VSAVE ALHAMRA

Overview

2000
MCB Investment Management Limited was incorporated in the name of Arif Habib Investment Management Limited (AHIML) on August 30, 2000

2002
AHIML launched its first two funds Pakistan Income Fund and Pakistan Stock Market Fund.

2008
In the year 2008 AHIML was listed on Pakistan Stock Exchange Limited and was renamed as "Arif Habib Investments Limited (AHIL)"

2011
A transfer agreement was signed between Arif Habib Corporation Limited (AHCL) and MCB Bank Limited for the transfer of entire business of MCB AMC to AHIL.
Pursuant to the merger of MCB AMC with and into AHIL, the name of AHIL was changed to "MCB - Arif Habib Savings and Investments Limited (MCB-AHSIL)" in 2013.

2023
During the year ended June 30, 2023 MCB Bank Limited acquired the entire shareholding of AHCL in MCB-AHSIL after which the shareholding of MCB Bank Limited increased from 51.33% to 81.42% and was subsequently renamed as "MCB Investment Management Limited (MCBIM)"

Growth Drivers for MCBIM

To expand into real estate and alternative investments, MCBIM has applied for **REIT Management** and **Private Fund Management** licenses. This will diversify its revenue and widen options beyond traditional mutual funds.

Federal Government and Provincial Government have authorized MCBIM to launch both Conventional and Islamic Contributory Pension Schemes. Moreover, the Company plans to launch dedicated distributor specific Conventional and Islamic Pension Fund**.**

To give investors diversified exposure to equities MCBIM plans to launch its **ETF**. Moreover, as a hedge against inflation and currency depreciation, MCBIM plans to launch a **Gold Fund** through PMEX.

In FY2026-27, the Company launched **financial and energy sector equity funds** for investors who want targeted equity exposure, improving its product mix and diversifying its revenue streams.

Key business risks

01 Market & Investment

- **Market downturns:** fees track AUM, so decrease in AUMs directly impact revenue
- **Underperformance:** lagging benchmarks drives redemptions
- **Rates & credit:** defaults in fixed income and money market funds hit returns and reputation

02 Liquidity

- **Redemption pressure:** heavy outflows in stressed markets force asset sales at a loss

03 Business & Strategic

- **Fee compression:** AUM shifting to low-fee money market and income funds and ETFs

04 Technology & Cyber

- **Cyberattacks:** ransomware, data breaches and phishing aimed at investor data

05 Regulatory & Compliance

- **AML/KYC failures:** onboarding high-risk investors without proper due diligence

06 Macroeconomic & Country

- Currency devaluation and inflation eroding real returns
- Political instability and policy unpredictability
- Sovereign credit stress on government securities holdings
- Capital controls and limits on foreign investment
- High interest rates pulling money into bank deposits and government securities, away from equity funds
- Global Oil Price Volatility and Inflationary Pressures
