of operations.

FNB remains fully committed to Sharia'h compliance and adheres strictly to the Sharia'h audit mechanisms applicable to Modarabas. In this regard, the Sharia'h Advisor's report is annexed to the financial statements.

First National Bank Modaraba

The Board acknowledges the efforts of the management and staff during this challenging period and expresses its gratitude to all stakeholders for their continued support and confidence

1. Dividends

Board in its meeting held on September 21, 2026 did not declare any dividends due to the aforementioned reasons.

2. Future Strategy:

The Modaraba has submitted its proposal to National bank of Pakistan (NBP) – the sponsoring bank for its revival of business. The management is hopeful that after due approval, it will be implemented and the Modaraba will be in business again. Besides business revival, one of the main tasks ahead for the Modaraba is to recover its NPLs. All of the recovery suits filed against defaulter parties have been decreed by the honorable Banking Courts in favor of the Modaraba and their execution proceedings are underway. Besides litigations, settlements/restructurings on favorable terms are also being negotiated with the defaulted clients. The Modaraba is trying to recover a substantial portion of its accumulated loss that were mainly incurred due to charge of provisioning on NPLs and accrued finance expense, and hence become compliant with the applicable laws/regulations regarding equity.

3. Corporate and Financial Reporting Framework:

- i. The financial statements, prepared by the management of the Modaraba, present fairly its state of affairs, the result of its operations, cash flows and changes in equity.
- ii. Proper books of accounts of the Modaraba have been maintained.
- iii. Accounting policies have been applied consistently, unless otherwise stated in financial statements, in preparation of financial statements and accounting estimates are based on reasonable and prudent judgment.
- iv. International Financial Reporting Standards, International accounting standards, and Islamic Financial Accounting Standards as applicable to Modarabas in Pakistan, have been followed in preparation of financial statements.
- v. The system of internal control, which is sound in design, is in place and is being continuously reviewed by internal audit. The process of review will continue and any weakness in controls will be removed.
- vi. These financial statements have been prepared on the basis of estimated realizable/ settlement values of assets and liabilities respectively, as stated in note 1.2 of the attached financial statements.
- vii. There has been no material departure from the best practices of corporate governance as detailed in the listing regulations except for those specifically mentioned in the statement of compliance with the CCG.
- viii. There are no statutory payments on account of taxes, duties, levies and charges, which are outstanding as on June 30, 2026 except those disclosed in the financial statements.
- ix. During the year ended June 30, 2026 four (04), meetings of the Board of Directors were held and (04) four Audit Committee meetings were held.
- x. Election of directors was held on May 25, 2026 and SECP accorded its approval on the fit and proper test of the newly elected directors; it was received by the Company on July 01, 2026.

- The composition of the Board as on June 30, 2026 is as under:

Independent Director	Mr. Hasan Ahmed
	Syed Zubair Ahmad Shah
Non-Executive Directors	Mr. Muhammad Imran Malik
	Mr. Fouad Farrukh
	Khawaja Waheed Raza
Executive Director	Mr. Shahid Iqbal Choudhri
Female / non-executive Director	Ms. Tosheeba Sarwar

- The composition of the Board after SECP approval is:

Independent Director	Mr. Hasan Ahmed
	Mr. Ijaz Bashir Sheikh
Non-Executive Directors	Mr. Javaid Bashir Sheikh
	Mr. Fouad Farrukh
	Mr. Usman Shahid
Executive Director	Mr. Shahid Iqbal Choudhri
Female / non-executive Director	Ms. Tosheeba Sarwar

- Attendance by each director is:

Name	No. of Attendance			
	Board	Audit Committee	HR Remuneration & Committee	Risk Management Committee
Mr. Muhammad Imran Malik*	3	NA	1	-
Khawaja Waheed Raza*	2	3	1	-
Mr. Fouad Farrukh	4	NA	NA	NA
Syed Zubair Ahmad Shah*	4	4	1	-
Mr Hasan Ahmad	4	3	NA	NA
Ms. Tosheeba Sarwar	2	NA	NA	NA
Mr. Shahid Iqbal Choudhri	4	NA	NA	NA
Mr. Javaid Bashir Sheikh	NA	NA	NA	NA
Mr. Ijaz Bashir Sheikh	NA	NA	NA	NA
Mr. Usman Shahid	NA	NA	NA	NA

* Retired directors continued to hold their office as directors till SECP's approval.

The remuneration of the CEO and meeting fee of the non-executive members of the board of directors are paid by the management company, NBMMCL. As per approved policy of the Board the fee for attending Board/Committee meetings is Rs 50,000/- per meeting

- xi. The pattern of certificate holders is annexed.

5. Auditors:

The auditors M/s. Rahman Sarfaraz Rahim Iqbal Rafiq, Chartered Accountants, have consented to act as the Auditor for the FY 2026-27. Their appointment has been confirmed by the Board, subject to approval by the Registrar, Modaraba Companies and Modarabas SECP.

6. Acknowledgement:

The Board would like to take this opportunity to thank its valued certificate holders and clients for their patronage and consistent patience. Besides, the Board extends its sincere gratitude to Registrar Modarabas, SECP and NBF1 & Modaraba Association of Pakistan for their continued guidance and support and appreciates staff members of FNBM for their efforts and dedication

For and on Behalf of the Board

Chief Executive Officer

Director

September 21, 2026

ڈائریکٹرز کی رپورٹ

فرنٹ نیشنل بینک مضاربہ (FNBM) کی انتظامی کمپنی نیشنل بینک مضاربہ منجمنٹ کمپنی لمیٹڈ (NBMMCL) 30 جون 2026ء کو اختتام پذیر مدت کے لئے FNBM کے 23 ویں سالانہ کھاتوں پر ڈائریکٹرز کی رپورٹ پیش خدمت ہے۔ مضاربہ کے قانونی آڈیٹرز نے ان کھاتوں کی پڑتال کی ہے، ان کی آڈٹ رپورٹ منسلک ہے۔

25 مئی 2026 کو ڈائریکٹرز کا انتخاب ہوا، جس میں جناب جاوید بشیر شیخ، جناب اعجاز بشیر شیخ اور جناب عثمان شاہد بورڈ کے نئے اراکین منتخب ہوئے۔ انہوں نے جناب محمد عمران ملک، خواجہ وحید رضا اور سید زہیر احمد شاہ کی جگہ لی۔ جبکہ جناب فواد فرخ، جناب حسن احمد اور محترمہ توشیدہ سرور دوبارہ منتخب ہوئے۔ بورڈ نے نئے مقرر کردہ ڈائریکٹرز کو خوش آمدید کہا اور امید ظاہر کی کہ تجربہ کار ڈائریکٹرز ہونے کی حیثیت سے ان کی شرکت سے کمپنی اور اس کے مضاربہ کو فائدہ حاصل ہوگا۔ بورڈ نے سبکدوش ہونے والے ڈائریکٹرز کی خدمات اور تعاون کو بھی سراہا اور ان کے لیے نیک خواہشات کا اظہار کیا۔

مضاربہ کے کاروبار کی بحالی کی کوشش کے سلسلے میں، انتظامیہ نے بورڈ کی منظوری سے نیشنل بینک آف پاکستان کو کاروبار کی بحالی کی ایک تجویز جمع کرائی ہے۔ انتظامیہ پر امید ہے کہ مناسب وقت پر مثبت جواب موصول ہوگا۔

معاشی اور شعبہ جاتی صورتحال

شدید بیرونی اور ملکی چیلنجز، جن میں جغرافیائی، سیاسی کشیدگی، اجناس کی قیمتوں میں اتار چڑھاؤ اور مشرق وسطیٰ کے تنازع سے پیدا ہونے والے افراط زر کے خطرات شامل ہیں، کے باوجود پاکستان کی معیشت نے مالیاتی سال 2026 کے دوران مختل معاشی انتظام کے باعث استحکام اور چمک کا مظاہرہ کیا۔ اگرچہ جاری تلخی بحران معاشی استحکام، کرنٹ اکاؤنٹ کے توازن اور زرمبادلہ کے ذخائر کے لیے خطرہ بن رہا ہے، تاہم حکومت نے خصوصی سہڈیز، توانائی کے استحکام اور فعال سفارت کاری کے ذریعے اقدامات کیے ہیں۔ تنازع کو کم کرنے میں پاکستان ایک اہم علاقائی ثالث کے طور پر کامیاب کردار ادا کر رہا ہے اور بین الاقوامی سطح پر پاکستان کو ایک نمایاں حیثیت حاصل ہو رہی ہے۔

مضبوط ڈیجیٹلائزیشن پالیسیوں، ای کامرس، اسٹیٹ بینک آف پاکستان کی پالیسی ریش میں استحکام اور اسلامی طریقہ فنانسنگ پر بڑھتی ہوئی ریگولیٹری توجہ کے باعث مضاربہ شعبہ بھی ملک بھر میں وسیع کسٹمر بیس تک اپنی ریگولیٹڈ رسائی سے فائدہ اٹھاتے ہوئے اپنی پوزیشن کو مؤثر طور پر مستحکم کر سکتا ہے۔

چیلنجز اور مستقبل کا لائحہ عمل

پاکستان میں مضاربہ کا شعبہ شریعہ کے مطابق مالیاتی حل کی بڑھتی ہوئی طلب کے باعث ترقی کے امکانات کا مظاہرہ کر رہا ہے۔ تاہم آنے والے برسوں میں اس شعبہ کو سخت مسابقت کا سامنا متوقع ہے۔ 2028 تک بڑی تعداد میں روایتی بینکوں کے اسلامی مالیاتی ماڈلوں کی طرف منتقل ہونے کی توقع ہے۔ یہ ادارے، جو وسیع وسائل اور کم لاگت کی فزڈنگ تک رسائی رکھتے ہیں، موجودہ مضاربہ شعبے کے لیے نمایاں چیلنجز پیش کر سکتے ہیں۔

