

SG ALLIED BUSINESSES LIMITED

B-40, S.I.T.E, KARACHI, PAKISTAN

- The company is currently engaged in following areas:
 - Cold Storage and Warehousing Facility.
 - Hydroponic growing of value added vegetables and Mushrooms.

- An Investment of Rs. 105,763,713/- is made in new Hydroponic Facility for growing of Mushrooms and Inshaa Allah Production will start from January 2023, which will significantly increase Company's Revenue and Profitability.

- Vertical Farm is a new technology which is introduced for the First time in Pakistan and also Mushroom in Hydroponic is also our new Technology.
- The Company is trying to find new areas where investment can be made and Profitability of the company can be increased.

- However, there are many challenges because of uncertainty faced by every business and some of the challenges are as follows:
 - Restrictions in imports.
 - Difficulty in opening Letter of Credit for Raw Material as well as Spare Parts.
- So these are the challenges which may effect the company's future working.
