Subject: Material Information – Strategic Collaboration with Great Power, China

Dear Sir,

In accordance with Section 96 of the Securities Act, 2015 and Clause 5.6.1(a) of the PSX Regulations, Quantum Data Technologies Limited ("QTECH") is pleased to announce the signing of a Strategic Cooperation and Market Development Framework Agreement with Guangzhou Great Power Energy & Technology Co., Ltd., China. Great Power is a leading Chinese energy technology company specializing in advanced lithium batteries and energy storage solutions. The company is listed on the Shenzhen Stock Exchange (Stock Code: 300438), with an approximate market capitalization of US\$ 4 billion as of October 13, 2026.

Under this collaboration, QTECH intends to introduce and progressively undertake local assembly of advanced lithium-based battery energy storage systems, including residential and commercial battery packs, industrial and utility-scale energy storage systems, and solutions for data centers, AI infrastructure, EV batteries infrastructure and other energy-intensive applications.

As an Data and AI-driven technology company, QTECH considers reliable energy supply and energy security essential to Pakistan's technological advancement. This initiative represents an important step in its broader strategy to develop innovative technology ventures and create long-term shareholder value.

Further material developments will be disclosed in accordance with applicable regulations.

You are requested to disseminate the above information to all concerned.

Yours faithfully,

For Quantum Data Technologies Limited

Khawaja Muhammad Kaleem

Director
