REVIEW REPORT ON THE STATEMENT OF COMPLIANCE CONTAINED IN LISTED COMPANIES (CODE OF CORPORATE GOVERNANCE) REGULATIONS, 2017

To the members of Apollo Textile Mills Limited

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2017 (the Regulations) prepared by the Board of Directors of Apollo Textile Mills Limited (the Company) for the year ended June 30, 2018 in accordance with the requirements of regulation 40 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions and also ensure compliance with the requirements of section 208 of the Companies Act, 2017. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out procedures to assess and determine the Company's process for identification of related parties and that whether the related party transactions were undertaken at arm's length price or not.

Based on our review, we are unable to express any comments that the Company's records reflect the Company's compliances in all material respects with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2018.

INDEPENDENT AUDITORS' REPORT

To the Members of Apollo Textile Mills Limited

Report on the Audit of the Financial Statements

Opinion

We were engaged to audit the annexed financial statements of **Apollo Textile Mills Limited** (the Company), which comprise the statement of financial position as at June 30, 2018, and the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

We do not express an opinion on the accompanying financial statements of the Company. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

Basis for Disclaimer of Opinion

1. The company has stopped its operations since the closing of financial year 2014 and during the year ended June 30, 2018 the company sustained after tax loss of Rs. 78.731 million and its accumulated losses stood at Rs. 144.582 million. These events indicate a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern and therefore the Company may be unable to realize its assets and discharge its liabilities in the normal course of business. The financial statements have been prepared on going concern basis but, in our opinion, management's use of going concern assumption in the financial statements is inappropriate.
2. As disclosed in note 15.1 and 15.2 of the financial statements where it has been mentioned that the stocks of raw cotton and cotton yarn was misappropriated by the banks and their muqaddams amounting to Rs 298,517,457 and Rs 985,083,102 respectively which were pledged with various financial institutions. The company has filed suits against them in the Honorable High courts for the recovery of value of misappropriated stocks as disclosed in the aforesaid note. We would also like to draw your attention towards note 12.1.1 to 12.1.8 which describes the matters relating to the stocks and the pending suits filed by and against the company.
3. We have sent various confirmations to banks/financial institutions and legal advisors for the confirmation of long term finances, margin on bank guarantees, liabilities against assets subject to finance lease, short term finances, bank balances and contingencies and commitments reported in the financial statements. However we did not receive any replies from them.
4. The company has not charged finance cost on long term finances, short term finances and finance lease obtained from banks / financial institution and also the current maturity of long term finances has not been made in the financial statements by the company.

5. The company is following revaluation model to value land & buildings and plant and machinery as per the requirements of IAS 16. However, the company has not carried out any revaluation since May 31, 2005. Further, the recoverable amount of surplus on revaluation of fixed assets is dependent upon continued operation of the Company.
6. The company is operating an unfunded gratuity scheme and is following actuarial valuation to calculate provision as per requirement of IAS- 19. However, the company has not carried out actuarial valuation since June 30, 2009.
7. We were unable to obtain appropriate evidence as to the most of the assets and liabilities.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of

Elm

accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

Because of the significance of the matters discussed above in *Basis for disclaimer of Opinion* paragraph, we are unable to form an opinion as to whether:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) no zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

Other Matter(s)

The financial statements of the Company for the year ended June 30, 2017 were audited by another firm of chartered accountants; whose report dated October 08, 2017 disclaimed opinion on those financial statements.

The engagement partner on the audit resulting in this independent auditors' report is Hussaini Fakhruddin.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

3.1 Staff Benefits

3.1.1 Defined benefit plan - Gratuity Scheme

The Company operates an unfunded gratuity scheme for all its employees. These benefits are payable to employees on completion of prescribed qualifying period of service under the scheme.

Liability in respect of gratuity payable to employees has been fully provided for in these accounts on the basis of actuarial valuation and is charged to profit and loss account.

Actuarial gain and losses are recognised as per the recommendation in actuarial valuation report. The most recent valuation was carried out as of June 30, 2009.

3.2 Leases

Leases are classified as finance lease whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases. Assets held under finance leases are recognized as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as liabilities against assets subject to finance lease. The liabilities are classified as current and long-term depending upon the timing of payment. Lease payments are apportioned between finance charges and reduction of the liabilities against assets subject to finance lease so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged to profit and loss account, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company.

3.3 Trade And Other Payables

Liabilities for trade and other amounts payable are carried at cost which is the fair value of the consideration to be paid in future for goods and services received whether billed to the Company or not.

3.4 Taxation

3.4.1 Current

Provision for current taxation is based on taxable income for the year at the current rates of taxation after taking into account tax credits and rebates available, if any, or minimum taxation at the rate of one percent of the turnover whichever is higher. However, for income covered under final tax regime, taxation is based on applicable tax rates under such regime.

3.4.2 Deferred

Deferred tax is recognized using the balance sheet liability method, providing for all the temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. In this regard, the effects on deferred taxation of the portion of income subject to final tax regime is also considered in accordance with the requirement of Technical Release-27 of Institute of Chartered Accountants of Pakistan.

