PIONEER CEMENT

November 03, 2026

The General Manager
Pakistan Stock Exchange Limited
Stock Exchange Building,
Stock Exchange Road,
KARACHI-74000

Dear Sir,

MATERIAL INFORMATION

In compliance with Sections 96 and 131 of the Securities Act, 2015 and Clause 5.6.1(a) of the Pakistan Stock Exchange Regulations, we are pleased to inform that Pioneer Cement Limited has successfully completed and energized its 28.265 MW Solar Power Plant at its manufacturing facility in Chenki, District Khushab, Punjab. The project capacity has subsequently been enhanced from 28.265 MW to 31 MW, with the additional capacity expected to be energized within the next month.

With the commissioning of this solar project, environmentally sustainable power sources are expected to now meet approximately 45% of the Company's annual power requirements.

This milestone is expected to significantly reduce power costs, improve operational efficiency and contribute positively to the Company's profitability and sustainability objectives.

You may please inform the TRE Certificate Holders of the Exchange accordingly.

Yours faithfully,
for PIONEER CEMENT LIMITED

TALHA SAIF
Company Secretary