اس بدلے ہوئے مسابقتی ماحول کے باوجود مضبوط اور مؤثر ریگولیٹڈ مضاربہ فریم ورک ایک اہم موقع فراہم کرتا ہے۔ مضاربہ ادارے جدید اسلامی فنانسنگ حل کے ذریعے معیشت کے ان شعبوں تک رسائی بڑھانے کے لیے منفرد طور پر موزوں ہیں جو اب تک مناسب مالیاتی سہولیات سے محروم رہے ہیں، خصوصاً چھوٹے اور درمیانے درجے کے کاروباری ادارے (SMEs) اور ریشیل طبقہ۔

اپنی اہمیت اور مسابقتی حیثیت برقرار رکھنے کے لیے مضاربہ اداروں کو فعال حکمت عملی اپنانا ہوگی، جس میں مصنوعات کی پینیکشن میں جدت، ڈیجیٹل پلیٹ فارمز اور کاروباری اداروں کو بہترین خدمات مہیا کرنا، اسٹریٹجک اتحاد قائم کرنا اور ایسے مخصوص ادارہ جاتی ہوائی مارکیٹوں کو بڈف بنانا شامل ہے جہاں روایتی اداروں کی رسائی محدود ہے۔

1. کاروبار جاری رکھنے کی توقعات

FNBM اپنے ادا شدہ فزڈ کے 50% سے زائد مجموعی خسارہ اور 16 جون 2020ء کو SECP کی جانب سے دائر تحلیل کی درخواست جو زیر التوا ہے کے پیش نظر چیلنجز کا سامنا ہے۔ لہذا، اپنے بیرونی آڈیٹرز کی تجویز پر یہ مالیاتی اسٹیٹمنٹس اثاثہ جات اور واجبات کی بالترتیب اندازاً واجب الوصول اور واجب الادا رقم کی بنیاد پر تیار کی گئی ہیں جس کا ذکر مالیاتی اسٹیٹمنٹس کے نوٹ 1.2 میں کیا گیا ہے۔

مالیاتی نتائج (FY2025-26)

زیر جائزہ سال کے دوران FNBM کو 4.353 ملین روپے کا خالص خسارہ ہوا (4.683 ملین روپے)۔ منافع میں یہ کمی بنیادی طور پر قلیل مدتی ڈپازٹ کے منافع میں کمی کی وجہ سے آمدنی میں کمی اور پرانے قرضوں پر مسلسل مالیاتی اخراجات کی وجہ سے ہوئی۔

FY2026 کے دوران غیر فعال پورٹ فولیو (Non-Performing Portfolio) سے 10.975 ملین روپے کی وصولیاں ہوئیں، جس کے نتیجے میں مشکوک وصولیوں کے لیے مختص پروویژن میں 0.462 ملین روپے کی واپسی، معطل آمدنی (Suspended Income) میں 5.71 ملین روپے کی واپسی اور اصل رقم کی مد میں 4.80 ملین روپے کی وصولی ہوئی۔ انتظامیہ تمام دستیاب قانونی اور عملی ذرائع، بشمول معزز بینکاری عدالتوں کی جانب سے جاری کردہ ڈگریوں پر عمل درآمد کو تیز کرنے کے ذریعے وصولیوں کے عمل کو جلد مکمل کرنے کے لیے پرعزم ہے۔

آمدنی کا بنیادی ذریعہ اب بھی قلیل مدتی سرمایہ کاری سے حاصل ہونے والا منافع ہے، جس کی بڑی حد تک پرانے NPLs سے حاصل ہونے والی وصولیوں سے فزنگ کی جاتی ہے۔ انٹیٹ بینک آف پاکستان کی پالیسی ریٹ میں کمی کے باعث ان سرمایہ کاری سے آمدنی FY2025 میں 40.50 ملین روپے سے کم ہو کر FY2026 میں 32.40 ملین روپے رہ گئی۔

جاری اخراجات کو مختص انداز میں منظم کرتے ہوئے 17.63 ملین روپے تک محدود رکھا گیا (FY2025: 16.30 ملین روپے)۔ تاہم، انٹیٹ بینک آف پاکستان کے مختصر مدتی قرضہ جس کی مدت 2019 میں ختم ہو چکی تھی، پر واجب الادا مالیاتی اخراجات 25.6 ملین روپے (FY2025: 34.3 ملین روپے) رہے، جس نے منافع پر مسلسل دباؤ ڈالا اور جمع شدہ نقصانات میں اضافے میں بھی کردار ادا کیا۔

موجودہ مالیاتی مشکلات کے پیش نظر انتظامیہ ایک جامع کاروباری بحالی کے منصوبے کے تحت اسٹریٹجک آپشنز کا فعال طور پر جائزہ لے رہی ہے۔ اس میں بیلنس شیٹ کی مکمل ری اسٹرکچرنگ بھی شامل ہے، جس کا مقصد منافع بحال کرنا اور آپریشنز کی طویل مدتی پائیداری یقینی بنانا ہے۔ FNBM شریعہ کی مکمل پابندی کے لیے پرعزم ہے اور مضاربہ اداروں پر لاگو شریعہ آڈٹ کے طریقہ کار پر سختی سے عمل کرتا ہے۔ اس سلسلے میں شریعہ ایڈوائزر کی رپورٹ مالیاتی گواہداروں کے ساتھ منسلک ہے۔

بورڈ اس مشکل دور میں انتظامیہ اور مٹے کی کوششوں کو سراہتا ہے اور تمام شراکت داروں کی مسلسل حمایت اور اعتماد پر ان کا شکریہ ادا کرتا ہے۔

2 منافع منقسمہ

21 ستمبر 2026 کو منعقدہ بورڈ کے اجلاس میں مذکورہ بالا وجوہات کی بنا پر کسی منافع منقسمہ کا اعلان نہیں کیا گیا۔

3- مستقبل کی حکمت عملی

مضاربہ نے کاروبار کی بحالی کے لیے انٹیٹ بینک آف پاکستان (NBP) — جو اس کا اسپانسرنگ بینک ہے — کو اپنی تجویز جمع کرا دی ہے۔ انتظامیہ پر امید ہے کہ ضروری منظوری کے بعد اس تجویز پر عمل درآمد کیا جائے گا اور مضاربہ دوبارہ کاروباری سرگرمیوں میں فعال ہو جائے گا۔ کاروبار کی بحالی کے علاوہ مضاربہ کے سامنے اہم کام اپنے NPLs کی وصولی بھی ہے۔ ڈیفالٹرز رفیقین کے خلاف دائر تمام ریکوری مقدمات معزز بینکاری عدالتوں نے مضاربہ کے حق میں ڈگری کر دیے ہیں اور ان پر عمل درآمد کی کارروائی جاری ہے۔

مقدمات کے علاوہ، ڈیفالٹ کرنے والے کلائنٹس کے ساتھ سازگار شرائط پر تفسیے اور ری اسٹرکچرنگ کے مذاکرات بھی جاری ہیں۔ مضاربہ اپنے جمع شدہ نقصانات کے ایک قابل ذکر حصے کی وصولی کے لیے کوشش کر رہا ہے، جو بنیادی طور پر NPLs پر پروویژن چارجز اور جمع شدہ مالیاتی اخراجات کی وجہ سے ہوئے، تاکہ ایکویٹی سے متعلق قابل اطلاق قوانین اور ضوابط کی پابندی یقینی بنائی جاسکے۔

4- کاروباری و مالیاتی رپورٹنگ فریم ورک

- مضاربہ کی انتظامیہ کی تیار کردہ مالیاتی اسٹیٹمنٹس کے کاروباری امور، آپریشنز کے نتائج، کیش فلو اور ایکویٹی میں تبدیلی کی بھرپور عکاسی کرتی ہیں۔
- مضاربہ کی کماتوں کی باقاعدہ کتابیں تیار کی گئی ہیں۔
- مالیاتی اسٹیٹمنٹس کی تیاری میں اکاؤنٹنگ پالیسیوں کا لگاؤ متعلقہ قوانین اور ضوابط کے مطابق کیا گیا ہے تاکہ مالیاتی اسٹیٹمنٹس میں اس کا اظہار نہ کیا گیا ہو اور اکاؤنٹنگ تخمینہ جات موزوں اندازے کے مطابق لگائے گئے ہیں۔
- ان مالیاتی اسٹیٹمنٹس کی تیاری میں پاکستان میں مضاربہ پر لاگو بین الاقوامی اکاؤنٹنگ اسٹینڈرڈز کا اطلاق کیا گیا ہے۔
- انٹرنل کنٹرول کا ایک مربوط نظام موجود ہے اور داخلی آڈٹ کی جانب سے اس پر لاگو تاظر نظر ثانی کی جارہی ہے۔ جائزہ کا عمل جاری رہے گا اور کنٹرولز میں کسی بھی کمزوری کو دور کیا جائے گا۔

- vi. مالیاتی اسٹیمینٹس کے نوٹس 1.2 کے مطابق اثاثہ جات اور واجبات کی بالترتیب اندازہ وصولی اور ادائیگی کی بنیاد پر یہ مالیاتی اسٹیمینٹس تیار کی گئی ہیں۔
- vii. زیر جائزہ سال کے دوران اسٹاک ضوابط میں درج کارپوریٹ گورننس کی بہترین عمل داری میں کوئی واضح ابہام نہ ہے ماسوائے ان کے جن کا ذکر CCG کے تعمیلی اعلامیہ میں کیا گیا ہے۔
- viii. 30 جون 2026 تک ٹیکس، ڈیویڈنڈ، لیوی اور چارجز کی مد میں کوئی واجب الادا رقم موجود نہ ہے ماسوائے ان کے جن کا ذکر مالیاتی اسٹیمینٹس میں کیا گیا ہے۔
- ix. 30 جون 2026 کو اختتام پذیر سال کے دوران بورڈ آف ڈائریکٹرز کے چار (04) اور آڈٹ کمیٹی کے چار (04) اجلاس منعقد ہوئے۔

● 30 جون 2026 تک بورڈ کی ترکیب حسب ذیل ہے:

**FIRST NATIONAL BANK MODARABA
GENDER PAY GAP STATEMENT**

**Gender Pay Gap statement under Securities and Exchange Commission of
Pakistan (SECP) Circular 10 of 2024.**

Following is gender pay gap calculated for the year ended June 30, 2026:

- I. Mean Gender Pay Gap: 30.71%
- II. Median Gender Pay Gap: 53.16%
- III. The above ratios reflect the overall employee gender pay gap across the organization.
The Modaraba ensures equitable compensation for the female members in their
respected roles based on experience, qualification and performance.

