STATEMENT OF INFORMATION

Accompanying Notice To The Members

UNDER SECTION 281(1)(a) / 134(3) OF THE COMPANIES ACT, 2017

1. OBJECT OF THE SCHEME

- 1.1 The principal object of the Scheme of Compromises, Arrangement and Reconstruction (the Scheme) is to effect the merger/amalgamation of G3 Technologies Limited (the GTECH) with and into Ghani Chemical Industries Limited (the GCIL) and combine the assets and liabilities of these companies and their members into one company, to bring significant value addition for shareholders of both the companies. Both the companies are registered with Securities & Exchange Commission of Pakistan at Lahore, having registered office at common address.
- 1.2 The merger / amalgamation involves the transfer to and vesting in GCIL of the whole of the undertaking and business of GTECH together with all the property, assets, rights, liabilities and obligations of every description against allotment of shares of GCIL to the registered members of GTECH, accordingly as detailed in Para 4.
- 1.3 On the completion of merger/amalgamation and after issuance of shares of GCIL to the Shareholders of GTECH, the merging company, GTECH will be dissolved by the Order of the Honorable Lahore High Court, Lahore (the "Court") without winding up.

2. APPROVALS

- 2.1 The Scheme of Arrangement has been approved by the respective Boards of Directors of G3 Technologies Limited and Ghani Chemical Industries Limited. The respective Boards of Directors have approved the effective date of the Scheme as December 31, 2021 or any other date as may be ordered by the Honorable Court while approving the merger/amalgamation of GTECH with and into GCIL.
- 2.2 As required under Sub-Section (2) of Section 279 of the Companies Act, 2017 the Scheme will be approved by the members of GTECH and GCIL in their respective general meetings by passing resolutions proposed in the notices of the extra ordinary general meetings by majority in number representing three-fourth in value of shareholders present in person or by proxy and voting at the said general meetings to be chaired by the Honorable Lahore High Court appointed chairmen (Mr. Muhammad Saram Shahid, and Mr. Saqib Haroon Chishti, Advocates, High Court, Lahore)

3. SANCTION BY THE COURT

- 3.1 The Scheme is subject to the sanction of the Honorable Court in its present form or with any modification(s) thereof or addition(s) or deletion(s) thereto and is also subject to any conditions which the Court may impose.
- 3.2 The Board of Directors of G3 Technologies Limited and Ghani Chemical Industries Limited acting Jointly have the power to consent on behalf of all concerned to any modification(s) thereof or addition(s) to the Scheme or to any condition(s) which the Honorable Court may think fit to impose.

4. OBJECT OF THE SCHEME

- 4.1 Upon the Scheme being effective in terms of the Order of the Honorable Court, as consideration for the transfer to and vesting in Ghani Chemical Industries Limited of the undertaking and business of G3 Technologies Limited, Ghani Chemical Industries Limited shall subject to the provisions of this Scheme and without any further application, deed or Instrument issue at par and allot 74,961,338 ordinary shares of Rs. 10/- each as fully paid up shares to the registered shareholders of G3 Technologies Limited on the basis of Swap Ratio of 0.30 (zero point thirty) share of Ghani Chemical Industries Limited for every one share of G3 Technologies Limited. The new shares will be issued to those registered members of G3 Technologies Limited whose Names will appear on the register of members on the date to be fixed by the Board of Directors of Ghani Chemical Industries Limited for the purpose.

- 4.2** The swap ratio has been calculated on the basis of valuation of shares of both the Companies (GTECH and GCIL) by M/s ShineWing Hameed Chaudhri & Co. Chartered Accountants. The swap ratio worked out will benefit the members of both the companies. Normally three factors i.e., (i) book value/net asset value/break-up value, (ii) market value of shares, and (iii) dividend earning capacity of merging companies are given considerations while working out swap ratio. As GCIL is an unlisted company, therefore, the market value of shares of GCIL is not considered as one of the factors in calculating swap ratio. Similarly, the dividend earning capacities of merging companies are not considered as one of the factors as these companies have not declared any dividend.
- 4.3** All members whose names shall appear in the register of member of GTECH on such date after the Sanction Date as the Board of Directors of GCIL may determine, shall surrender their share certificate for cancellation thereof to GCIL. In default, upon new shares being allotted and issued by GCIL to the members of GTECH whose names shall appear on the respective register of members on such date, as aforesaid, the share certificate in relation to the shares held by them in GTECH shall be deemed to have been duly cancelled. At least fourteen days' notice shall be given to the members of GTECH of the date fixed by the directors of GCIL for determining the entitlements to ordinary shares of GCIL to be issued to the members of GTECH. The members holding physical shares will deliver the share certificates to the company for cancellation and issue of shares of GCIL to them in physical form within 30 days from the reopening of Book Closure. As GTECH's shares are eligible for Central Depository System (the "CDS") of Central Depository Company of Pakistan Limited (the "CDC"), the scrip-less shares shall be directly credited by book entries in the CDS in lieu of the scrip-less shares of GTECH to their respective Investors' accounts or sub-accounts with CDC participants within thirty (30) days from the reopening of Book Closure made for determination of merger entitlements.
- 4.4** The new ordinary shares of GCIL issued pursuant to the Scheme shall rank pari passu with the existing ordinary shares of GCIL in all respects and shall be entitled to all dividends, bonus, right issues declared subsequent to the sanctioning of this Scheme.
- 4.5** Upon the allotment of the Ordinary shares of GCIL to the members of GTECH in the manner aforesaid, all share certificates representing the ordinary shares of GTECH shall stand cancelled.
- 4.6** While making allotment of new shares, the fractional allotments above 0.5 shares shall be rounded up to one share and below 0.5 shall be ignored.

