FINANCIAL RESULTS, BUSINESS REVIEW, AND COMPANY AFFAIRS:

Olympia Mills Ltd was incorporated in Pakistan as a public limited company on October 28, 1960 under the Companies Act, 1913 (Now the Companies Act, 2017), and its shares are quoted on the Pakistan Stock Exchange. The principal line of business is renting/leasing of company's fixed assets. The registered office of the company is situated at H-23/3, Landhi Industrial Area , Landhi Karachi.

For the year under review, the Company posted a net profit after tax of Rs. 33.473 million. The increase in revenue was mainly due to higher income from the provision of amenities, utilities and other services to tenants, with a corresponding increase in costs. By the grace of Allah the Almighty, the Company earned a profit despite a challenging macroeconomic environment characterized by high inflation, an adverse business climate, the effects of the Gulf war, and rising energy costs. Management's continued focus on prudent financial controls and operational efficiency enabled this performance. Given the Company's ongoing recovery phase, the Board has deemed it prudent not to declare a dividend for the year, with priority being given to strengthening the balance sheet.

The Auditor's added an emphasis paragraph for use of going concern by the company in preparing financial statements. The management's use of going concern assumption in the preparation of financial statement is supported by very strong mitigating factors including change of the principal line of business, profitable operations, settlement with bank and creditors & continuous support from directors and sponsors. To support the Company, our directors allowed the company to repay their loan amount at its discretion. This classification of director's loan will turn the equity into positive, which improved the Company's liquidity and solvency position.

PRINCIPAL RISKS AND UNCERTAINTIES FACING THE COMPANY

The Company remains exposed to risks arising from volatile economic conditions, inconsistent government policies, and law-and-order concerns. During FY 2026, Pakistan's economy

experienced severe pressure due to dwindling foreign exchange reserves and record-high inflation. This impacted industry-wide consumption and profitability, particularly due to higher energy tariffs and currency depreciation.

ADEQUACY OF INTERNAL CONTROL

The Board is responsible for maintaining a robust system of internal controls to safeguard the Company's assets, ensure regulatory compliance, and manage risk. The Board is confident that the internal control framework is appropriately designed, implemented, and effectively monitored.

IMPACT OF COMPANY BUSINESS ON THE ENVIRONMENT

The Company is committed to sustainability and responsible business practices. We remain focused on resource conservation, waste management, emission control, and compliance with environmental regulations to ensure that our operations remain environmentally responsible.

FUTURE PROSPECTS & BUSINESS TRENDS/FACTORS AFFECTING COMPANY'S BUSINESS:

The Board remains focused on repaying all outstanding obligations to strengthen the balance sheet including outcomes of legal cases. Once deleveraging is achieved, the Company will be positioned to explore new business opportunities. The challenging economic environment, with persistent inflation and high energy costs, is expected to continue impacting all industries. However, management is committed to navigating these challenges with efficiency and prudence.

SUSTAINABILITY REPORTING

The Company recognizes the growing importance of sustainability-related matters and their increasing relevance to long-term value creation, risk management and stakeholder decision-making. As the Company falls within Phase III of the applicability criteria prescribed by the Securities and Exchange Commission of Pakistan (SECP), it is required to prepare its Sustainability Report for reporting periods beginning on or after 1 July 2027 in accordance with the applicable requirements of the IFRS Sustainability Disclosure Standards.

To strengthen Board oversight and provide focused governance of sustainability-related matters, the Board, at its meeting held on June 30, 2026, assigned responsibility for sustainability-related obligations to the Audit Committee. The Committee will assist the Board in overseeing the Company's sustainability strategy, climate-related risks and opportunities, the sustainability reporting framework, data quality and governance, internal controls, and assurance preparedness.

CORPORATE SOCIAL RESPONSIBILITY:

We believe that the highest standards of corporate behavior in our society are essential to our long-term success. Therefore, your Company actively meets the social responsibilities to the nation. In the field of health the Company conducts medical camps for employees on regular basis and the emphasis remains on the diagnostic and preventive care.

RELATED PARTY TRANSACTIONS

During the year, the Company carried out transactions with its related parties at arm length basis. Details of these transactions are disclosed in notes to financial statements.

GENDER PAY GAP STATEMENT

The Company regularly undertakes an internal analysis to check whether gender pay parity is aligned based on cadres, levels and comparable positions, and makes adjustments to ensure that

women are paid on average the same as men in the same cadres. However currently there is no female employee in the Company.

CORPORATE GOVERNANCE:

The Company has taken all necessary steps to ensure Good Corporate Governance. As part of Compliance of the Listed Companies (Code of Corporate Governance) Regulations, 2019 ("CCG"), the Directors are pleased to state as follows:

- 1- The enclosed financial statements, prepared by the management of the Company present fairly its state of affairs, the result of its operations, cash flows and changes in equity.

