In accordance with Sections 96 and 131 of the Securities Act, 2015, and Clause 5.6.1 of the PSX Rule Book, Quantum Data Technologies Limited (the "Company") is pleased to announce a significant milestone in its financial restructuring and corporate transformation.

The Company has successfully completed the full and final settlement of its outstanding banking liabilities with both The Bank of Punjab and Habib Metropolitan Bank Limited. This landmark development represents a major step in the Company's financial rehabilitation and marks the successful resolution of its legacy banking obligations.