For and on behalf of the Board Directors

Shahid Iqbal Choudhri
CEO/MD

Statement of Compliance with Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) of National Bank Modaraba Management Company Limited For the year ended June 30, 2026

National Bank Modaraba Management Company Limited (hereafter referred to as the Company), managing the First National Bank Modaraba (the Modaraba) has complied with the requirements of the Regulations in the following manner:-

1. The total number of directors are seven (7) as per the following:

- a) Male: 6
- b) Female: 1

2. The composition of the old Board was as follows:

Category	Name
i. Independent Directors	Syed Zubair Ahmed Shah
	Mr. Hasan Ahmed
ii. Non – Executive Directors (NED)	Mr. Muhammad Imran Malik
	Mr. Fouad Farukh
	Khawaja Waheed Raza
iii Executive Director	Mr. Shahid Iqbal Choudhri
iv Female / Non - Executive Director	Ms. Tosheeba Sarwar

*The election of directors of the Company was held on 25 May 2026. Composition of the Board after elections is as follows:

Category	Name
i. Independent Directors	Mr. Hasan Ahmed
	Mr. Ijaz Bashir Sheikh
ii. Non – Executive Directors (NED)	Mr. Javaid Bashir Sheikh
	Mr. Fouad Farukh
	Mr. Usman Shahid
iii Executive Director	Mr. Shahid Iqbal Choudhri
iv Female / Non - Executive Director	Ms. Tosheeba Sarwar

** The Securities and Exchange Commission of Pakistan (SECP) accorded its approval on the fit and proper test of the elected directors through letter dated 29 June 2026, which was received at the Company's office on 01 July 2026. Consequently old Board and committees continued till 30 June 2026. Subsequently, Mr. Javaid Bashir Sheikh was appointed as Chairman of the Board in the meeting held on 06 July 2026, following SECPs approval of his election as director.

***In a Board comprising 7 members, one third works out to be 2.33 in which fraction is below half (i.e. 0.5). The fraction contained in such one-third is not rounded up as one as presently the two independent directors on board possess the requisite competencies, skills, knowledge and experience to effectively discharge and execute their duties in accordance with applicable laws and regulations. As they fulfill all necessary requirements under the relevant legal and regulatory framework, the appointment of third independent director is not warranted.

- 3. The directors have confirmed that none of them is serving as a Director on more than seven listed companies, including this Company;
- 4. The Company has prepared a Code of Conduct and has ensured that appropriate steps have been taken to disseminate it throughout the Company along with its supporting policies and procedures;

5. The board has developed a vision/ mission statement, overall corporate strategy and significant policies of the Company. The Board has ensured that complete record of particulars of the significant policies along with their date of approval or updating is maintained by the Company;
6. All the powers of the Board have been duly exercised and decisions on relevant matters have been taken by the Board/ certificate holders as empowered by the relevant provisions of the Act and these Regulations;
7. The meetings of the Board were presided over by the Chairman and, in his absence, by a director elected by the Board for this purpose. The Board has complied with the requirements of the Act and the Regulations with respect to frequency, recording and circulating minutes of meetings of the Board;
8. The Board have a formal policy and transparent procedures for remuneration of directors in accordance with the Act and these Regulations;
9. Out of the total directors of the Company, four (4) directors have obtained the Directors' Training Program (DTP) certification. The remaining three (3) directors have not yet completed one year from the date of their appointment and shall obtain the DTP certification within the prescribed time frame under the Regulations, in due course.
10. The Board has approved appointment of Chief Financial Officer (CFO), Company Secretary and Head of Internal Audit, including their remuneration and terms and conditions of employment and complied with relevant requirements of the Regulations. No new appointments have been made during the year;
11. CFO and CEO duly endorsed the financial statements before approval of the Board;
12. The Board has formed committee comprising of members given below:

a) Audit Committee

Chairman (ID)	Mr. Hasan Ahmed
Member (NED)	Khawaja Waheed Raza
Member (ID)	Syed Zubair Ahmed Shah

b) Human Resource and Remuneration (HR & R) Committee

Chairman (ID)	Syed Zubair Ahmed Shah
Member (NED)	Mr. Muhammad Imran Malik
Member (NED)	Khawaja Waheed Raza

c) Risk Management (RM) Committee

Chairman (NED)	Khawaja Waheed Raza
Member (NED)	Mr. Muhammad Imran Malik

d) The Nomination Committee has not been constituted; however, the Board performs its functions as required under Regulation 29 of the Code of Corporate Governance.

e) The Sustainability Committee has not been constituted; however, the Board currently oversees initiatives in this area and is committed to constitute the committee in due course as required by regulation 10(A) of the Code of Corporate Governance.

*These committees continued after elections on 25 May 2026 as explained in para 2 above. In its meeting held on 06 July 2026, the reconstituted Board appointed Mr. Javaid Bashir Sheikh as Chairman, and reconstituted the Audit Committee and HR & R Committee as follows:

a) Audit Committee (Reconstituted 06 July 2026)

Chairman (ID)	Mr. Hasan Ahmed
Member (NED)	Mr. Usman Shahid
Member (NED)	Ms. Tosheeba Sarwar

b) HR & R Committee (Reconstituted 06 July 2026)

Chairman (ID)	Mr. Ijaz Bashir Sheikh
Member (NED)	Mr. Javaid Bashir Sheikh
Member (NED)	Mr. Fouad Farrukh

13. The terms of reference of the aforesaid committee have been formed, documented and advised to the committee for compliance;
14. The frequency of meetings (quarterly/half yearly/yearly) of the committees were as per following:
- | | |
|-----------------------------|-------------------|
| a) Audit Committee | 4 (Quarterly) |
| b) HR & R Committee | 1 (Yearly) |
| c) RM Committee | Nil (As per need) |
| d) Nomination Committee | N/A |
| e) Sustainability Committee | N/A |
15. The Board has set up an effective internal audit function to those who are considered suitably qualified and experienced for the purpose and are conversant with the policies and procedures of the Company;
16. The statutory auditors of the Company have confirmed that they have been given a satisfactory rating under the Quality Control Review program of the Institute of Chartered Accountants of Pakistan and registered with Audit Oversight Board of Pakistan, that they and all their partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by the Institute of Chartered Accountants of Pakistan and they and the partners of the firm involved in the audit are not a close relative (spouse, parent, dependent and non-dependent children) of the CEO, CFO, Head of Internal Audit, Company Secretary or director of the Company;
17. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the Act, these regulations or any other regulatory requirement and the auditors have confirmed that they have observed IFAC guidelines in this regard;
18. We confirm that all requirements of regulations 3, 6, 7, 8, 27, 32, 33 and 36 of the Regulations have been complied with.
19. Explanation for non-compliance with requirements, other than regulations 3, 6, 7, 8, 27, 32, 33 and 36 are below:

Statement of Compliance para reference	Regulation Ref. no.	Requirement	Explanation of non-compliance
12	10 (A)	The Board is responsible for setting the Company's sustainability strategies, priorities and target to create long term corporate value. The Board may establish a dedicated sustainability committee.	Due to the existing litigation initiated by SECP against the Modaraba, the Modaraba has minimal business activities. The Board currently oversees the Company's Environmental Social, and Governance (ESG) initiatives. Compliance with SECP's notification dated June 12, 2024 applicable from 01 July 2027, will be ensured in due course.
12	29 (1)	The Board may constitute a separate committee, designated as the nomination committee, of such number and class of directors, as it may deem appropriate in its circumstances.	The board has not formed the Nomination Committee as the responsibility of this committee is being taken care of at the Board Level as and when required. Therefore, a need for separate formation of this committee does not exist.

INDEPENDENT AUDITORS' REVIEW REPORT

To the Certificate Holders of First National Bank Modaraba

Review Report on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of National Bank Modaraba Management Company Limited (the Company) managing First National Bank Modaraba (the Modaraba) for the year ended June 30, 2026 in accordance with the requirements of Regulation 39 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2026. 

Page 1 of 2

Member of Russell Bedford International - a global network of independent professional services firms

Further, we highlight below instances of non-compliance with the requirements of the Regulations as reflected in the paragraph reference where these are stated in the Statement of Compliance:

Sr. No.	Statement of Compliance para reference	Description
1	19	The Board did not fulfill the responsibilities for governance and oversight of sustainability risks and opportunities, which includes the environmental, social and governance considerations, within the company by setting the company's sustainability strategies, priorities and targets to create long term corporate value.
2	19	The Board has not formed the Nomination Committee as the responsibility of this committee is being taken care of at the Board Level as and when required <i>U</i> .