مالیاتی نتائج، کاروبار کا جائزہ اور کمپنی کے معاملات:-

اولیسیا ملز کو پاکستان میں ۱۲۸ اکتوبر ۱۹۶۰ کو کمپنی ایکٹ ۱۹۱۳ (اب کمپنیز ایکٹ ۲۰۱۷) کے تحت ایک پبلک لمیٹڈ کمپنی کے طور پر شامل کیا گیا تھا اور اس کے صحتی پاکستان اسٹاک ایکسچینج میں درج ہیں۔ کاروبار کی اصل لائن کمپنی کے مقررہ اثاثوں کو کرائے پر دینا ریز پر دینا ہے۔ کمپنی کا رجسٹرڈ آفس H-23/3، لاٹھی انڈسٹریل ایریا، لاٹھی کراچی میں واقع ہیں۔

زیر نظر سال کے لئے کمپنی نے ٹیکس کے بعد خالص 33,473,331 ملین منافع حاصل کیا۔ آمدنی میں اضافہ بنیادی طور پر کرایہ داروں کی سہولیات، پمپنگ اور دیگر خدمات فراہم کرنے سے حاصل ہونے والی زیادہ آمدنی کی وجہ سے ہوا۔ جس کے ساتھ اخراجات میں بھی اضافہ ہوا۔ اللہ تعالیٰ کے فضل و افاضت، مشکل کاروباری حالات، خلیج جنگ کے اثرات اور بڑھتی ہوئی توانائی کی لاگت کے باوجود منافع حاصل کیا۔ انتظامیہ کے محتاط مالی نگرانی اور آپریشنل کارکردگی پر مسلسل توجہ نے اس کارکردگی کو ممکن بنایا۔ کمپنی کی جاری اور بحالی کے مرحلے کو مد نظر رکھتے ہوئے بورڈ نے اس سال ڈیویڈنڈ ندرینی کا فیصلہ کیا ہے تاکہ بیلنس شیٹ کو مزید مضبوط بنایا جاسکے۔

مزید برآں آڈیٹر نے مالی بیانات تیار کرنے میں کمپنی کی طرف سے تشویش میں اضافے کیلئے زور دینے کا ایک پیراگراف بھی شامل کیا۔ انتظامیہ نے فائنیشل اسٹیٹمنٹ کو جاری رہنے والے ارادے کو ظاہر کیا ہے جس کے تائید بہت مضبوط تحقیق عوامل جیسا کہ کاروبار کے اصولی لکیر میں تبدیلی، بینک تصفیہ سے منافع بخش عمل، قرض دہندگان کے ساتھ منافع بخش آپریشن تصفیہ اور ڈائریکٹرز اور کفیل سے مستقل تعاون شامل ہے۔ کمپنی کی مدد کرنے کیلئے آپ کے ڈائریکٹرز نے کمپنی کو اپنا قرض ادا کرنے کی اجازت اپنی صوابدید پر دی۔ ڈائریکٹرز کے قرض کی پیروی بند کی ایکویٹی کو مثبت میں بدل دیے جس نے کمپنی کو تباہ ہونے اور دیوالیہ ہونے والے پوزیشن کو بہتر کیا۔

کمپنی کے سامنے آنے والے بنیادی خطرات اور غیر یقینی صورتحال:

کمپنی غیر مستحکم معاشی حالات، حکومت کی متغیر پالیسیوں، اور امن و امان کی خدشات سے پیدا ہونے والی خطرات سے دوچار ہے۔ مالی سال ۲۰۲۶ء کے دوران، پاکستان کے گرتے ہوئے زرمبادلہ کے ذخائر اور ریکارڈ بلند افراط زر کی وجہ سے شدید باڈ کا سامنا کرنا پڑا اس نے صنعت کی وسیع کھپت اور منافع کو متاثر کیا، خاص طور پر توانائی کے زیادہ ٹیرف اور کرنسی کے قدر میں کمی کی وجہ سے ہوا۔

انٹرل کنٹرول کی جائزہ:-

کمپنی کے بورڈ نے داخلی کنٹرول کا مضبوط نظام بنایا ہے تاکہ اثاثے محفوظ رہیں، قوانین کی پابندی ہو اور خطرات سے نمٹا جاسکے۔

محولیات کا کمپنی کے کاروبار پر اثر:

کمپنی پائیداری اور ذمہ دار کاروباری طریقوں کے لئے پر عزم ہے۔ ہم وسائل کے تحفظ، فضلہ کے انتظام، اخراج پر قابو پانے، اور ماحولیاتی ضوابط کی تکمیل پر توجہ مرکوز رکھتے ہیں تاکہ یقینی بنایا جاسکے کہ ہمارے کام ماحولیاتی طور پر ذمہ دار ہیں۔

مستقبل کے امکانات اور کاروباری رجحانات کمپنی کے کاروبار کو متاثر کرنے والے عوامل:

بورڈ قرضوں کی ادائیگی پر توجہ دے رہا ہے تاکہ مالی حالت مضبوط ہو اور کمپنی نئے کاروباری مواقع تلاش کرے جس میں قانونی مقدمات کے نتائج بھی شامل ہیں۔ مہنگائی اور توانائی کے بڑھتے ہوئے اخراجات کمپنی کی ترقی میں چیلنج ہیں، مگر انتظامیہ ان کا اہتمام سے مقابلہ کر رہی ہے۔

پائیداری کی رپورٹنگ:

