**HARBOUR FRONT - TENANCY PROFILE (AS AT JUNE 2022)**

# 3. Operational and Financial Highlights

## Overview

- FY22 was predicted to be a year in which the world moved back to normalcy from extremely challenging period.
- The pioneering Rental REIT of Pakistan - DCR continues to deliver strong results amidst the pandemic and weathered the challenges with prudent property management.
- Group of tenants were facilitated with waivers / discounts and deferment of rent escalations to cover their losses. However, this year discounts and waivers allowed were much lower compared to those given in the last year.
- DCR's real estate has witnessed consistent occupancy levels since inception in 2015. Occupancy at the end of June 2022 was 98.07% (June 30, 2021: 94.71%).
- long-term strategic measure to strengthen our partnership with tenants and envision robust performance resulted new tenants coming in including Gloria Jeans, Diesel, Tesoro, Hemani Herbal, The Closet, and Lamy among others.

## Outlook

- Number of potential, well selected tenancies in the pipeline for both Mall and the Harbour Front.
- Footfall and sale activities are progressively returning to normal. We expect more robust performance in the coming quarters.
- With professional property management, long lease expiries, extensive marketing activities and renowned tenants, we remain confident that Dolmen City will remain the destination of choice for shoppers, retail operators and corporations alike.