INDEPENDENT AUDITORS' REPORT

To the certificate holders of First National Bank Modaraba

Report on the Audit of the Financial Statements

Opinion

We have audited the annexed financial statements of **First National Bank Modaraba** (the Modaraba) which comprise the statement of financial position as at **30 June 2026**, and the statement of profit and loss and other comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, the statement of profit and loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 (XXXI of 1980), in the manner so required and respectively give a true and fair view of the state of the Modaraba's affairs as at **30 June 2026** and of the loss and other comprehensive income, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Modaraba and Modaraba Company (National Bank Modaraba Management Company Limited) in accordance with the International Ethics Standards Board for Accountants 'Code of Ethics for Professional Accountants' as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to note 1.2 of the accompanied financial statements, which indicates that the Modaraba's current liabilities exceeded its current assets by Rs. 70.043 million, its net liabilities amounted to Rs. 29.882 million and its accumulated losses amounted to Rs. 325.401 million which exceeds its total subscribed certificate capital by Rs. 75.401 million. Further, short-term running finance facility obtained from the National Bank of Pakistan (NBP) was expired on 31 October 2019 that has yet not been renewed and markup outstanding thereupon is also outstanding. Furthermore, after the issuance of order dated 31 October 2019 of Registrar Modaraba, the winding up petition has been filed on 16 June 2020 before the Honorable Modaraba Tribunal, Lahore. This situation indicates that a material uncertainty exists that may cast significant doubt on

First National Bank Modaraba – 30 June 2026

Page 1 of 5

Member of Russell Bedford International - a global network of independent professional services firms

the Modaraba's ability to continue as going concern. Therefore, these financial statements have been prepared on the basis of estimated realizable/ settlement values of assets and liabilities respectively. Estimated realizable/ settlement values are based on the management's best estimate. Estimation involves judgment based on the latest available, reliable information, historical experience and other factors, including expectation of future events that are believed to be reasonable under the circumstances. In future, these estimates may need revision if changes occur in the circumstances on which the estimates are based or as a result of new information. Hence, the ultimate values at which assets will be realized and liabilities will be settled may be different from those carried in these financial statements. Our opinion is not qualified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

S. No.	Key audit matter	How matter was addressed in our audit
1	Provision against non-performing assets (refer note 6, 9, 12 and 13 to the Statement of financial position) Management has made provision against non-performing short term murabaha investments, ijarah rentals receivable, net investment in ijarah finance, and long term murabaha investments on the basis of Modaraba Regulations, 2021 that require significant judgements including estimates of Forced Sale Value of assets held as collateral and subjective evaluation after considering the current situation, that the Modaraba may not be able to continue as a going concern. We considered this matter as a key audit matter in view of the significant judgment involved in determining that the Forced Sale Value of the investments/ receivable.	Our audit procedures to verify provision against non-performing assets, amongst others, include the following: • We obtained an understanding of the process and controls implemented by management over the assessment of non-performing assets and the related provision. • We tested the design and implementation of controls around the credit risk assessment and monitoring process, including controls over the calculation of the provision. • For non-performing receivables eligible for Forced Sale Value benefit of mortgaged properties held as a security, we evaluated whether valuation reports are available and valid. • We examined that the reversal of provision has been made as per specified condition in the Modaraba Regulations, 2021. <i>U.</i>

		We inspected mortgage deeds to substantiate existence of assets held as collateral.
--	--	---

Information Other than the Financial Statements and Auditors' Report Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management and Board of Directors of the modaraba company for the financial statements

Management of the Modaraba Company is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 (XXXI of 1980) and for such internal control as management of the Modaraba Company determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management of the Modaraba Company is responsible for assessing the Modaraba's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management of the Modaraba Company either intends to liquidate the Modaraba or to cease operations, or has no realistic alternative but to do so.

Board of directors of the Modaraba Company are responsible for overseeing the Modaraba's financial reporting process.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurances about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Modaraba's internal control;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management of the Modaraba Company;
- Conclude on the appropriateness of the management of the Modaraba Company's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Modaraba's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Modaraba to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors of the Modaraba Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors of the Modaraba Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors of the Modaraba Company, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

A handwritten signature in dark ink, appearing to be a stylized 'E' or 'L' followed by a dot.

Report on other legal and regulatory requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Modaraba Company in respect of the Modaraba as required by the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 (XXXI of 1980);
- b) the statement of financial position, the statement of profit and loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 (XXXI of 1980) and are in agreement with the books of account;
- c) business conducted, investments made, expenditure incurred and guarantees extended during the year by the Modaraba were in accordance with the objects, terms and conditions of the Modaraba; and
- d) no zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditors' report is Mr. Adnan Rasheed

STATEMENT OF CASH FLOWS FOR THE YEAR ENDED JUNE 30, 2026

CASH FLOWS FORM OPERATING ACTIVITIES

Loss before levies and income tax

Adjustments for non-cash and other items:

- Depreciation on fixed assets under own use
- Profit on short term investments
- Charge of provision against doubtful net investment in ijarah finance
- Reversal of provision charged on short term murabaha investments
- Reversal of provision charged on net investment in ijarah
- Reversal of provision on diminishing musharaka financing
- Suspension reversed during the year
- Finance cost
- Profit on bank deposits

Operating cash flows before working capital changes

Changes in working capital:

Decrease/ (increase) in current assets:

- Accrued profit
- Ijarah rentals receivable
- Advances, prepayments and other receivables
- Short term murabaha investments - secured
- Diminishing musharaka financing
- Income tax recoverable/ adjustable
- Long term murabaha investments - secured
- Long term deposit
- Net investment in ijarah financing

Decrease in current liabilities:

- Creditors, accrued and other liabilities

Net changes in working capital

Finance cost paid

Levies paid

Income taxes paid

Profit received on bank deposits

Net cash generated from operating activities

CASH FLOWS FROM INVESTING ACTIVITIES

Investment made in fixed assets - under own use

Short term investments - net

Net cash used in investing activities

CASH FLOWS FROM FINANCING ACTIVITIES

Net decrease in cash and cash equivalents

Cash and cash equivalents at the beginning of the year

Cash and cash equivalents at the end of the year

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2026

1 LEGAL STATUS AND NATURE OF BUSINESS

- 1.1** First National Bank Modaraba ("the Modaraba") is a multi-purpose, perpetual and multi-dimensional Modaraba formed under the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 and rules framed thereunder. The Modaraba is managed by National Bank Modaraba Management Company Limited, a wholly owned subsidiary of the National Bank of Pakistan (the Modaraba Management Company), incorporated in Pakistan under the repealed Companies Ordinance, 1984 (now the Companies Act, 2017) and registered with the Registrar of Modaraba Companies. The registered office of the Modaraba is situated at Ground Floor, National Bank of Pakistan, Regional Headquarters Building, 26-Mc Lagon Road, Lahore.

The Modaraba is listed on Pakistan Stock Exchange Limited (PSX). It commenced its operations on 4 December 2003 and is currently engaged in various Islamic modes of financing and operations including ijarah, musharaka and murabaha arrangements.

1.2 Going concern assumption

During the year, the Modaraba incurred loss for the year amounting to Rs. 4.354 million (2025: Rs. 3.960 million).

As at the reporting date, the Modaraba's current liabilities exceed its current assets by Rs. 70.043 million (2025: Rs. 69.900 million) and its accumulated loss amounts to Rs. 325.401 million (2025: Rs. 321.048 million) which exceeds its total subscribed certificate capital by Rs. 75.401 million (2025: Rs. 71.048 million). The trading in the certificates of Modaraba has already been suspended and the name of the Modaraba is included in the defaulter list of PSX.

Accumulated loss as on 30 June 2026 contain Rs. 205.871 million (2025: Rs. 206.333 million) against provision for doubtful receivables; the management believes that these amounts are notional in nature and these provisions are reversible in future to the extent of actual cash recoveries, as and when realized, from the defaulter clients. Besides fully charging provisioning in accordance with the Modaraba Regulations, 2021 issued by SECP, the Modaraba has also subjectively assessed the carrying value of its classified receivables and incorporating as much additional provisioning in the light of applicable regulations and management judgment. Accordingly, additional provision of Rs. nil (2025: Rs. 0.849 million) was incorporated in these financial statements. These assessments were made on the basis of relevant factors, including the expectation of reaching restructuring arrangements with respective parties for outstanding amounts within next one year or so.

The Modaraba has filed legal suits for recoveries against all its defaulter clients and Rs. 431.157 million (2025: 431.157 million) have been decreed in the Modaraba's favor by the Honorable Banking Courts, against principal amount, that are pending execution. Further as referred in note 17.1 and note 27.1, the short term running finance facility obtained from NBP was expired on 31 October 2019 that has yet not been renewed while markup outstanding thereupon is also yet to be paid. Outstanding markup on this facility upto 31 October 2019 was Rs. 10.800 million. However, NBP is accruing markup beyond that date in its books; accordingly, the Modaraba, while its request of waiver/ reduction of markup is in pendency, has also accrued a further amount of Rs. 205.903 million on account of finance cost against this facility accumulating to Rs. 216.702 million (2025: Rs. 191.085 million) as at the reporting date. Total current liabilities amounting to Rs. 473.288 million (2025: Rs. 450.951 million) include Rs. 433.766 million (2025: Rs. 408.149 million) payable to National Bank of Pakistan (NBP) on account of outstanding principal and markup on short term running finance facility that the management believes is not readily payable. Further, the current liabilities also include Rs. 32.996 million (2025: Rs. 32.996 million) worth security deposits that are not immediately repayable rather shall be adjusted against the residual value of ijarah assets. Furthermore, the Modaraba has recovered Rs. 10.975 million (2025: Rs. 14.757 million) from certain customers against non-performing finances during the current year.

In purview of the consistent losses of the Modaraba, the Registrar Modaraba issued a show cause notice to the Modaraba as to why should the proceedings to wind it up not be initiated in terms of Section 23(1)(ii)(b) of the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980. Further, the Registrar Modaraba, in exercise of powers conferred under Section 23(1)(ii)(b) of the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 and aforementioned show cause notice, has passed an order dated 31 October 2019, for filing an application for winding up before the Modaraba Tribunal, Lahore. Subsequent to the order dated 31 October 2019 of Registrar Modaraba, the winding up petition has been filed by Registrar Modaraba on 16 June 2020 under section 23(1)(ii)(b) before the Honorable Modaraba Tribunal, Lahore. However, the case is pending before the court and next date of hearing has been fixed on 13 October 2026.