کمپنی پائیداری سے متعلق امور کی بڑھتی ہوئی اہمیت اور طویل مدتی قدر میں اضافے، خطرات کے انتظام اور اسٹیک ہولڈر (SECP) کے فیصلوں میں ان کی اہمیت تسلیم کرتی ہے، چونکہ کمپنی سیکورٹیز اینڈ ایکسچینج کمیشن آف پاکستان میں شامل ہے، اس لئے اس سے ۱ جولائی ۲۰۲۷ یا اس کے بعد شروع ہونے والے فیترقہری کے مقرر کردہ اطلاقی معیار کے پائیداری کے مطابق (IFRS sustainability Disclosure Standards) رپورٹنگ ادوار کے لئے قابل اطلاقی رپورٹ تیار کرنا ہوگی۔ بورڈ کی نگرانی کو مضبوط بنانے اور پائیداری سے متعلق امور کے لئے مؤثر انتظامی نگرانی فراہم کرنے کے لئے بورڈ نے ۲۰۲۶ جون ۲۰۲۶ کو ہونے والے اجلاس میں پائیداری سے متعلق ذمہ داریاں آڈٹ کمیٹی کو سونپ دیں، کمیٹی بورڈ کی کمپنی کی پائیداری کی حکمت عملی، موسمیاتی اور مواقع، پائیداری کی رپورٹنگ کی نظام، ڈیٹا کے معیار اور انتظام، اندرونی کنٹرولز اور یقین دہانی کی تیاری کی نگرانی میں معاونت کرے گی۔

کارپوریٹ سماجی ذمہ داری:

ہمیں یقین ہے کہ ہمارے معاشرے میں کارپوریٹ رویے اعلیٰ ترین معیارات ہماری طویل مدتی کامیابی کے لیے ضروری ہے۔ لہذا آپ کی کمپنی قوم کی سماجی ذمہ داری والے کام کو پورا کر رہی ہے صحت کے شعبے میں کمپنی مستقل مزاجی کے ساتھ صحت کے کیپ کا انعقاد اور تشخیص اور احتیاطی دیکھ بھال پر زور دیتی ہے۔

متعلقہ فریقوں سے لین دین:

سال کے دوران کمپنی نے متعلقہ فریقوں سے لین دین کی ہے۔ لین دین کی تفصیلات مالی بیانات کے نوٹس میں انکشاف کیا گیا ہے۔

جنڈرپے گیپ اسٹیٹمنٹ:

کمپنی باقاعدگی سے یہ جانچنے کے لئے اندرونی تجربہ کرتی ہیں کہ آیا صنفی تنوع کی برابری عہدہ سطحوں اور ناقابل عہدوں کی بنیاد پر منسلک ہے اور اس بات کو یقینی بنانے کیلئے ایڈجسٹمنٹ کرتی ہے کہ خواتین کو واسطہ خاتون ملازم عہدہ مردوں کے برابر تنوع دی جائے۔ تاہم فحالی کمپنی میں کوئی خاتون ملازم نہیں ہے۔

کارپوریٹ گورنس:

کمپنی بہترین کارپوریٹ گورنس کے تمام ضروری اقدامات اٹھاتی ہے۔ درج ذیل کمپنیوں کی تعمیل (کارپوریٹ گورنس کا کوڈ) قانون ۲۰۱۹ء ("CCG") کے حصے دار کی حیثیت سے ڈائریکٹرز حسب ذیل بیان کرنے کے لئے خوش ہیں۔

Independent Auditor's Report

To the members of Olympia Mills Limited on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulation, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of **Olympia Mills Limited** ("the Company") for the year ended 30 June 2026 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements, we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2026.

Independent Auditor's Report to The Members of Olympia Mills Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the annexed financial statements of **Olympia Mills Limited**, which comprise the statement of financial position as at June 30, 2026, and the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information, and other explanatory information and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, statement of profit or loss, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2026 and of the profit and other comprehensive income, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

Without qualifying our opinion, we draw attention to note 1.2 to the financial statements which indicates that the company has reported unappropriated losses of Rupees 499,498,774, the current liabilities exceeded its current assets by Rupees 316,781,967 as of that date. These conditions along with adverse key financial ratios and legal cases against the company indicate the existence of a material uncertainty which may cast significant doubt about the company's ability to continue as a going concern. These financial statements, however, have been prepared on the going concern basis on the assumptions as detailed in aforesaid note.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Following is the key audit matter:

S. No.	Key audit matter	How the matter was addressed in our audit
1.	REVENUE FROM CONTRACTS WITH CUSTOMERS (RENTAL INCOME) (Refer note 3.9 and note 21 to the financial statements) The Company recognizes rental income as revenue at straight line basis over the lease term. The	Our audit procedures amongst others included the following: - Assessed the design, implementation and operating effectiveness of key internal controls involved in revenue recognition. - Understood and evaluated the accounting policy

Company also recognizes service income as revenue which is described in above mentioned notes to the financial statements. During the year, net revenue have increased as compared to previous year. We considered revenue recognition as a key audit matter due to revenue being one of the key performance indicators of the Company and for the year revenue has increased as compared to the last year. In addition, revenue was also considered as an area of significant audit risk as part of the audit process.	with respect to revenue recognition. • Performed testing of revenue on a sample basis with underlying documentation including rental agreements and invoices; • Performed cut-off procedures on sample basis to ensure revenue has been recorded in the correct period; and • Ensured that presentation and disclosures related to revenue are being addressed appropriately.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of the Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Boards of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to the events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provided the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) no zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is **Nouman Arshad, ACA**.

DIRECTOR

CHIEF FINANCIAL OFFICER

OLYMPIA MILLS LIMITED
NOTES TO AND FORMING PART OF THESE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2026

1 THE COMPANY AND ITS OPERATIONS

1.1 STATUS & NATURE OF BUSINESS

The company was incorporated in Pakistan as a public limited company on October 28, 1960 under the Companies Act, 1913, the repealed companies ordinance 1984 (Now the Companies Act, 2017), and its shares are quoted on the Pakistan Stock Exchange. The principal line of business is renting/leasing of company's fixed assets. The geographical location and address of the Company's registered office is as follows:

Business unit	Geographical location
Registered office	H-23/3, Landhi Industrial Area, Landhi Karachi.