Deferred tax liabilities are recognized for all temporary differences. A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which temporary difference can be utilized. Deferred tax asset are reviewed at each reporting date and are reduced to the extent that is no longer probable that the related tax benefits will be realized.

3.5 Property, Plant And Equipment

3.5.1 Owned

These are stated at cost / revalued amounts less accumulated depreciation. Depreciation is charged to profit and loss account applying the reducing balance method at the rates specified in fixed assets except for land, building and plant and machinery, which are stated at revalued amount. An amount equal to the incremental depreciation charged during the year net of deferred tax on revalued assets is transferred from the surplus on revaluation of fixed assets to unappropriated profit.

Depreciation is charged from the date the asset is put into operation and discontinued from the date the asset it is retired.

Gains or losses on disposal of items of property, plant and equipment are dealt through the profit and loss account. Normal repair and maintenance are charged to expenses as and when incurred. Major renewals and replacements are capitalized and the assets so replaced, if any, are retired.

3.5.2 Capital work in progress

Capital work-in-progress is stated at cost. All expenditures connected to the specific assets incurred during installation and construction period are carried under capital work-in-progress. These are transferred to specific assets as and when assets are available for use.

3.5.3 Leased

Leased assets are depreciated over their expected useful lives on the same basis as owned assets.

HA

3.5.4 Impairment of asset

The carrying amount of the company's assets are reviewed at each balance sheet date to identify circumstances indicating concurrence of impairment loss or reversal of previous impairment losses. If any such indications exist, the recoverable amounts of such assets are estimated and impairment losses or reversal of impairment losses are recognized in the profit and loss account. Reversal of impairment loss is restricted to the original cost of the asset.

3.6 Stores and spares

Stores and spares are valued at lower of cost and net realizable value less allowance for the obsolete and slow moving items. Cost is determined using moving average method.

Provision for obsolete and slow moving stores, spares and loose tools is determined based on management's estimate regarding their future usability.

Items in transit/bond are valued at cost comprising invoice value plus other charges incurred thereon upto the balance sheet date.

Net realizable value signifies the estimated selling price in the ordinary course of business less the estimated costs necessary to be incurred to make the sale.

3.7 Stock in trade.

Stock in trade is valued at the lower of cost and net realizable value

Cost incurred in bringing each product to its present location and condition are accounted for as follows.

Raw and packing material except in transit/bond	at purchase cost on weighted average basis.
Finished goods and work in process	average production cost which includes cost of :
	- Direct material
	- Direct expense
	- Overheads

Waste stock value is determined by net realizable value.

Items in transit/bond are valued at cost comprising invoice value plus other charges incurred thereon upto the balance sheet date.

Net realizable value signifies the estimated selling price in the ordinary course of business less cost necessary to be incurred to make the sale.

3.8 Trade Debts

Trade debts are recognized at fair value of consideration receivable. Debts considered irrecoverable are written off and provision is made against those considered doubtful of recovery.

3.9 Foreign Currencies Translations

Pakistan rupee (PKR) is the functional currency of the Company. Monetary assets and liabilities in foreign currencies are translated into Pak Rupees at the rates of exchange prevailing at the balance sheet date except for those covered by forward contracts, which are stated at contracted rates. Foreign currency transactions are translated into Pak Rupees at the rate of exchange prevailing at the date of transaction except for those covered by forward contracts, which are translated at contracted rates. Exchange gain and loss on translation are taken to profit and loss account.

3.10 Cash and Cash Equivalents

Cash and cash equivalents are carried in the balance sheet at cost. For the purpose of cash flow statement, cash and cash equivalents include cash in hand and with bank. The fair value of cash and cash equivalents approximates their carrying amount.

3.11 Revenue Recognition

Revenue is recognized to the extent that is probable that the future economic benefits will flow to the Company and the revenue can be measured reliably. Revenue is measured at the fair value of consideration received or receivable on the following basis:

llh

Sales are recorded as revenue when the title of the goods is transferred to the customer which normally corresponds with the dispatch of goods to customers.

3.12 Provisions

Provisions are recognized when the company has a present legal or constructive obligation as a result of past events, it is probable that an out flow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made. Provision are reviewed at each balance sheet and adjusted to reflect the current best estimates.

3.13 Borrowing Costs

Borrowing costs are recognized as an expense in the period in which they are incurred. Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the asset.

3.14 Related Party Transactions

Transaction with related parties are carried out on commercial terms and conditions.

3.15 Other Financial Assets And Liabilities

All other financial assets and financial liabilities are recognized at the time when the company becomes a party to the contractual provisions of the instrument. Any gain or loss on the recognition and derecognition of the financial assets and financial liabilities are included in the profit and loss account of the current year. All financial assets and financial liabilities, other than disclosed above, are carried at amortized cost. The fair value of these approximate their carrying amount.