The winding up petition filed by the Registrar Modaraba indicates the existence of material uncertainty that casts significant doubts about the Modaraba's ability to continue as a going concern, and therefore, it may be unable to realize its assets and discharge its liabilities in the normal course of business. Therefore, these financial statements have been prepared on the basis of estimated realizable/ settlement values of assets and liabilities respectively. As per managements' evaluation disposal of assets in future is not expected to result in any gain.

2 BASIS OF PREPARATION

2.1 Accounting convention

These financial statements have been prepared on the basis other than going concern using estimated realizable/ settlement values of assets and liabilities respectively. In realizable/ settlement value basis, assets are carried at amount of cash and cash equivalents that could currently be obtained by selling the assets in an orderly disposal. Liabilities are carried at their settlement values, that is the undiscounted amount of cash or cash equivalents expected to be paid to satisfy the liabilities in the normal course of business.

2.2 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- IFRS Accounting Standards issued by the International Accounting Standards Board (IASB) and Islamic Financials Accounting Standards (IFASs) issued by Institute of Chartered Accountants of Pakistan, as are notified under the Companies Act, 2017; and
- Provisions of, directives and notifications issued under the Companies Act, 2017, Modaraba Companies and Modarabas (Flotation and Control) Ordinance, 1980, Modaraba Companies and Modaraba Rules, 1981 and Modaraba Regulations 2021 issued by the Securities and Exchange Commission of Pakistan (hereinafter referred to as the relevant laws).

Where provisions of, directives and notifications issued under the Companies Act, 2017 differ from the IFRS Accounting Standards, the provisions of, directives and notifications issued under the Companies Act, 2017 have been followed.

2.3 Functional and presentation currency

These financial statements are prepared and presented in Pak Rupees which is also the Modaraba's functional currency. All financial information presented in Pak Rupees is rounded off to the nearest rupee unless otherwise stated.

2.4 Use of estimates and judgments

The preparation of financial statements in conformity with the approved accounting standards requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. These estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under circumstances, results of which form the basis of making judgment about carrying amounts of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

These estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which estimates are revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

Judgments made by the management that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year comprise:

- Provision against non performing financing (note 4.3, 4.5, 4.6, 6, 9, 12, and 13)
- Impairment of other financial assets (note 4.4)
- Short term investments (note 8)
- Likelihood of outcome of future events related to assessment of contingencies (note 4.15, 23)
- Provision for taxation (note 4.12, 30)

2.5 Estimated realizable/ settlement values of assets and liabilities respectively

Based on the management's best estimate, as on the reporting date, carrying values of assets and liabilities reflect estimated realizable and settlement values respectively. The Modaraba has recognized provision for doubtful short term murabaha investments, provision for ijarah rentals receivables and provision for long term murabaha investment on the basis of modaraba regulations and subjective evaluation of non-performing receivables/ assets after considering the current situation, that the Modaraba may not be able to continue as a going concern. These provisions are made in addition to the time based criteria given in the regulation of classification and provisioning for non-performing assets in Modaraba Regulations, 2021 issued by SECP.

3 INITIAL APPLICATION OF A STANDARD, AMENDMENT OR AN INTERPRETATION TO AN EXISTING STANDARD AND FORTHCOMING REQUIREMENTS

a) Standards and interpretations that became effective but not relevant to the Modaraba

There are certain amendments and interpretations to the accounting and reporting standards which are mandatory for the Modaraba's annual accounting period which began on July 1, 2025. However, these do not have any significant impact on the Modaraba's financial statements except as disclosed in note 4 to these financial statements.

b) Forthcoming requirements not effective in current year and not considered relevant:

The following standards (revised or amended) and interpretations became effective for the annual periods beginning on or after the mentioned dates but are either not relevant or do not have any material effect on the financial statements of the Modaraba other than increased disclosures in certain cases:

- IFRS 7 - Amendments Regarding the Classification and Measurement of Financial Instruments - (applicable on annual periods beginning on or after 1 January 2026).
- IFRS 9 - Amendments Regarding the Classification and Measurement of Financial Instruments - (applicable on annual periods beginning on or after 1 January 2026).
- IFRS 18 - Presentation and Disclosure in Financial Statements - (applicable on Annual periods beginning on or after 1 January 2027).
- IFRS 19 - Subsidiaries without Public Accountability: Disclosures - (applicable on Annual periods beginning on or after 1 January 2027).
- IAS 21 - The Effects of Changes in Foreign Exchange Rates - (initial application on annual periods beginning on or after 1 January 2026).
- IFRS 17 - Insurance Contracts - (initial application on annual periods beginning on or after 1 January 2027).
- IFRS 10 - Consolidated Financials Statements (application on annual periods beginning on or after 1 January 2026).
- Annual improvements to IFRS 7, IFRS 9, and IAS 7 (Statement of Cashflows) initial application on annual periods beginning on or after 1 January 2027.

c) Other than the aforesaid standards, interpretations and amendments, the International Accounting Standards Board (IASB) has also issued the following standards which have not been adopted locally by the Securities and Exchange Commission of Pakistan as at 30 June 2026:

- IFRS 1 – First Time Adoption of International Financial Reporting Standards
- IFRS 20 – Regulatory Assets and Regulatory Liabilities
- IFRIC 12 – Service Concession Arrangement

4 MATERIAL ACCOUNTING POLICY INFORMATION

The material accounting policies set out below have been applied consistently to all periods presented in these financial statements.

4.1 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, and other short term highly liquid investments with original maturities of three months or less. Short term finance facilities availed by the Company, which are payable on demand and form an integral part of the Company's cash management are included as part of cash and cash equivalents for the purpose of statement of cash flows.

4.2 Receivables

Receivables are due on normal trade terms. These are carried at original invoice amount less provision for doubtful debts, if any. Balances considered bad and irrecoverable are written off when identified.

4.3 Murabaha investment

Murabaha investments are stated net of provision. Provision is recognized for murabaha investments in accordance with the time based criteria mentioned in the Modaraba Regulations, 2021 issued by SECP and subjective evaluation of management. Outstanding balances are written off when there is no realistic prospect of recovery.

Murabaha receivables are recorded by the Modaraba at the invoiced amount and disclosed as such in the statement of financial position. Purchases and sales under murabaha and the resultant profit are accounted for on the culmination of murabaha transaction.

The profit on that portion of sales revenue not due for payment are deferred by accounting for a debit to "unearned murabaha income" account with the corresponding credit to "deferred murabaha income" account and shown in the balance sheet as a liability.

4.4 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

4.4.1 Financial assets

All financial assets are recognized at the time when the Modaraba becomes a party to the contractual provisions of the instrument. Regular purchases and sales of financial assets are recognized and derecognized, as applicable, using trade-date accounting or settlement date accounting.

Classification

The Modaraba classifies its financial assets in the following categories: at amortized cost, at fair value through other comprehensive income (FVTOCI) and at fair value through profit or loss (FVTPL). The classification is based on its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset. The management determines the classification of its financial assets at the time of initial recognition.

a) Financial assets at amortized cost

A financial asset is measured at amortized cost if the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and profit on the principal amount outstanding.

b) Financial assets at fair value through other comprehensive income

A financial asset is measured at fair value through other comprehensive income if the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and profit on the principal amount outstanding.

c) Financial assets at fair value through profit and loss

A financial asset is measured at fair value through profit and loss unless it is measured at amortized cost or at fair value through other comprehensive income.

Reclassification

When the Modaraba changes its business model for managing financial assets, it reclassifies all affected financial assets accordingly. The Modaraba applies the reclassification prospectively from the reclassification date.

In case of reclassification out of the "amortized cost" to "fair value through profit and loss", fair value of the financial asset is measured at the reclassification date. Any gain or loss arising from a difference between the previous amortized cost and fair value is recognized in the statement of profit and loss.

In case of reclassification out of "fair value through profit and loss" to the "amortized cost", fair value of the financial asset at the reclassification date becomes its new gross carrying amount.

In case of reclassification out of the "amortized cost" to "fair value through other comprehensive income", fair value of the financial asset is measured at the reclassification date. Any gain or loss arising from a difference between the previous amortized cost and fair value is recognized in other comprehensive income. The effective markup rate and the measurement of expected credit losses are not adjusted as a result of the reclassification.

In case of reclassification out of "fair value through profit and loss" to "fair value through other comprehensive income", the financial asset continues to be measured at fair value.

In case of reclassification out of "fair value through other comprehensive income" to "fair value through profit and loss", the financial asset continues to be measured at fair value. The cumulative gain or loss previously recognized in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment at the reclassification date.

Initial recognition and measurement

All financial assets are recognized at the time when the Modaraba becomes a party to the contractual provisions of the instrument. Regular purchases and sales of investments are recognized on trade date – the date on which the Modaraba commits to purchase or sell the asset. The Modaraba initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit and loss, transaction costs.

Subsequent measurement

Financial assets carried at amortized cost are subsequently measured using the Effective Interest Rate (EIR) method.

When the contractual cash flows of a financial asset are renegotiated or otherwise modified and the renegotiation or modification does not result in the derecognition of that financial asset, the Modaraba recalculates the gross carrying amount of the financial asset and recognizes a modification gain or loss in the statement of profit and loss.

Financial assets 'at fair value through other comprehensive income' are marked to market using the closing market rates and are carried in the balance sheet at fair value. Net gains and losses arising on changes in fair values of these financial assets are recognized in other comprehensive income. Markup calculated using the EIR method is credited to the statement of profit and loss. Dividends on equity instruments are credited to the statement of profit and loss when the Modaraba's right to receive payments is established.