- 1.2 The company has earned a profit during year ended June 30, 2026 of Rupees 33,473,331 (June 30, 2025: Profit of Rupees 145,901,413) and as of that date, reported un-appropriated losses of Rupees 499,498,774 (June 30, 2025: Rupees 533,270,630). The current liabilities exceeded its current assets by Rupees 316,781,967 (June 30, 2025: Rupees 355,999,159) as of that date. These conditions along with adverse key financial ratios and legal cases against the company indicate the existence of a material uncertainty which may cast significant doubt about the company's ability to continue as a going concern. However management assesses the reliability of going concern assumption in preparation of these financial statements and concluded that it is still in going concern due to settlement of nearly all bank borrowings, inflows of positive cash flows from business, settlement with creditors and support from associated company and directors / others. To further improved the financial obligations repayment timings, the directors of the Company allow the repayment of their loan at its discretion. Accordingly, these financial statements have been prepared on going concern assumption.

1.3 SIGNIFICANT TRANSACTIONS AND EVENTS AFFECTING THE COMPANY'S FINANCIAL POSITION AND PERFORMANCE

- (i) The businesses operating in Pakistan are impacted by prevalent economic conditions including depleting foreign exchange reserves and high inflation. Management believes that these challenges are due to temporary downfall in the economic situation of the country and Company will continue its operations for the foreseeable future on the basis of the Company's plans and the continued support of the related parties and lenders of the Company.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

– International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and

– Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRS Accounting Standards, the provisions of and directives issued under the Companies Act, 2017 have been followed.

2.2 Basis of measurement

These financial statements have been prepared on the historical cost convention except for certain financial instruments at fair value and employees retirement benefits at present value. In these financial statements, except for cash flows statement, all transactions have been accounted for on accrual basis.

OLYMPIA MILLS LIMITED
NOTES TO AND FORMING PART OF THESE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2026

2.3 Changes in accounting standards, interpretations and pronouncements

2.3.1 Standards, interpretations and amendments to approved accounting standards which became effective during the year

There are certain amendments and interpretations to the accounting and reporting standards which are mandatory for the Company's annual accounting period which began on 1 July 2025. However, these do not have any significant impact on the Company's financial statements except as disclosed in note 4 to these financial statements.

2.3.2 Standards, amendments and interpretations to existing standards that are not yet effective and have not been early adopted by the Company:

		Effective date(annual reporting periods beginning on or after)
IAS 7	Statement of Cash Flows (Amendments)	January 1, 2026
IAS 21	The effects of changes in foreign exchange rates (Amendments)	January 1, 2027
IFRS 7	Financial Instruments: Disclosures (Amendments)	January 1, 2026
IFRS 9	Financial Instruments (Amendments)	January 1, 2026
IFRS 17	Insurance Contracts (Amendments)	January 1, 2027
IFRS 18	Presentation and Disclosure in Financial Statements	January 1, 2027

2.3.3 The management anticipates that, the adoption of the above standards, amendments and interpretations in future periods, will have no material impact on the financial statements other than in presentation / disclosures.

Other than the aforesaid standards, interpretations and amendments, International Accounting Standards Board (IASB) has also issued the following standards and interpretation, which have not been notified locally or declared exempt by the Securities and Exchange Commission of Pakistan (SECP) as at June 30, 2026;

IFRS 1	First-time Adoption of International Financial Reporting Standards
IFRS 20	Regulatory Assets and Regulatory Liabilities
IFRIC 12	Service Concession Arrangement

2.4 Functional and presentation currency

These financial statements are presented in Pak Rupees (PKR or Rupee) which is the Company's functional and presentation currency. All financial information presented in Pakistan Rupees has been rounded to the nearest Rupee.

2.5 Disclosure detailing shariah and conventional elements

During the year, the Securities and Exchange Commission of Pakistan (SECP) has made amendments to the Fourth Schedule to the Companies Act, 2017 whereby certain disclosure requirements have been introduced, which have been presented in note 38 to these financial statements.

2.6 Use of estimates and judgements

The preparation of financial statements in conformity with approved accounting standards, as applicable in Pakistan, requires management to make judgements, estimates and assumptions that affect the application of policies and the reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

OLYMPIA MILLS LIMITED
NOTES TO AND FORMING PART OF THESE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2026

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Judgements made by the management in the application of approved accounting standards, as applicable in Pakistan, that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year.

3 MATERIAL ACCOUNTING POLICY INFORMATION

The material accounting policies set out below have been applied consistently to all periods presented in these financial statements are described below;

3.1 Employee benefits

Post retirement benefits

Defined benefit plans

The Company operates an unfunded gratuity scheme (defined benefit plan) for all its permanent employees who have completed minimum qualifying period of service as defined under the respective scheme. Liability is adjusted annually to cover the obligation and the adjustment is charged to profit or loss. The determination of the Company's obligation under the scheme requires assumptions to be made of future outcomes, the principal ones being in respect of increases in remuneration, expected average remaining working lives of employees and discount rate used to derive present value of defined benefit obligation.

There is risk that the final salary at the time of cessation of service is greater than what the entity has assumed. Since the benefit is calculated on the final salary, the benefit amount would also increase proportionately.

Amounts recognized in the statement of financial position represent the present value of the defined benefit obligation as adjusted for unrecognized actuarial gains and losses and unrecognized past service cost.