3.16 Offsetting Of Financial Assets And Financial Liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet when there is a legally enforceable right to set-off the recognised amounts and the Company intends to either settle on a net basis, or to realise the asset and settle the liability simultaneously and the same is required or permitted by IAS / IFRS or interpretations thereof.

3.17 Proposed Dividends And Transfer Between Reserves

Dividend distribution to the Company's shareholders is recognized as a liability in the period in which dividends are approved.

Transfer between reserves made subsequent to the balance sheet date is considered as non-adjusting event and is recognized in the financial statement in the period in which such transfer are made.

28 FINANCIAL INSTRUMENTS AND RELATED DISCLOSURES

Financial risk management

The Board of Directors of the Company has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company has exposure to the following risk from its use of financial instruments:

- Credit risk
- Liquidity risk
- Market risk

28 CREDIT RISK

Exposure to credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the trade debts, loans and advances, trade deposits and other receivables. The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date is as follows:

	2018	2017
	----- (Rupees) -----	
Trade debtors - unsecured, considered good	16,105,802	16,105,802
Trade deposits	50,855,962	50,855,962
Other receivables	1,950,409	1,950,409
Cash and bank balances	-	-

28.1.1 The maximum exposure to credit risk for trade debts amounting to Rs. 16.10 million (2017: Rs. 57.3 million), at the balance sheet

Domestic	8,601,269	8,601,269
Export	48,740,527	48,740,527
	<u>57,341,796</u>	<u>57,341,796</u>

28.1.2 Based on the past experience, consideration of financial position, past track records and recoveries, the Company believes that trade debtors past due upto one year do not require any impairment and no impairment allowance is necessary in respect of remaining portion of past due over one year.

28.2 Liquidity Risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to manage liquidity is to ensure as far as possible to always have sufficient liquidity to meet its liabilities when due. In addition, the Company has obtained various financing facilities from financial institutions and banks. Based on the above, management believes that Company is not presently exposed to liquidity risk.

The details of company's interest/markup and non-interest markup bearing liabilities are as follows:

	Interest Bearing			Non-Interest Bearing			June 2018	June 2017
	Less than one	One to five	Sub total (a)	Less than	One to	Sub total	Total	Total

28.3 Market Risk

Market risk is the risk that the value of the financial instrument may fluctuate as a result of changes in market interest rates or the market price due to a change in credit rating of the issuer or the instrument, change in market sentiments, speculative activities, supply and demand of securities and liquidity in the market. The Company is not exposed to any market risk.

32.3.1 Interest Rate Risk

Interest rate risk arises from the possibility that changes in interest rates will effect the value of financial instruments. The Company has adopted appropriate policies to minimize its exposure to this risk.

32.3.2 Foreign Exchange Risk

Foreign exchange risk is the risk of loss through change in foreign exchange rates. The Company is exposed to foreign exchange due to transactions denominated in foreign currencies.

28.4 Fair Value Of Financial Assets And Liabilities

The carrying amounts of all financial assets and liabilities reflected in the financial statements approximate their fair value.

The fair value of financial instruments traded in active markets is based on quoted market prices at the balance sheet date. However, the company does not hold any quoted financial instrument.

The financial instruments that are not traded in active market are carried at cost and are tested for impairment according to IAS 39 'Financial Instruments: Recognition and Measurement'.

The carrying amount less impairment provision of trade receivables and payables are assumed to approximate their fair values. The fair value of financial liabilities for disclosure purposes is estimated by discounting the future contractual cash flows at the current market interest rate that is available to the company for similar financial instruments.

28.5 Capital Risk Management

The objective of the Company when managing capital is to safeguard its ability to continue as a going concern so that it can continue to provide returns for shareholders and benefit for other stakeholders; and to maintain a strong capital base to support the sustained development of its business.

The Company manages its capital structure by monitoring return on net assets and makes adjustment to it in the light of changes in economic conditions. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend paid to the shareholders or issue bonus / new shares.

29 ACCOUNTING ESTIMATES & JUDGEMENTS

The company makes estimates and assumptions that effect the reported amounts of assets and liabilities within the next financial year. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

29.1 Trade Debtors

The Company reviews its receivables against provision required there on an ongoing basis. The provision is made taking into consideration expected recoveries, if any.

29.2 Income Taxes

In making the estimates for income taxes currently payable by the Company the management considers the current income tax law and decision of appellate authorities on certain issues in the past.

29.3 Defined retirement benefit

The Company operates an unfunded gratuity scheme for all its permanent employees. Estimates of liability in respect of staff retirement gratuity (note 3.1.1).

29.4 Provision for obsolete stock

The management continuously reviews its inventory for existence of any items which may have become obsolete. These estimates are based on historical experience and are continuously reviewed.

29.5 Impairment of assets

In accordance with the accounting policy, the management carries out the annual assessment to ascertain whether any of the Company's assets are impaired. This assessment may change due to technological development.

29.6 Depreciable amount and useful life of fixed

In accordance with the accounting policy, the management carries out the annual assessment of depreciable amount and useful life of fixed assets. The Company seek advice from the technical department in this regard.
