Subject: MATERIAL INFORMATION-SHUT DOWN OF FLOOR TILE PRODUCTION PLANT

Dear Sir,

We are writing to communicate that Frontier Ceramics Limited (the Company) has decided to shut down its floor tile production plant for uncertain period due to Gas supply shortage.

The unforeseen devaluation of rupee coupled with the government's restrictions, including letter of credit (LC) approval constraints and general economic instability are also the reasons behind the decision. The resumption of operation (as the case may be) will be communicated accordingly.

This information is being conveyed in accordance with the requirements of Regulation of Pakistan Stock Exchange Limited (PSX) and the applicable provisions of the Securities Act, 2015. The same may kindly be disseminated amongst the TRE Certificate Holders of the PSX accordingly.

Thanking you,

Yours truly