Actuarial gains and losses are recognized in comprehensive income for the period in which these arise.

3.2 Taxation

a Levy

The amount calculated on taxable income using the notified tax rate is recognized as current income tax expense for the year in statement of profit or loss. Any excess of expected income tax paid or payable for the year under the Ordinance over the amount designated as current income tax for the year, is then recognized as a levy.

b Current

The charge for current taxation is based on taxable income at the current rates of taxation in accordance with the Income Tax Ordinance, 2001, after taking into account tax credit available, if any.

c Deferred

Deferred tax is accounted for using the statement of financial position liability method in respect of all temporary differences arising between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable income. Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which the deductible temporary differences can be utilized. Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on the tax rates that have been enacted. Deferred tax is charged or credited to profit or loss except to the extent that it relates to items recognised in other comprehensive income or directly in the equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

OLYMPIA MILLS LIMITED
NOTES TO AND FORMING PART OF THESE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2026

Deferred tax assets and liabilities are offset if there is legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity but they intend to settle current tax liabilities and assets on a net basis or these tax assets and liabilities will be realised simultaneously.

The Institute of Chartered Accountants of Pakistan (ICAP) have withdrawn the Technical Release 27 "IAS 12, Income Taxes (Revised 2012)" and issued guidance – "IAS 12 Application Guidance on Accounting for Minimum Taxes and Final Taxes". The said guidance requires taxes paid under minimum tax and final tax regime to be shown separately as a levy instead of showing it in current tax. Company's income is assessed u/s 15 of ITO 2001 and assets are treated as per cost model under IAS 40, hence no defer tax provision is applicable.

3.3 Trade and other payables

Liabilities for trade and other amounts payable are carried at cost which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the Company.

3.4 Provisions

A provision is recognized in the statement of financial position when the Company has a legal or constructive obligation as a result of past event, and it is probable that an outflow of resource embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation.

3.5 Property, plant and equipment

a) Owned

Property plant and equipment except land, Building are stated at cost less accumulated depreciation and impairment loss, if any. Land and Building are classified under Investment Property and followed Cost model under IAS-40. Previously textile Spinning Plant & Machinery was carried at revalued amount. Depreciation is charged on reducing balance method. Depreciation on additions during year is charged on pro-rata basis when the asset is acquired or capitalized. Similarly the depreciation on deletion is charged on pro-rata basis up to the period when the assets is derecognized. The company reviews the rate of depreciation, useful life, residual value of assets for possible impairment on annual basis. Useful lives are determined by the management based on expected usage of assets, expected physical wear and tear, technical and commercial obsolescence, legal and similar limits on the use of the assets and other similar factors. Any change in the estimates in future years might affect the carrying amounts of the respective items of property, plant and equipment with a corresponding affect on the depreciation charges and impairment. Maintenance and normal repairs are charged to income as and when incurred. Major renewals and improvements are capitalized.

b) Capital work in progress

Capital work in progress is stated at cost and represents expenditure on fixed assets in the course of construction and installation. Transfers are made to relevant fixed assets category as and when assets are available for use intended.

c) Impairment of fixed assets

In accordance with IAS 36, assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of these assets may be recoverable. Whenever the carrying amount of these assets exceeds their recoverable amount, an impairment loss is recognized in the statement of profit or loss.

d) Revaluation Surplus

A revaluation surplus is recorded in other comprehensive income (OCI) and credited to the asset revaluation surplus in equity. However, the increase is recorded in the statement of profit or loss to the extent it reverses a revaluation deficit of the same asset previously. A decrease as a result of revaluation is recognized in the statement of profit or loss however, a decrease is recorded in statement of other comprehensive income to the extent of any credit balance entry in revaluation surplus in respect of same assets.

OLYMPIA MILLS LIMITED
NOTES TO AND FORMING PART OF THESE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2026

An annual transfer from the asset revaluation surplus to retained earnings is made for the difference between depreciation based on the revalued carrying amount of the asset and the depreciation based on assets original cost. Additionally, accumulated depreciation as at the revaluation date is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset. Upon disposal, any revaluation surplus relating to the particular asset being sold is transferred to unappropriated profit.

3.6 Trade debts

Trade debts originated by the Company are recognized and carried at original invoice amount less an allowance for any uncollectible amounts. An estimated provision for doubtful debt is made when collection of the full amount is no longer probable. Bad debts are written off as incurred.

3.7 Cash and cash equivalent

Cash in hand, cash at bank and short-term deposits, which are held to maturity, are carried at cost. For the purpose of cash flows statement, cash equivalent are short-term highly liquid instrument that are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in values.

3.8 Financial instruments

All financial assets and financial liabilities are recognized at the time when the Company becomes a party to the contractual provisions of the instruments. All the financial assets are derecognized at the time when the Company loses control of the contractual rights that comprises the financial assets. All financial liabilities are derecognized at the time when they are extinguished that is, when the obligation specific in the contract is discharged, cancelled, or expires. Any gains or losses on de-recognition of the financial assets and financial liabilities are taken to the statement of profit or loss.

(i) Financial assets

Classification

The company classifies its financial assets in the following measurement categories;

- a) Amortized cost where the effective interest rate method will apply;
- b) fair value through profit or loss;
- c) fair value through other comprehensive income.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash follows.

- For assets measured at fair value, gains and losses will either be recorded in statement of profit or loss or other comprehensive income.

-For investments in equity instruments that are not held for trading ,this depends on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income (FVTOCI).