5. TRANSFER AND VESTING OF UNDERTAKING OF GTECH WITH AND INTO GCIL

- 5.1** The transfer to and vesting in GCIL, the business and undertaking of GTECH in accordance With the Scheme shall include all the liabilities and obligations of GTECH, howsoever arising, and after the amalgamation/merger is accomplished, GCIL will discharge all such outstanding liabilities and will perform all such outstanding obligations in due course as if they were originally the liabilities and obligations of GCIL instead of GTECH.
- 5.2** The transfer of all assets of GTECH under the Scheme, including property of all kinds, moveable or immovable, tangible or intangible, leasehold property, actionable claims, stocks, receivables and book debts, will be subject to any specific mortgages or charges created over these assets before the merger in favour of the creditors. 8. BENEFITS OF MERGER/AMALGAMATION

8.1 The proposed merger amalgamation of GTECH with and into GCIL will rationalize business structure, combine the assets of the two companies and their members. This will also result in reducing cost of doing business, cutting down the reporting requirements, effective tax management, leading to operational efficiency and better profitability in future. The shareholders of GTECH will greatly benefit from the merger /amalgamation as they have not received any return for the past several years. Through this merger/ amalgamation, the GTECH will be greatly benefitted by merging into a large scale manufacturing and business entity and shareholders of GCIL will get the benefit of listing. More specifically, some of the benefits which will accrue due to proposed amalgamation/merger are narrated here below:

i) BETTER MANAGEMENT AND SUPERVISION:

The key managers / staff of merging companies would be pooled together to form a superior and competitive management to govern the newly merged organization.

ii) IMPROVED RISK ABSORPTION CAPACITY:

Due to increase in size and larger capital base, the merged company would be less vulnerable. Further, it would be more equipped to absorb any potential risks arising out of uncertain operating environment and unstable economic conditions. This will result in operating stability and long term sustainability

iii) REGULATORY REQUIREMENTS:

It would be much convenient for one company to fulfill the mandatory requirements of Government Regulatory Bodies e.g. filing of mandatory returns to Securities & Exchange Commission of Pakistan (SECP) AND Pakistan Stock Exchanges Limited (PSX), single taxation and other requirements. This would save the substantial time and resources of merging companies.

iv) SINGLE BOARD OF DIRECTORS AND RATIONALIZATION OF SECRETARIAL COSTS:

In the event of merger both companies, the secretarial and administrative costs incurred individually by each company will be considerably reduced as:

- a. Only single Board of Directors will be required to manage the affairs of the Company. One secretary, one internal auditor and one chief financial officer will be required for surviving company.
- b. Only one Annual General Meeting (AGM) will be required to be held and one set of annual / half yearly / quarterly accounts will be published and circulated by the company.
- c. Only one register of shareholders and one set of books and records will be required to be maintained.
- d. Only one external auditor will be required.
- e. Amalgamation/merger of the Companies would result in an improvement in the administration of personnel affairs of the staff and administrative policies will be uniform

v) COMMON DEPARTMENT:

There would be common departments e.g. finance, accounting and human resource managing the entire company and eliminating the repetitive functions being performed on isolated basis.

vi) BETTER FINANCIAL MANAGEMENT:

The amalgamation will lead to increase in asset base, size of the company and better working capital management. The large size of equity will provide greater comfort to potential creditors.

vii) BROADER CAPITAL BASE

Merger will result in broadening the assets base of the company, which will result in better chances of profitability and growth of the merged companies.

viii) INCOME TAX IMPLICATION:

One assessment of the company would also save the tax consultancy fee and other governmental charges being borne by each company individually.
