Subject: **Disclosure of Material Information**

Dear Sir,

In accordance with Section 96 of the Securities Act, 2015 and Clause 5.6.1(a) of PSX Regulations, we hereby convey the following information:

Further to the Company's Material Information Notice dated July 23, 2026, regarding the approval of its electric bike manufacturing project under its own brand, "AirV", Air Link Communication Limited (the "Company") is pleased to announce that the official launch of "AirV" is scheduled to be held today, November 4, 2026, in Lahore. This marks the Company's strategic entry into Pakistan's electric vehicle industry.

"AirV" debuts with 11 models across six series, featuring contemporary design and technology-led features, including cruise control, regenerative battery technology, NFC functionality and anti-theft features, with model-specific ranges of up to 200 kilometers.

The project is being implemented at the Company's manufacturing facility in Sundar Green Special Economic Zone (SGSEZ), Lahore, and represents a significant milestone in the Company's business diversification strategy, leveraging its established manufacturing capabilities and nationwide distribution network to expand into electric mobility.

Through "AirV", the Company aims to develop a scalable mobility business catering to both individual and enterprise customers.

You may please inform the TRE certificate holders of the exchange accordingly.

Yours Sincerely,

Amer Latif
Company Secretary