Financial assets 'at fair value through profit and loss' are marked to market using the closing market rates and are carried in the balance sheet at fair value. Net gains and losses arising on changes in fair values of these financial assets are taken to the statement of profit and loss in the period in which these arise.

Fair values of quoted investments are based on current prices. If the market for a financial asset is not active (and for unlisted securities), the Modaraba measures the investments at cost less impairment in value, if any.

Derecognition

Financial assets are derecognized when:

- the contractual rights to receive cash flows from the assets have expired; or
- the Modaraba has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:
 - a) the Modaraba has transferred substantially all the risks and rewards of the asset; or
 - b) the Modaraba has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

The difference between the carrying amount and the consideration received is recognized in the statement of profit and loss and other comprehensive income.

If the Modaraba transfers a financial asset in a transfer that qualifies for derecognition in its entirety and retains the right to service the financial asset for a fee, it recognizes either a servicing asset or a servicing liability for that servicing contract.

When the Modaraba has transferred its rights to receive cash flows from an asset or has entered into a pass through arrangement, it evaluates if, and to what extent, it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Modaraba continues to recognize the transferred asset to the extent of its continuing involvement. In that case, the Modaraba also recognizes an associated liability which cannot be offset with the related asset. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Modaraba has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Modaraba could be required to repay.

If the Modaraba's continuing involvement is in only a part of a financial asset, the Modaraba allocates the previous carrying amount of the financial asset between the part it continues to recognize under continuing involvement, and the part it no longer recognizes on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognized and the consideration received for the part no longer recognized is recognized in the statement of profit and loss and other comprehensive income.

Impairment of financial assets

The Modaraba directly reduces the gross carrying amount of a financial asset when it has no reasonable expectations of recovering a financial asset in its entirety or a portion thereof. The Modaraba recognizes the impairment at each reporting date for outstanding ijarah, murabaha and musharakah receivables on the basis of Modaraba Regulations, 2021.

4.4.2 Financial liabilities

Initial recognition and measurement

All financial liabilities are recognized at the time when the Modaraba becomes a party to the contractual provisions of the instrument.

Financial liabilities are classified, at initial recognition, as financial liabilities at amortized cost except for financial liabilities at fair value through profit and loss, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or when the continuing involvement approach applies.

The Modaraba does not reclassify any of its financial liabilities.

Financial liabilities are initially recognized at fair value minus transaction costs for all financial liabilities not carried at fair value through profit and loss. Financial liabilities carried at fair value through profit and loss are initially recognized at fair value and transaction costs are recognized in the statement of profit and loss.

The Modaraba's financial liabilities include trade and other payables and loans and borrowings etc.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit and loss

Financial liabilities at fair value through profit and loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. The Modaraba has not designated any financial liability as at fair value through profit and loss.

All other liabilities

All other financial liabilities are measured at amortized cost EIR method. Gains and losses are recognized in the statement of profit and loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance cost in the statement of profit and loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expired. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in respective carrying amounts is recognized in the statement of profit and loss. The difference between the carrying amount of a financial liability extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in the statement of profit and loss.

If the Modaraba repurchases a part of a financial liability, the Modaraba allocates the previous carrying amount of the financial liability between the part that continues to be recognized and the part that is derecognized based on the relative fair values of those parts on the date of the repurchase. The difference between the carrying amount allocated to the part derecognized and the consideration paid, including any non-cash assets transferred or liabilities assumed, for the part derecognized is recognized in the statement of profit and loss.

4.4.3 Offsetting of financial assets and liabilities

Financial assets and liabilities are offset and net amount is reported in the financial statements only when there is a legally enforceable right to set off the recognized amount and the Modaraba intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

4.5 Diminishing musharaka financing

Diminishing musharaka financing is stated net of provision for doubtful receivables. Provision for doubtful musharaka receivables is recognized in accordance with the Modaraba Regulations, 2021 issued by SECP or on the estimate of management, whichever is higher. Bad debts are written off when identified.

4.6 Lease (ijarah) accounting

The Modaraba provides assets to its clients under ijarah agreements as approved by the Religious Board. Ijarah arrangements up to 30 June 2008 have been recorded in the books of accounts as finance lease in line with IAS-17 (Leases) and arrangements beginning on or after 1 July 2008 have been recorded in the books of accounts under IFAS-2 (Ijarah).

Under the ijarah arrangements up to 30 June 2008, amount due from lessees under finance leases are recorded as receivables at the amount of the net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the leases.

As per the requirements of IFAS-2, the Modaraba has presented assets subject to ijarah in its statement of financial position according to the nature of the asset, distinguished from the assets in own use. Income from ijarah is recognized on accrual basis, unless another systematic basis is more representative of the time pattern in which benefit of use derived from the leased asset is diminished. Costs, including depreciation, incurred in earning the ijarah income are recognized as an expense.

Net investment in ijarah is stated at present value of minimum ijarah payments. Impairment losses on non-performing ijarah are recognized at higher of provision required in accordance with the Modaraba Regulations, 2021 issued by SECP or at a level which in the judgment of the management is adequate to provide for potential ijarah losses. These losses can be reasonably anticipated as the difference between the carrying amount of receivables and present value of expected cash flows discounted at the rates implicit in the ijarah agreement.

4.7 Short term investments

Investments in money market funds are classified as financial assets at fair value through profit and loss (FVTPL). Such investments are initially recognized at cost and subsequently measured at fair value, with any resulting gains or losses recognized in the statement of profit or loss.

4.8 Fixed assets

4.8.1 Fixed assets under ijarah arrangements

Assets given to customers under ijarah arrangements on or after 1 July 2008 are accounted for as operating lease and are stated at cost less accumulated depreciation and impairment loss, if any. Assets under ijarah arrangements are depreciated using the straight line basis over the shorter of ijarah term or asset's useful life. In respect of additions and transfers during the year, depreciation is charged proportionately to the period of ijarah.

4.8.2 Assets in own use - Tangible

Tangible fixed assets are stated at cost less accumulated depreciation and impairment loss, if any. Cost in relation to the assets comprises acquisition and other directly attributable costs. Subsequent costs are included in assets' carrying amounts when it is probable that future economic benefits associated with the item will flow to the Modaraba and the cost of the item can be measured reliably. Carrying amount of parts so replaced, if any, is derecognized. All other repairs and maintenance are charged to the statement of profit and loss as and when incurred. Gain/ loss on disposals are carried to the statement of profit and loss in the year of disposal.

Depreciation is charged to the statement of profit and loss using the straight line method at the rates as specified in note 16 to these financial statements so as to write off the cost of assets over their estimated useful lives without taking into account any residual value. Depreciation on additions to tangible fixed assets is charged from the month in which an asset is available for use while no depreciation is charged from the month in which the asset is disposed off.

Carrying amounts of the Modaraba's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If such an indication exists, the recoverable amount of such asset is estimated and impairment loss is recognized in the profit or loss account. Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised recoverable amount but limited to the extent of the initial cost of the asset. A reversal of the impairment loss is recognized as income in the profit or loss account.

4.8.3 Assets in own use - Intangible

Expenditure incurred on intangible asset is capitalized and stated at cost less accumulated amortization and any identified impairment loss. Intangible asset is amortized on straight line basis over a period of three years.

4.9 Provisions

Provisions are recognized when the Modaraba has a present, legal or constructive obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits would be required to settle the obligation and a reliable estimate of the amount can be made. Provisions are reviewed at each reporting date and adjusted to reflect the current best estimates.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation. Future operating losses are not provided for.

4.10 Borrowing costs

Borrowing costs on long term finances are capitalized up to the date of commissioning of respective qualifying assets acquired out of the proceeds of such long term finances. All other borrowing costs are recognized in the statement of profit and loss.

4.11 Revenue recognition

For lease (ijarah) agreements executed on or before 30 June 2008, the unearned finance income is deferred and amortized to income over the term of ijarah, applying the annuity method to produce a constant rate of return on net investment in ijarah. Unrealized ijarah income on potential lease losses is excluded from the income from ijarah operations in accordance with the requirements of the Modaraba Regulations, 2021 issued by the SECP.

For lease (ijarah) agreements executed on or after 1 July 2008 lease rentals are recognized as income on accrual basis, as and when the rental becomes due over the ijarah period.

The deferred murabaha income i.e. the excess of aggregate murabaha installments over the cost of the asset under murabaha investment is deferred and then amortized over the term of the murabaha, so as to produce a constant rate of return on murabaha investment. Documentation charges, front-end fee and other murabaha income are recognized as income on receipt basis.

Return on deposits with banks is recognized on time proportionate basis.

Profit on diminishing musharaka financing is recognized under the effective markup rate method based on the amount outstanding.

4.12 Taxation

Income tax expense comprises current and deferred tax. Income tax expense is recognised in the statement of profit or loss, except to the extent that it relates to items recognised directly in equity or in other comprehensive income, in which case it is recognised in equity or in other comprehensive income respectively. In making the estimates for income taxes currently payable by the Company, the management considers the current income tax law and the decisions of appellate authorities on certain issues in the past.

4.12.1 Current

The charge for current taxation is based on the taxable income for the year, determined in accordance with the prevailing law for taxation on income, using prevailing tax rates after taking into account tax credits and rebates available, if any. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

4.12.2 Deferred

Deferred tax is provided using liability method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amounts of assets and liabilities, using the current rates of taxation. Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the assets can be utilised. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realised. Deferred tax is charged to income except in case of items credited or charged to equity in which case it is included in the equity.

4.12.3 Levies

Tax charged under the Income Tax Ordinance, 2001 which is not based on taxable income or any amount paid/ payable in excess of the calculation based on taxable income or any minimum tax which is not adjustable against future income tax liability is classified as levy in the statement of profit or loss and other comprehensive income as these levies fall under the scope of IFRIC 21/ IAS 37.

