MATERIAL INFORMATION

Dear Sir,

We are pleased to inform you that Ahmad Hassan Textile Mills Limited has successfully commissioned solar system supplied by M/s S.M. Jaffer & Co. having rated capacity of 988.9 KWP on January 27, 2022. This project is financed by Allied Bank Limited under SBP financing scheme for renewable energy.

On one hand the project is designed to reduce energy cost significantly and on the other hand reliance of the Company on gas gen set will alleviate considerably especially in the perspective of depletion of reserve of natural gas in the country. This project is also a valuable contribution towards government policy of Clean Green Pakistan. Due to non-emission of any hazard substance, it will play a pivotal role for reduction of pollution in the country.

Furthermore, the Company is also in negotiation with banks for installation of additional 500 KWP project.

Yours truly,

For AHMAD HASSAN TEXTILE MILLS LTD
