To the members of STANDARD INSURANCE COMPANY LIMITED Report on review of Interim Financial Statements

Introduction

We were engaged to review the accompanying condensed interim statement of financial position of **Standard Insurance Company Limited** (the Company) as at June 30, 2022 and the related condensed interim statement of profit or loss and other comprehensive income, condensed interim statement of cash flows, condensed interim statement of changes in equity and notes to the condensed interim financial statements for the six-month period then ended (here-in-after referred as the 'Condensed Interim Financial Statements'). Management is responsible for the preparation and presentation of this interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this condensed interim financial information based on our review. However, because of the matters described in the Basis for Disclaimer of Conclusion paragraph, we were not able to obtain sufficient appropriate evidence as a basis for expressing a conclusion on the financial statements.

Scope of Review

We were required to conduct our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis of Disclaimer of conclusion

- 1. As at the reporting date, accumulated loss of the Company is Rs. 51,614 million (December 31, 2021: Rs. 50.429 million) as against the share capital of Rs. 10.00 million (December 31, 2021: Rs. 10.00 million) and current liabilities of the Company exceed its current assets by Rs. 4.236 million (December 31, 2021: Rs. 3.325 million). These conditions along with other matters described in Note 1.3 of these condensed interim financial statements, indicate the existence of material uncertainty that may cast significant doubt about the company's ability to continue as a going concern and also discusses the reasons for preparing the condensed interim financial report on going concern basis.
- 2. As disclosed under head 'Insurance / Re-insurance payable' to the condensed interim financial statements, the Company has recorded a liability of Rs. 3.27 million (2021: Rs. 3.27 million) which is outstanding for a number of years. Based on our review procedures, we were unable to determine whether any adjustments might haved been found necessary in respect of the related balance and disclosure in the condensed interim financial statements.

3. As disclosed under head 'Retirement benefit obligation' to the condensed interim financial statements, the Company has recorded a liability of Rs. 12,530 million (2021: Rs. 12,530 million). Based on our review procedures, we are unable to determine whether any adjustment might have been found necessary in respect of the related balance and disclosure in the condensed interim financial statements.

Disclaimer of Conclusion

Due to the significance of the matters described in the Basis for Disclaimer of Conclusion paragraph, we were unable to obtain sufficient appropriate evidence to form a conclusion on the accompying condensed interim financial information as at June 30, 2022. Accordingly, we do not express a conclusion on these financial statements.

Other matter

The figures of the condensed statement of profit or loss and other comprehensive income for the quarters ended June 30, 2022 and 2021 have not been reviewed as we required to review only the cumulative figures for the six months period ended June 30, 2022.