4.13 Profit distribution

Profit distribution to certificate holders is recognized as a liability in the period in which such distribution is announced.

4.14 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (the Chief Executive Officer of the Modaraba). Segment results, assets and liabilities include items directly attributable to a segment. Segment capital expenditure is the total cost incurred during the year to acquire fixed assets and intangible assets.

4.15 Contingent liabilities

Contingent liability is disclosed when there is a possible obligation that arises from past events and whose existence is confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Modaraba.

A contingent liability is also disclosed when there is a present obligation that arises from past events but it is not probable that an outflow of resources embodying economic benefits would be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability.

4.16 Related party transactions

Transactions in relation to business activities with related parties are made at arm's length prices determined in accordance with the Modaraba's policy.

4.17 Earnings per certificate

The Modaraba presents basic and diluted earnings per certificate (EPC). Basis EPC is calculated by dividing the profit and loss attributable to ordinary certificate holders of the Modaraba by the weighted average number of modaraba certificates outstanding during the year. Diluted EPC is determined by adjusting the profit or loss attributable to modaraba certificate holders and the weighted average number of modaraba certificates outstanding for the effects of all dilutive potential modaraba certificates, if any.

4.18 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal, or in its absence, the most advantageous market to which the Modaraba has access at that date. The fair value of a liability reflects the effect of non-performance risk. When applicable, the Modaraba measures the fair value of an instrument using the quoted price in an active market for that instrument. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

When measuring fair value, the Modaraba takes into account the characteristics of asset or liability which include the condition and location of the asset and restrictions, if any, on the sale or use of the asset.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Modaraba uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Valuation techniques used to measure fair value are applied consistently unless a change in a valuation technique or its application results in a measurement that is equally or more representative of fair value in the circumstances. Revisions resulting from a change in the valuation technique or its application are accounted for as a change in accounting estimate.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within different levels of the fair value hierarchy, based on the lowest level input that is significant to the fair value measurement as a whole.

Fair value hierarchy categorizes into following three levels the inputs to valuation techniques used to measure fair value:

- Level 1 — Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Modaraba can access at the measurement date.
- Level 2 — Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 — Unobservable inputs for the asset or liability.

For the purpose of fair value disclosures, the Modaraba has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above.

This investment represents ijarah arrangement entered into with Chenab Limited (the company) for a period of 10 years at an implicit profit rate of 8.7% per annum against security deposits of Rs. 46,700/- (2025: Rs. 46,700/-). The Lahore High Court has approved the scheme of arrangement of the company on 14 September 2021 for rehabilitation of the company, which has been implemented. The scheme is binding on all the creditors of the company. As per approved scheme of arrangement, recovery suit has been decreed in the Modaraba's favor through consent decree on 29 June 2022 and the execution proceedings have been adjourned in the court. The Modaraba has so far recovered pro rata share of Rs. 3.470 million (2025: Rs. 3.470 million) under the scheme through sale of non-core assets of the company.

15.1 General description of significant ijarah arrangements (IFAS-2)

The Modaraba had entered into various ijarah agreements for periods ranging from 3 to 14 years (2025: 3 to 14 years). Security deposits ranging from 0% to 71% (2025: 0% to 71%) were obtained at the time of disbursement. The expected rate of profit implicit in ijarah ranges from 9.87% to 16.99% (2025: 9.87% to 16.99%) per annum. These ijarahs are fully matured and no further rentals are receivable against these in future, except for those disclosed in financial statements (note 9). These ijarah assets would be adjusted against the security deposits received from customers (note 19).

17 SHORT TERM FINANCING - SECURED

From banking company - related party

Running finance	17.1	217,063,388	217,063,388
-----------------	------	-------------	-------------

17.1 The Modaraba, during the financial year ended 30 June 2018, obtained running finance facility of Rs. 250 million from the National Bank of Pakistan carrying markup at 1 month KIBOR plus 0.5% per annum payable monthly. The markup rate charged during the year ranged from 11.25% to 12.59% (2025: 22.04% to 23.27%) per annum. This facility is secured by way of first joint pari passu hypothecation charge on all present and future receivables, leased assets and related lease receivables and present and future assets of the Modaraba to the extent of Rs. 277.778 million (2025: Rs. 277.778 million). This facility expired on 31 October 2019 and has yet not been renewed and repaid.

17.2 The Modaraba has submitted a business revival plan to National Bank of Pakistan (NBP). Under the proposal the Modaraba fully repay the outstanding Running Finance (RF) facility from its internal sources, covering both the principal and contractual period markup, while non-contractual markup is requested to be reversed or waived. Following the settlement of the RF facility, NBP will provide a fresh fund of Rs. 350 million as equity participation, enabling the Modaraba to resume fresh lending through Shariah-compliant modes of financing. The request is under process with NBP. The provisional finance cost is charged using the facility's previous markup rate.

20.2 No certificates of the Modaraba have been issued / cancelled during the year.				
20.3 All certificates rank equally with regard to residual assets of the Modaraba. Certificate holders are entitled to receive all distributions including profit distributions and other entitlements in the form of bonus and right certificates as and when declared by the Modaraba. Voting and other rights are in proportion to the certificate holding.				
21 STATUTORY RESERVE				
	21.1	<u>45,519,244</u>	<u>45,519,244</u>	
21.1 Statutory reserve was initially created in compliance with the Prudential Regulations for Modarabas issued by the SECP. However, with the promulgation of the Modaraba Regulations, 2021, the earlier requirements relating to minimum equity and reserve fund creation have been made applicable exclusively to Certificate of Musharakah issuing Modarabas. Accordingly, as the said provisions no longer apply to the Modaraba, the transfer of profit to this reserve has been discontinued.				

22 CONTINGENCIES AND COMMITMENTS

- 22.1** The entity received a notice with reference no. AEOI-LHR/RFI/173 dated 27 June 2022 for enrollment on FBR AEOI portal. The Deputy Commissioner Inland Revenue passed an order of penalty U/S 182 of the Income Tax Ordinance, 2001 amounting to Rs. 710,000/-. The legal council of the Modaraba filed an appeal before the Commissioner Inland Revenue and the case has been remanded back by the Commissioner. The legal council is of opinion that the decision will come in favour of the entity.
- 22.2** The entity received an order with reference no. 100000196719203 dated 31 May 2024 passed under section 161(1) of the Income Tax Ordinance, 2001 for tax year 2018 creating a default of Rs. 566,998. The legal council of the Modaraba has filed an appeal under section 127(4) of the Income Tax Ordinance, 2001 and is of the opinion that the decision will come in favour of the entity.
- 22.3** The entity received an order with reference no. C. No.AEOI-Zone/unit-01/1045 dated 15 April 2025 passed under section 182(2) of the Income Tax Ordinance, 2001 for tax year 2024 creating a penalty of Rs. 534,000. The legal council of the Modaraba has filed an appeal under section 127(4) of the Income Tax Ordinance, 2001 and is of the opinion that the decision will come in favour of the entity.
- 22.4** The entity received a show cause notice dated 04 March 2026 passed under section 182(2) of the Income Tax Ordinance, 2001 for tax year 2018-24 owing to failure to furnish the requisite information as stipulated under section 165B of Income Tax Ordinance, 2001. The legal council of the Modaraba has filed an appeal under section 127(4) of the Income Tax Ordinance, 2001 and is of the opinion that the decision will come in favour of the entity.

NBP Fund Management Limited	Associated company
Pak Brunei Investment Company	Investment agent - sukuku
Jubilee General Insurance Company Limited	Window Takaful

34 FINANCIAL RISK MANAGEMENT

The Modaraba's activities expose it to a variety of financial risks: market risk (including currency risk, other price risk and profit rates risk), credit risk and liquidity risk. The Modaraba's overall risk management focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the financial performance.

The Board of Directors of the Modaraba Management Company has overall responsibility for the establishment and oversight of the Modaraba's risk management framework.

The Modaraba's overall risk management procedures, to minimize the potential adverse effects of financial market on the Modaraba's performance, are as follows:

34.1 Market risk

Market risk is the risk that the fair values of future cash flows of a financial instrument will fluctuate because of changes in foreign currency, profit rates, equity price that will affect the Modaraba's income or the value of its holdings of financial instruments. The Modaraba is exposed to unfavorable changes in fair values of investments as a result of changes in prices of securities.

34.1.1 Currency risk

Currency risk is the risk that the fair values or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Currency risk arises mainly from future commercial transactions or receivables and payables that exist due to transactions in foreign currencies. The Modaraba is not exposed to currency risk as it is not involved in foreign currency transactions.

34.1.2 Profit rate risk

This represents the risk that the fair values or future cash flows of a financial instrument will fluctuate because of changes in market mark-up / profit rates.

The Modaraba's mark-up / profit rates risk arises mainly from short term finances, bank balances in savings accounts, net investment in ijarah finance, diminishing musharaka, short term investments and murabaha investments. Short term finances, short term investments (other than investments in Sukuks), diminishing musharaka financing, ijarah rental receivables, net investment in ijarah financing and balances in savings accounts are at variable rates, that expose the Modaraba to cash flow mark-up / profit rate risks. As at the reporting date the mark-up / profit rate profile of the Modaraba's mark-up bearing financial instruments was as follows:

	Note	2026 Rupees	2025 Rupees
Financial assets:			
Fixed rate instruments			
Short term murabaha investments - secured	6	1,772,953	1,772,953
Short term investments	8	333,000,000	326,000,000
		<u>334,772,953</u>	<u>327,772,953</u>
Floating rate instruments			
Ijarah rentals receivable	9	11,804,532	11,804,532
Bank balances	5	4,171,405	9,483,517
Net investment in ijarah finance	12	7,144,909	10,847,215
Short term investments	8	21,012,983	5,775,000
		<u>44,133,829</u>	<u>37,910,264</u>
Financial liabilities:			
Floating rate instruments			
Short term financing - secured	17	217,063,388	217,063,388

Fair value sensitivity analysis for fixed rate instruments

The Modaraba does not account for any fixed rate financial assets and liabilities at fair value through profit or loss. Therefore, a change in profit rate at the reporting date would not affect profit or loss of the Modaraba.

