DIRECTORS' REVIEW

Dear Members

Interim un-audited financial statements for the period ended December 31, 2019 are being presented in accordance with the requirements of International Accounting Standards, Companies Act, 2017 and Rule Book of Pakistan Stock Exchange Limited.

During the period under review your Company earned revenue of Rs. 101.201 Million against revenue of Rs. 76.436 Million in the corresponding period last year. These revenues are being generated on account of Markup income on balance amount of sale proceeds of Mian Chanu Unit. After meeting the expenses for the period, your Company earned Net Profit of Rs. 68.007 Million against Net Profit of Rs. 55.486 Million last year for the same period. Earning for the quarter under review is Rs. 0.69 per share (2018: Rs. 0.56).

Assets comprising of Sugar Manufacturing Facility having book value of Rs. 1,095.320 Million (excluding revaluation surplus) located at Mian Chanu including Land, Building, Plant & Machinery were sold in August 2017 under the shareholder's approval while the remaining assets of the Company situated at Phalia having book value of Rs. 2,162.808 Million (excluding revaluation surplus) are open to sale for which shareholders have accorded approval in Annual General Meeting held on January 28, 2020. Funds against sale proceeds of Mian Chanu Unit have been deposited with Commercial Banks on Mark-up basis. Presently, a sum of Rs. 2,984.312 Million (inclusive of Mark-up) is available with Banks, after payments to various liabilities such as Financial Institutions: Rs. 1,143.185 Million, Sponsors' Loan: Rs. 566.732 Million and Trade Creditors and other Payables: Rs. 690.688 Million, (including Cane Growers) amounting to total of Rs. 2,400.605 Million.

The Company is well determined and actively pursuing to roll-out its new Business Plan as approved by the shareholders, following the disposal of Assets located at Phalia and its subsequent regulatory approvals. Main bottlenecks causing delay in disposal of Assets include impediments like high cost of funds, low performance of sugar sector in preceding years, gigantic size of transaction & prevailing sluggish macro-economic conditions in the country. However, the Management is quite optimistic to strike a lucrative deal in the best interest of all stakeholders based on recent surge in sugar sector.

For and on behalf of the Board
