History

The history of Ali Group dates back to pre-independence days, when the highly dynamic personality of Sir Syed Maratib Ali envisioned the importance of trade and industry in the sub-continent. He expanded his agricultural business into trading and industrial partnerships. Soon after the independence of Pakistan in 1947, business activities were further developed as an industrial conglomerate know as Treet Corporation and its associated companies.

Corporate Social Responsibility

Contribution in: Diversity & Inclusion and Sustainability

A commitment that lasts

A long-standing commitment to providing meaningful employment for individuals with special physical and intellectual needs, an initiative that has spanned decades, fostering an inclusive and equitable workplace.

Environmental Responsibility

Maintaining a vital ‘urban lung’ in the heart of a bustling industrial estate. Through tree plantations and sustainable practices, Treet actively works to reduce its environmental impact.

Empowerment at the grassroots

Approximately 20% of the manufacturing workforce are women, primarily on the factory floor, enhancing economic participation and supporting financial independence through stable employment.

Sustainable Energy

At Treet, we utilise renewable energy through solar panels and conducting regular tree plantation initiatives across our locations, we actively contribute to a cleaner world and the preservation of precious natural resources for future generations.

Corporate Social Responsibility

Contribution in: Social Impact

Oxford University Partnership

We proudly support the prestigious Oxford Pakistan Programme, fostering strong ties and empowering talented Pakistanis to pursue education at Oxford University. This initiative reflects our commitment to building bridges and nurturing future leaders.

Expanding Healthcare Access

Our dedication to healthcare is reflected in our collaboration with Liaquat National Hospital, a leading tertiary care facility with over 700 beds, working together to provide accessible, reliable medical care and improve lives.

Investing in the next generation

Supporting educational initiatives at leading institutions like NUST and Beaconhouse, providing resources and opportunities to nurture future leaders and innovators.

Community Support

Treet's CSR initiatives include funding and maintaining a bus stop near our office, enhancing public transportation accessibility and supporting the well-being of our local community.
