Dear Sir,

We refer to your letter # Gen-1432- dt July 22, 2022 on the captioned subject. In this connection, we wish to inform you that due to huge losses beared by the company in previous few years, the company has released all the staff at registered head office and factory. Further the company has reduced substantial working strength at mill and registered head office. In the best interest of members, the company has cutdown substantial administrative cost and working with minimum working force. Therefore, in the current financial situation, the company is unable to comply the requirement of regulation 24 of the listed companies.

Thanking you and assuring best cooperation at all times.