- The Company reclassifies debt investments when its business model for managing those assets changes.

Recognition and derecognition

Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss (FVTPL), transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at FVTPL are expensed out in statement of profit or loss. Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

OLYMPIA MILLS LIMITED
NOTES TO AND FORMING PART OF THESE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2026

Debt Instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

a) Amortized cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. Interest income from these financial assets is included in other income using the effective interest rate method. Any gain or loss arising on derecognition is recognized directly in profit or loss and presented in other operating gains/(losses), together with foreign exchange gains and losses. Impairment losses are presented as separate line item in the statement of profit or loss.

b) Fair value through other comprehensive income (FVTOCI)

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVTOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in profit or loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to statement of profit or loss and recognized in other income/charges. Interest income from these financial assets is included in finance income using the effective interest rate method. Foreign exchange gains and losses are presented in other income/charges and impairment expenses are presented as separate line item in the statement of profit or loss.

c) Fair value through or loss (FVTPL)

Assets that do not meet the criteria for amortized cost or FVTOCI are measured at FVTPL. A gain or loss on a debt investment that is substantially measured at FVTPL is recognized in the statement of profit or loss and presented net within other operating gains/(losses) in the period in which it arises.

De-recognition of financial assets

A financial asset (or, where applicable part of a financial asset or part of a group of similar financial assets) is derecognized when:

- The rights to receive cash flows from the asset have expired
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
 - (a) the Company has transferred substantially all the risks and rewards of the assets, or
 - (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, and has neither transferred nor retained substantially all of the risks and rewards of the asset nor transferred control of the asset, the asset is recognized to the extent of the Company's continuing involvement in the assets. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained. Continuing involvement that takes the form of a guarantee over the transferred asset is measured asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

Effective July 1, 2018, the Company assesses on a forward looking basis the Expected Credit Losses (ECL) associated with its debt instruments carried at amortized cost and FVOCI. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

OLYMPIA MILLS LIMITED
NOTES TO AND FORMING PART OF THESE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2026

Following are financial instruments there are subject to the ECL model:

- Trade debts
- Loans, advances, deposits, prepayments and other receivables
- Short term investments
- Cash and Bank balance

Simplified approach for trade debts

The Company recognizes life time ECL on trade debts, using the simplified approach. The measurement of ECL reflects:

- an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes;
- reasonable and supportable information that is available at the reporting date about past events, current conditions and forecasts of further economic conditions.

Trade debts are separately assessed for ECL measurement. The lifetime expected credit loss are estimated using the Company's historical credit loss experience, adjusted for factors that are specific to the debtors, general economic conditions and an assessment of both the current as well as the forecast direction of conditions at the reporting date, including time value of money where appropriate.

Recognition of loss allowance

The Company recognizes an impairment gain or loss in the statement of profit or loss for all financial instruments with a corresponding adjustment to their carrying amount through a loss allowance account.

Regardless of the analysis above, a significant increase in credit risk is presumed if a debtor is more than 90 days past due in making a contractual payment.

Write off

The company write off financial assets, in whole or in part, when it has exhausted all practical recovery efforts and has concluded there is no reasonable expectation of recovery. The assessment of no reasonable expectation of recovery is based on unavailability of debtor's sources of income or assets to generate sufficient future cash flows to repay the amount.

ii) Financial liabilities

Classification, initial recognition and subsequent

The Company classifies its financial liabilities in the following categories:

- a fair value through profit or loss; and
- Other financial liabilities

The Company determines the classification of its financial liabilities at initial recognition. All financial liabilities are recognized initially at fair value and, in the case of other financial liabilities, also include directly attributable transaction costs. The subsequent measurement of financial liabilities depends on their classification, as follows:

a) At Fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held-trading and financial liabilities designated upon initial recognition as being at fair value through profit or loss. The Company has not designated any financial liability upon recognition as being at fair value through profit or loss.

b) At Amortized cost

After initial recognition, other financial liabilities which are interest bearing are subsequently measured at amortized cost, using the effective interest rate method. Gain and losses are recognized in the statement of profit or loss, when the liabilities are derecognized as well as through effective interest rate amortization process.

OLYMPIA MILLS LIMITED
NOTES TO AND FORMING PART OF THESE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2026

De-recognition of financial liabilities

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liabilities is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognized in the statement of profit or loss.

(iii) Off-Setting financial assets and financial liabilities

Financial assets and liabilities are offset and the net amount is reported in the statement of financial position, if the Company has a legally enforceable right to set off the recognized amounts, and the Company either intends to settle on a net basis, or realize the asset and settle the liability simultaneously. Legally enforceable right must not be contingent on future events and must be enforceable in normal course of business and in the event of default, insolvency or bankruptcy of the company or the counter party.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either;

The principal or the most advantageous market is accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized with the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole;

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2-Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; and
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to their fair value measurement as a whole) at the end of each reporting date.

The Company's management determines the policies and procedures for both recurring fair value measurement and for non-recurring measurement. External valuers may be involved for valuation of significant assets and significant liabilities. For the purpose of fair value disclosures, the Company determines classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above.

OLYMPIA MILLS LIMITED
NOTES TO AND FORMING PART OF THESE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2026

3.9 Revenue recognition

Revenue is recognized to the extent, that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at fair value of the consideration received or receivable, excluding discounts, rebates, and sales tax or duties. The company assesses its revenue arrangements against specific criteria in order to determine if it is acting as a principal or an agent. The Company has concluded that it is acting as a principal in all its revenue arrangements.

