INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of the Pakistan General Insurance Company

Limited

Report on review of Interim Financial Statements

Introduction

We have reviewed the accompanying condensed interim statement of financial position of the Pakistan General Insurance Company Limited (the Company) as at June 30, 2022 and the related condensed interim statement of comprehensive income, condensed interim statement of changes in equity, and condensed interim statement of cash flows, and notes to the financial statements for the six-month period then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of this interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these financial statements based on our review. The figures for the condensed interim statement of profit or loss and other comprehensive income for the quarters ended June 30, 2022 and June 30, 2021 have not been reviewed, as we are required to review only the cumulative figures for the half year ended June 30, 2022.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Adverse Conclusion

- a) Securities and Exchange Commission of Pakistan (SECP) vide its order dated June 07, 2017 under section 11(1) (f) and section 12(1) and (4) read with section 63 (1) and section 156 of the Insurance Ordinance, 2000, restricted the Company from entering into new contracts of insurance after July 07, 2017 and the Company is placed in defaulter segment at the Pakistan stock exchange. The Company is recurring losses and it has also not met the minimum paid up capital of Insurance Ordinance, 2000 and Insurance Rules, 2017. These conditions indicate existence of material uncertainty that may cast significant doubt on the Company's ability to continue as going concern and therefore the Company may not be able to realize its assets and discharge its liabilities in the normal course of business. These conditions lead us to believe that the management's use of going concern assumption is inappropriate and consequently the asset and liabilities should have been stated at their realizable values respectively.
- b) SECP through its letter no. ID/OSM/PGI/2020/1062, dated October 21, 2020, has confirmed that the conditions imposed by NAB, order no. ACR NO. 95/PB/2017 relating to recovery of claim amounting to Rs. 86.2 million from Ex- CEO Ch. Zahoor Ahmad has been duly waived off. The previous disqualification of Ch. Zahoor Ahmad remains unchanged, the company is also required to

The Pakistan General Insurance Company Limited

meet condition no. 2 and 3 of SECP letter no. ID/OSM/PGI/2020/1062, dated October 21, 2020.

- c) The amount due from insurance contract holders as disclosed in note 12 to the interim financial statements, amounting to Rs. 70.63 million (2021: Rs. 71.03 million) remains unconfirmed. The Company has claimed recovery of Rs. 0.396 million during the period. In the absence of relevant documentation and supporting records, resultant adjustments and consequential impact thereof, if any, on the interim financial statements remains unascertained.
- d) The insurers / reinsurers payables as disclosed in Note 17 to the interim Financial Statements include Rs. 29.2 million (2021: 29.2 million) payable to Pakistan Reinsurance Company Limited (PRCL) which remain unconfirmed. The Company is in process of reconciling these balances with PRCL. In the absence of relevant documentation and supporting records, resultant adjustments and consequential impact thereof, if any, on the interim financial statements remains unascertained.
- e) The Company has not complied with the requirements of section 244 of the Companies Act, 2017.

Adverse Conclusion

Our review indicates that, because of the significance of the effects of the matters as described in paragraphs (a) to (e) of the "Basis for Adverse Conclusion" section of our report, this interim financial information does not give a true and fair view of the financial position of the Company as at June 30, 2022, and of its financial performance and its cash flows for the six-month period then ended in accordance with the accounting and financial reporting standards as applicable in Pakistan for interim financial reporting.

The engagement partner on the review resulting in this independent auditor's review report is Mr. Rashid Sarwar (FCA).