Cash flow sensitivity analysis for variable rate instruments

If profit rates, as at the reporting date, fluctuates by 1% higher/ lower with all other variables held constant, profit before taxation for the year would have been Rs. 1.729 million (2025: Rs. 1.791 million) lower/ higher owing to affect of financial instruments carrying profit/ markup at floating rate. This analysis is prepared assuming the amounts of floating rate instruments outstanding as at the reporting date were outstanding for the entire year.

34.1.3 Other price risk

Other price risk represents the risk that the fair values or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from mark-up / profit rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instrument traded in the market. The Modaraba is not exposed to commodity price risk and equity price risk.

34.2 Credit risk

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss to the Modaraba by failing to discharge an obligation. The risk is generally limited to principal amounts and accrued profit thereon, if any. The Modaraba's policy is to enter into financial contracts in accordance with the internal risk management policies and the requirements of the Modaraba Regulations. The carrying amounts of the following financial assets represent the maximum credit exposure as at the reporting date:

Financial assets			
Bank balances	5	4,171,405	9,483,517
Short term murabaha investments - secured	6	1,772,953	1,772,953
Accrued profit	7	3,560,584	4,004,983
Short term investments	8	354,012,983	331,775,000
Ijarah rentals receivable	9	11,804,532	11,804,532
Other receivables	10	1,232,534	1,065,602
Net investment in ijarah finance	12	10,847,215	10,847,215
Long term murabaha investments - secured	13	2,273,581	7,073,581
Long term deposits		37,500	39,500
		<u>389,713,287</u>	<u>377,866,883</u>

34.2.1 Credit quality of banks

The credit quality of the Modaraba's bank balances can be assessed with reference to external credit ratings as follows:

	Rating			2026	2025
	Short term	Long term	Agency	Rupees	Rupees
National Bank of Pakistan	A1+	AAA	PACRA	490,711	545,262

34.2.2 Description of collateral held

The Modaraba's ijarah arrangements are secured against ijarah assets, demand promissory notes, post dated cheques and personal guarantees varying from case to case. In a few arrangements additional collateral is also obtained in the form of charge on fixed assets. Murabaha investments are secured against charge over fixed and current assets, registered and equitable mortgage of properties, personal guarantees of directors of customer companies, demand promissory notes and post dated cheques varying from case to case. Diminishing musharaka financings are secured by first charge on all present and future fixed assets of the clients, registered and equitable mortgage on properties, personal guarantee of directors, post dated cheques and joint ownership of musharaka assets varying from case to case.

34.2.3 The aging of murabaha and lease/ ijarah rental net of impairment loss as at the reporting date was as follows:

Aging of murabaha and ijarah rental receivables

Not past due	-	-
Past due 1 - 180 days	-	-
Past due 181 days - 1 year	-	-
Past due 1 - 2 years	-	-
More than 2 years	26,698,281	31,498,281
	26,698,281	31,498,281

Provisions are recognized by the Modaraba on the basis of time based criteria given under Modaraba Regulations, 2021 issued by SECP for modarabas and subjective evaluation carried out on an ongoing basis.

34.2.4 The Modaraba manages credit risk and its concentration through diversification of activities to avoid undue concentration of risks with individuals, groups or specific industry segments. For this purpose, the Modaraba has established exposure limits for individuals and industrial sectors. Breakup of credit risk exposure by class of business is as follows:

	2026			
	Net investment in finance lease	Ijarah finances	Murabaha finances	Long term murabaha investments
	Rupees			
Industrial sectors:				
Textiles	7,144,909	-	-	-
Food	-	-	1,772,953	-
Sugar and allied	-	11,804,532	-	-
Other	-	-	-	2,273,581
	7,144,909	11,804,532	1,772,953	2,273,581
				22,995,975
	2025			
	Net investment in finance lease	Ijarah finances	Murabaha finances	Long term murabaha investments
	Rupees			
Industrial sectors:				
Textiles	8,991,704	-	-	-
Food	-	-	1,772,953	-
Sugar and allied	-	11,804,532	-	-
Other	-	-	-	7,073,581
	8,991,704	11,804,532	1,772,953	7,073,581
				29,642,770

34.3 Liquidity risk

Liquidity risk is the risk that the Modaraba will encounter difficulty in meeting its financial obligations as they fall due. Liquidity risk arises because of the possibility that the Modaraba could be required to pay its liabilities earlier than expected or difficulty in raising funds to meet commitments associated with financial liabilities as they fall due. The Modaraba's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or damages to the Modaraba's reputation. The following are the contractual maturities of financial liabilities, including mark-up / profit payments:

	2026				
	Carrying amount	Contractual cash flows	Less than 1 year	Between 1 and 5 years	Over 5 years
	Rupees				
Non-derivative financial liabilities					
Accrued profit on short term financing	216,702,675	216,702,675	216,702,675	-	-
Short term financing - secured	217,063,388	217,063,388	217,063,388	-	-
Creditors, accrued and other liabilities	5,393,017	5,393,017	5,393,017	-	-
Total	439,159,080	439,159,080	439,159,080	-	-

	2025				
	Carrying amount	Contractual cash flows	Less than 1 year	Between 1 and 5 years	Over 5 years
	Rupees				
Non-derivative financial liabilities					
Accrued profit on short term financing	191,085,330	191,085,330	191,085,330	-	-
Short term financing - secured	217,063,388	217,063,388	217,063,388	-	-
Creditors, accrued and other liabilities	8,310,676	8,310,676	8,310,676	-	-
Total	416,459,394	416,459,394	416,459,394	-	-

34.3.1 The contractual cash flows relating to the above financial liabilities have been determined on the basis of markup/ profit rates effective as at the reporting date (and includes both principal and profit payable thereon).

34.4 Operational risks

Operational risk is the risk of direct or indirect loss arising from a wide variety of causes associated with the processes, technology and infrastructure supporting the Modaraba's operations either internally within the Modaraba or externally at the Modaraba's service providers, and from external factors other than credit, market and liquidity risks such as those arising from legal and regulatory requirements and generally accepted standards of investment management behaviour. Operational risks arise from all of the Modaraba's activities.

The Modaraba's objective is to manage operational risk so as to balance limiting of financial losses and damage to its reputation with achieving its objective of generating returns for certificate holders.

The primary responsibility for the development and implementation of controls over operational risk rests with the Board of Directors of the Modaraba Management Company. This responsibility encompasses the controls in the following areas:

- requirements for appropriate segregation of duties between various functions, roles and responsibilities;
- requirements for the reconciliation and monitoring of transactions;
- compliance with regulatory and other legal requirements;
- documentation of controls and procedures;
- requirements for periodic assessment of operational risks faced, and the adequacy of controls and procedures to address the risks identified;
- ethical and business standards; and
- risk mitigation, including insurance where this is effective.

34.5 Capital risk management

The Modaraba's objectives when managing capital are to safeguard the Modaraba's ability to continue its operations in order to provide return for certificate holders and benefits for other stakeholders and to maintain healthier capital ratios in order to support its business and maximize certificate holders value. The Modaraba manages its capital structure and makes adjustments to it, in the light of changes in economic conditions. There were no changes to the Modaraba's approach to capital management during the year and the modaraba is not subject to externally imposed capital requirements.

34.8 Fair value of financial instruments

All financial assets and financial liabilities are initially recognized at the fair value of consideration paid or received, net of transaction costs, as appropriate, and subsequently carried at fair value or amortized cost.

The carrying values of all financial assets and liabilities reflected in financial statements approximate to their fair values. Fair value is determined on the basis of objective evidence at each reporting date.

Fair value estimation

Financial assets which are tradable in open market are revalued at the market prices prevailing on the reporting date. The estimated fair value of all other financial assets and financial liabilities is considered not significantly different from book value.

Fair value hierarchy

Fair value hierarchy categories are described in note 4.18 to the financial statements.

The following table presents the Modaraba's financial assets that are measured at fair value as at the reporting date:

	Level 1	Level 2	Level 3	Total
	Rupees			
Financial assets as at 30 June 2026				
Short term investments (note 8)	21,012,983	-	-	21,012,983
Financial assets as at 30 June 2025				
Short term investments (note 8)	5,775,000	-	-	5,775,000

36 SEGMENT INFORMATION

36.1 As per IFRS 8, operating segments are reported in a manner consistent with the internal reporting used by the chief operating decision-maker. The Chief Executive Officer (CEO) of the Modaraba is identified as the chief operating decision-maker, who is responsible for allocating resources and assessing performance of the operating segments.

36.2 The CEO is responsible for the Modaraba's entire product portfolio and he considers the business as a single operating segment. The Modaraba's asset allocation decisions are based on a single integrated investment strategy and the Modaraba's performance is evaluated on an overall basis.

36.3 The internal reporting provided to the CEO for the Modaraba's assets, liabilities and performance is prepared on a consistent basis with the measurement and recognition principles of approved accounting standards as applicable in Pakistan. The Modaraba is domiciled in Pakistan. All of the Modaraba's income is from investment in entities incorporated in Pakistan. The Modaraba also has a diversified certificate holder population. As at 30 June 2026, there is only one (30 June 2025: one) certificate holder (National bank of Pakistan - the holding company of the Modaraba Management Company) who held more than 10% of the Modaraba's certificate capital. Its holding is 30% (2025: 30%).