The following are the specific recognition criteria that must be met before revenue is recognized:

- i Rental income are recognized at straight-line basis over the lease term except for contingent rental income which is recognized when it arises. Initial direct costs incurred in negotiating and arranging an operating lease are recognized as an expense over the lease term on the same basis as the lease income. Incentives for lease to enter into lease agreements are spread evenly over the lease term, even if the payments are not made on such a basis. The lease term is the non-cancellable period of the lease together with any further term for which the tenant has the option to continue the lease, where, at the inception of the lease, the directors are reasonably certain that the tenant will exercise the option. Amounts received from tenants to terminate leases or to compensate for dilapidations are recognized in the statement of comprehensive income when the right to receive them arises.
- ii The Company is providing building management service to tenants. Such services include maintenance services, security services and provision of utilities. Revenue from these services is recognized over the period when the service to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange of services. Revenue from rendering of services is recognized over the time when the services are rendered to the tenant.
- iii Bank Profits/Interest income is recognized as it occurs using the effective interest rate method.
- iv Revenue from Service income is recognized when service are rendered.

3.10 Derivative Financial Instruments

These are initially recognized at cost and are subsequently premeasured at their fair value. The method of recognizing gain or loss depends on whether the derivative is designated as a hedging instrument and if so, the nature of the item being hedged. Derivatives (Other than designated as hedging instrument) with positive market values (unrealized gains) are included in other assets and derivative with negative market values (unrealized). Losses are included in other liabilities in the statement of financial position. The resultant gain and losses are included in the income currently.

3.11 Borrowing

Borrowings are initially recorded at the proceeds received. In subsequent periods, borrowings are stated at amortized cost using the effective yield method. Finance costs are accounted for on an accrual basis and are shown as accrued finance cost to the extent of the amount remaining unpaid.

3.12 Dividend and appropriation to reserves

The dividend distribution and appropriation to reserves is recognized in the period in which, these are approved.

3.13 Borrowing costs

Mark up, interest and other charges on borrowing are capitalized up to the date of commissioning of the related property, plant and equipment acquired out of the proceeds of such borrowings. All other mark up, interest and other charges are charged to statement of profit or loss.

OLYMPIA MILLS LIMITED
NOTES TO AND FORMING PART OF THESE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2026

3.14 Transactions with related party

Transactions with related parties are priced at comparable uncontrolled market price. All transactions involving related parties arising in the normal course of business are conducted at arm's length using valuation modes, as admissible. Parties are said to be related when they meet the definition as provided in the Companies Act 2017.

3.15 Investment Property

Investment properties are initially recognized at cost and subsequently carried at cost less accumulated depreciation and accumulated impairment losses. Depreciation is calculated using a written down value method to allocate the depreciable amounts over the estimated useful lives. The residual values, useful lives and depreciation method of investment properties are reviewed, and adjusted as appropriate, at each statement of financial position date.

The transfer from owner occupied property to investment property is made when and only when, there is a change in use, evidenced by the end of owner occupation. However when an owner occupied property becomes an investment property because its use has changed, the transfer to the investment property is at its book value. On the date of such transfer, surplus on account of revaluation of property, plant and equipment's remains intact & no transfers from revaluation surplus shall be made to retained earning. Upon disposal, any surplus will directly transferred to retained earnings. However any gain or loss on disposal of investment property (calculated as the difference between the net proceeds from disposal and the carrying amount of the item) is recognized in the statement of profit or loss. Investment properties are subject to renovations or improvements at regular intervals. The cost of major renovations and improvements is capitalized and the carrying amounts of the replaced components are recognized in profit or loss. The cost of maintenance, repairs and minor improvements is recognized in profit or loss when incurred. Rental income from investment property is recognized on straight line basis over the period of tenancy.

3.16 Contingent Liability

The assessment of the contingencies inherently involves the exercise of significant judgment as the outcome of the future events cannot be predicted with certainty. The Company, based on the availability of the latest information, estimates the value of contingent assets and liabilities which may differ on the occurrence / non-occurrence of the uncertain future events.

3.17 Earning per share

The company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the company by the weighted average number of shares outstanding during the year. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares.

3.18 Capital Management

The company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The board of directors monitors the return on capital and level of dividends to ordinary shareholders. The company seeks to keep a balance between the higher return that might be possible with higher level of borrowings and the advantages and security afforded by a sound capital position. There were no changes in the company's approach to capital management during the year. Further, the company is not subject to externally imposed capital requirements.

9.6.1 As a matter of prudence, the company has recognized a provision of estimated infrastructure cess liability in light of Supreme Court Judgement. The demand from ETO remain unreconciled since 2011 as ETO fails to provide breakup of demand. Also company's claim of Rs. 12,021,533 remain unattended by ETO which related to cess declared illegal by supreme court from 1994 to 2006. In the recent April 2021 Judgement of Sindh High Court, the Company as a matter of precaution take order for leave to appeal and the honorable Court directed the Sindh Government not to encash any bank guarantee.

