Under an Agreement to Transfer Management Rights, the erstwhile PICIC transferred the Management Rights of PGF to its wholly-owned subsidiary, PICIC AMC.

Pursuant to compliance with Regulation 65 of the NBFC Regulations, all Closed End Funds were required to be converted into Open End Schemes upon expiry of five years from November 21, 2007 i.e. by November 21, 2012. Closed End Funds whose portfolios were frozen as a result of a Consent Agreement with Government of Pakistan (**GOP**) through Privatization Commission (**PC**) were allowed to be converted into Open End Schemes within three months from the date of the removal of the freezing of the portfolios. Since PGF still has Frozen Portfolio, it was not converted into an Open End Scheme in accordance with Regulation 65 of NBFC Regulations.

The erstwhile PICIC AMC was merged into HBL AML vide the SECP's Sanction Order dated August 31, 2016, which contain certain conditions imposed by the SECP while sanctioning the Scheme of Merger of PICIC AMC with and into HBL AML, including the condition contained in Clause 6.xiii of the Sanction Order requiring HBL AML to convert PGF into an Open End Scheme, with bifurcation of two classes of Units i.e. Class-A Units representing the Frozen Portfolio and Class-B Units representing the Unfrozen Portfolio.

The Board of HBL AML in its meeting held for this purpose on February 24, 2017 approved the Conversion Plan and decided to proceed with the conversion of PGF into an Open End Scheme with the approval of the Certificate Holders of PGF under the provisions of the NBFC Regulations. For this purpose, the attached Conversion Plan will be placed before the Certificate Holders of PGF in the General Meeting ("**Meeting**") of the Certificate Holders of PGF, whereat the resolution is proposed to be passed by a simple majority of the Certificate Holders present in the Meeting (in person or through post and proxies) who would be entitled to vote thereat ("**Resolution**") for approving the conversion of the Fund from a Closed End Scheme to an Open End Scheme in accordance with the Conversion Plan.

After the passing of the Resolution, a formal application will be made to the SECP for its final approval of the conversion in terms of the Conversion Plan and the Resolution.

The initial Units issued to the Certificate Holders of the Fund upon its conversion into an Open End Scheme shall not be subject to any Front End Load. However, Back End Load will be charged on redemption of Class-A Units and redemption of Class-B Units as mentioned in Article V.1(iv) and (v) of the Conversion Plan.

Upon conversion, the prices of the Units of the Open End Scheme will not be quoted at the Pakistan Stock Exchange and all issuance and redemption of Units shall be made on NAV basis by direct submissions of applications for purchase of Units and applications for redemption of Units to Management Company and its distributors in accordance with the terms contained in the Offering Document to be prepared and published by the Management Company.

CDC will continue to act as the Trustee of the Open End Scheme to be known as *HBL Growth Fund*.

HBL AML shall continue to be the Management Company of HBL Growth Fund as an Open End Scheme. The Management Company shall execute a Restated Trust Deed with the Trustee with the approval of the SECP and get the same registered with the Sub-Registrar. The Management Company shall get HBL Growth Fund as an Open End Scheme registered with the SECP as a Notified Entity under the NBFC Regulations and prepare and publish an Offering Document after seeking approval from the SECP. The Management Company shall also execute such other documents and deeds, as may be required for smooth conversion of the Fund into an Open End Scheme, obtain and fulfill all regulatory compliances, including approval from the SECP and fulfill, effectuate and do all such other acts, things and deeds.

The Restated Trust Deed shall contain all requisite terms and conditions applicable to an Open End Scheme with two Classes of Units i.e. Class-A Units and Class-B Units, as defined in Conversion Plan.
