History

The history of Ali Group dates back to pre-independence days, when the highly dynamic personality of Sir Syed Maratib Ali envisioned the importance of trade and industry in the sub-continent. He expanded his agricultural business into trading and industrial partnerships. Soon after the independence of Pakistan in 1947, business activities were further developed as an industrial conglomerate know as Treet Corporation and its associated companies.

Corporate Social Responsibility

Contribution in: Diversity & Inclusion and Sustainability

A commitment that lasts

A long-standing commitment to providing meaningful employment for individuals with special physical and intellectual needs, an initiative that has spanned decades, fostering an inclusive and equitable workplace.

Environmental Responsibility

Maintaining a vital ‘urban lung’ in the heart of a bustling industrial estate. Through tree plantations and sustainable practices, Treet actively works to reduce its environmental impact.

Empowerment at the grassroots

Approximately 20% of the manufacturing workforce are women, primarily on the factory floor, enhancing economic participation and supporting financial independence through stable employment.

Sustainable Energy

At Treet, we utilise renewable energy through solar panels and conducting regular tree plantation initiatives across our locations, we actively contribute to a cleaner world and the preservation of precious natural resources for future generations.

Corporate Social Responsibility

Contribution in: Social Impact

Oxford University Partnership

We proudly support the prestigious Oxford Pakistan Programme, fostering strong ties and empowering talented Pakistanis to pursue education at Oxford University. This initiative reflects our commitment to building bridges and nurturing future leaders.

Expanding Healthcare Access

Our dedication to healthcare is reflected in our collaboration with Liaquat National Hospital, a leading tertiary care facility with over 700 beds, working together to provide accessible, reliable medical care and improve lives.

Investing in the next generation

Supporting educational initiatives at leading institutions like NUST and Beaconhouse, providing resources and opportunities to nurture future leaders and innovators.

Community Support

Treet's CSR initiatives include funding and maintaining a bus stop near our office, enhancing public transportation accessibility and supporting the well-being of our local community.

First Treet Manufacturing Modaraba

Financial Performance

Packaging Solutions & Soaps

History

The Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 gave rise to First Treet Manufacturing Modaraba on 27 July 2005. Management sits with Treet Holdings Limited, a subsidiary of Treet Corporation Limited, and the certificates trade on the Pakistan Stock Exchange. Corrugated boxes and soaps were its founding businesses. A Daewoo battery plant at Faisalabad joined the Modaraba in 2018 and was later de-merged into Treet Battery Limited. Today the Modaraba focuses on two segments: Packaging Solutions in Lahore and Soaps at Ghakkar Mandi, Gujranwala.

FTMM Responsible Business

Solar Installation Initiative

Marking an important milestone for sustainable manufacturing, Chairman Syed Shahid Ali inaugurated the 1 MW solar power plant at Packsol, an FTMM business. As a subsidiary of Treet Corporation, FTMM continues to advance renewable energy initiatives and strengthen its commitment to sustainable manufacturing.

FTMM Profitability Ratios

COMMENTARY

Liquidity ratios improved in the current year as a whole due to good management of receivables and creditors. Also FTMM is having steady profitability over the years.

FTMM FY26 Wrap-up

Revenue and gross profit grew, but higher operating costs and working-capital investment limited operating leverage.

Resilient Bottom Line

Rs 120M net profit delivered despite an extremely tough, competitive market: revenue up 10% and gross profit up 14%.

Packsol's Revival

Corrugation segment crossed Rs 3bn in net sales for the first time in its history, with operating profit up 76%.

Soap Under Margin Pressure

Soap grew revenue 7%, but operating profit fell 20% as admin and selling costs outpaced sales.

FY27 Outlook

Continued Growth Momentum

Further revenue growth targeted across Packsol and Soap, building on FY26's Rs 4,162M.

Minimal Leverage Advantage

Modaraba's largely debt-free balance sheet remains a core strength.

Margin Recovery Focus

Cost efficiency and pricing discipline in Soap, alongside continued working capital management in Packsol, are key FY27 priorities.