10.1 This loan is unsecured, interest free and repayable on demand and obtained to meet working capital requirements.			
11 CONTINGENCIES AND COMMITMENTS			
11.1 Contingencies			
11.1.1 The Company has filed ICA No. 953 of 2013 before the Honorable Islamabad High Court against the judgement dated 22.07.2013 passed in W.P. No 3076 of 2013 for imposition of regulatory duty on its export of yarn. The court has granted interim stay order in favor of the company and allowed export of yarn without regulatory duty against post dated cheques. The unpaid amount of regulatory duty was Rs. 24,000,000.			
11.1.2 The Company's sales tax registration was suspended by FBR on alleged purchases from blacklisted suppliers in 2021. Despite evidence of compliance and a pending revision application, FBR imposed a liability of Rs. 25,326,000. The Company paid Rs. 11,000,000 under protest with post-dated cheques for the balance, after which FBR de-suspended the registration but treated the payment as voluntary. Subsequent to the financial position date the Company has filed a suit CP No. 3886 of 2025 in the Sindh High Court, obtained a Stay Order directing FBR not to encashed further cheques. The matter is pending adjudication.			
11.1.3 In year 2016 the company won the case against a foreign customer who had filed a suit for \$ 1,734,000 in year 2014 against the company for non delivery of goods against advance payment and requested the court to windup the company for recovery of the amount. At that time in 2015 the company also filed a counter claim in Sindh High Court through Suit No 945 of 2015 against the foreign buyer for \$ 1,830,000 due to non performance on part of customer for non opening of L/Cs and other non compliances. During the year the Sindh High Court transfers the case to Civil Court which is still pending.			
11.2 Commitments			
11.2.1 Cross corporate Guarantee issued in favor of M/s Olympia Power Generation, associated company, amounting to Rs. 32,500,000 (June 30, 2025 Rs.32,500,000) to Sui Southern Gas Company Ltd for supply of gas.

32 FINANCIAL INSTRUMENTS AND RELATED DISCLOSURES

The board of directors has overall responsibility for the establishment and oversight of company's risk management framework. The board is also responsible for developing and monitoring the company's risk management policies.

32.1 Credit risk

32.1.1 Exposure to credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the long term deposits, trade debts, loans and advances, short term investments and cash and bank balances. Out of total financial assets of Rs.100,952 million (June 30, 2025 : Rs. 92,020 million), financial assets which are subject to credit risk aggregate to Rs.100,950 million (June 30, 2025 : Rs.92,018 million). The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date is as follows:

	NOTE	JUNE 30, 2026 RUPEES	JUNE 30, 2025 RUPEES

	12,180,706	7,024,560

32.2 Liquidity risk

Liquidity risk is the risk that the company will not be able to meet its financial obligations as they fall due. The company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damages to the company's reputation. The following are the contractual maturities of financial liabilities, including interest payments and excluding the impact of netting agreements.

32.2.1 The contractual cash flows relating to the above financial liabilities have been determined on the basis of mark up rates effective as at June 30, 2026. The rates of mark up have been disclosed in relevant notes to these financial statements.

32.3 Market risk

Market risk is the risk that the value of the financial instrument may fluctuate as a result of changes in market interest rates or the market price due to a change in credit rating of the issuer or the instrument, change in market sentiments, speculative activities, supply and demand of securities, and liquidity in the market. The company is exposed to currency risk and interest rate risk only.

32.3.1 Currency risk

Exposure to currency risk

The company is not exposed to currency risk presently.

32.3.2 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Majority of the interest rate exposures arises from short and long term borrowings from bank and term deposits with banks. At reporting date the interest rate profile of the company's interest bearing financial instrument is as follows.

Fixed rate instruments

Financial assets

-	-

Financial liabilities

Fair value sensitivity analysis for fixed rate instruments

The company does not account for any fixed rate financial assets and liabilities at fair value through profit or loss. Therefore, a change in interest rates at reporting date would not affect statement of profit or loss.

Cash flow sensitivity analysis for variable rate instruments

A change of 100 basis points in interest rates at reporting date would have increased / (decreased) equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency rates, remain constant. The analysis is performed on the same basis for June 30, 2026.

	Profit or loss

The effective rate of interest / mark up for the monetary financial assets and liabilities are mentioned in respective notes to the financial statements.

33 CAPITAL RISK MANAGEMENT

Capital risk management The Company's objectives when managing capital are to ensure the Company's ability not only to continue as a going concern but also to meet its requirements for expansion and enhancement of its business, maximize return of shareholders and optimize benefits for other stakeholders to maintain an optimal capital structure and to reduce the cost of capital. In order to achieve the above objectives, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares through bonus or right issue or sell assets to reduce debts or raise debts, if required.

34 MEASUREMENT OF FAIR VALUES

The expected gratuity expense for the year ending June 30, 2027 works out to Rs.816,649/-

The estimated fair value of all financial assets and liabilities is considered not significantly different from book values as the items are either short - term in nature or reprised periodically. International Financial Reporting Standard 13, 'Fair Value Measurements' requires the company to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

(i) quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);

(ii) inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices) (level 2); and

(iii) inputs for the asset or liability that are not based on observable market data (unobservable inputs) (level 3).

The level in the fair value hierarchy within which the fair value measurement is categorized in its entirety shall be determined on the basis of the lowest level input that is significant to the fair value measurement in its entirety. Currently there are no financial assets or financial liabilities which are measured at their fair value in the statement of financial position.

Certain categories of operating fixed assets (land and buildings) are carried at revalued amounts (level 2 measurement) determined by a professional valuer based on their assessment of the market values.

35 GENDER PAY GAP

The Company regularly undertakes an internal analysis to check whether gender pay parity is aligned based on cadres, levels and comparable positions, and makes adjustments to ensure that women are paid on average the same as men in the same cadres. However currently there is no female employee in the Company.
