Subject: Clarification Regarding Fake News Circulating on Social Media

Dear Sir,

In compliance with Section 96 of the Securities Act, 2015 and Clause 5.6.1 of the PSX Rule Book, we wish to clarify the following for the information of shareholders, investors and the general public.

It has come to our notice that news is being circulated through social media claiming that the Federal Board of Revenue (FBR) has shut down the operations of Kohinoor Spinning Mills Limited (the "Company") as the Company struggles with integration.

We categorically state that this news is fake, baseless and misleading. No such incident has taken place. The Company has already implemented FBR's Invoice Integration System. Currently, the Company is engaged in trading of yarn only.

The Company views the spreading of such false information seriously, as it may mislead investors and damage the Company's reputation. The Company reserves the right to approach the National Cyber Crime Investigation Agency (NCCIA) and to take legal action under the applicable laws, including the Prevention of Electronic Crimes Act, 2016, against those responsible for creating or spreading such fake news.

Shareholders, investors and the public are advised not to rely on unverified information. Any news about the Company, especially on social media, should first be verified from the Company Secretary before being shared or acted upon.

You are requested to kindly disseminate this information to the TRE Certificate Holders of the Exchange.

Yours faithfully,
For and on behalf of Kohinoor Spinning Mills Limited

Chief Executive Officer
