Directors Report

On behalf of the Board of Directors (BOD) we are pleased to present the Half Yearly Reviewed Accounts for the period ending 31st December 2022. The BOD reviewed the current business activities, the operations of the Company, further they discussed the restriction on access to credit due to the on-going banking litigation and the closure of textile production.

As per the decisions made during previous AGMs and per the BOD's instruction and approval, Management has repurposed the majority of its empty land for agricultural activities, including a Company livestock farm for the rearing and sale of livestock. Management has also reduced input costs by growing fodder on the Company's agricultural land for consumption by the livestock. Finally, Management continued to let some of its empty buildings for warehousing and rental purposes, using this funding to reinvest in the Company's operations. Through these endeavors the Company has successfully increased sales and generated revenue during the period under review, which has been reflected in the Financial Statements annexed herewith.

It was also discussed that the main obstacle in restarting textile production has been the restriction on access to credit facilities due to the litigation pending in the High Courts by the banks to recover fictitious liabilities. Therefore, due to the credit restrictions the Company is unable to complete BMR and access working capital required to restart textile production. It was also noted by the BOD that the banks were delaying the finalization of litigation to extend their financial constraints and pressurize the Company to give into their unjust demands. Nonetheless, efforts are being made to defend the Company's interest before the Courts to end this litigation.

In spite of all odds, the Management is covering expenses, investing in and generating revenue from its current business activities, operating as an active taxpayer and defending the Company in the High Courts.

For and on Behalf of Board of Director,

Chief Executive

Adam Jadoon

Director

Muhammad Bahauddin

ڈائریکٹر رپورٹ

بورڈ آف ڈائریکٹرز (BOD) کی جانب سے ہمیں 31 دسمبر 2022 کو ختم ہونے والی مدت کے لیے ششماہی جائزہ شدہ اکاؤنٹس پیش کرتے ہوئے خوشی ہو رہی ہے۔ BOD نے موجودہ کاروباری سرگرمیوں، کمپنی کے آپریشنز کا جائزہ لیا، مزید انہوں نے جاری بینکنگ و فنانسنگ اور ٹیکسٹائل کی پیداوار کی بندش کی وجہ سے کریڈٹ تک رسائی پر پابندی پر تبادلہ خیال کیا۔

گزشتہ AGM کے دوران کیے گئے فیصلوں کے مطابق اور BOD کی ہدایات اور منظوری کے مطابق، مینجمنٹ اپنی زیادہ تر حالی زمین کو زرعی، سرگرمیوں کے لیے استعمال کر رہی ہے، جس میں مویشیوں کی پرورش اور فروخت کے لیے لائیو سٹاک فارم بھی شامل ہے۔ انقسام نے مویشیوں کے استعمال کے لیے کمپنی کی زرعی زمین پر چارہ اگانے سے ان پٹ لاگت کو بھی کم کیا ہے۔ مینجمنٹ نے اپنی کچھ حالی عمارتوں کو گودام اور کرائے کے مقصد میں استعمال کر رہی ہے، اس فنڈ کو کمپنی کے آپریشنز میں دوبارہ سرمایہ کاری کے لیے استعمال کیا۔ ان کوششوں کے ذریعے کمپنی نے لائیو سٹاک کی فروخت میں اضافہ کیا ہے اور زیر جائزہ مدت کے دوران آمدنی حاصل کی ہے، جس کی عکاسی اس کے ساتھ منسلک مالی بیانات (Financial Accounts) میں ہوئی ہے۔

اس بات پر بھی تبادلہ خیال کیا گیا کہ ٹیکسٹائل کی پیداوار دوبارہ شروع کرنے میں سب سے بڑی رکاوٹ بینکنگ کی جانب سے فنانسنگ کی وصولی کے لیے ہائی کورٹس میں زیر التوا فنانسنگ اور فنانسنگ کی وجہ سے فنانسنگ کی سہولیات تک رسائی پر پابندی ہے۔ لہذا، کریڈٹ کی پابندیوں کی وجہ سے کمپنی BMR کو مکمل کرنے اور ٹیکسٹائل کی پیداوار کو دوبارہ شروع کرنے کے لیے درکار درنگ کیسٹل تک رسائی حاصل کرنے سے متاثر ہے۔ BOD کی طرف سے یہ بھی نوٹ کیا گیا کہ بینکنگ و فنانسنگ کو حتمی شکل دینے میں تاخیر کر رہے ہیں تاکہ ان کی مالی محبوریوں کو بڑھایا جاسکے اور کمپنی پر دباؤ ڈالا جاسکے کہ وہ اپنے ناجائز مطالبات کو تسلیم کرے۔ اس کے باوجود، اس فنانسنگ اور فنانسنگ کو ختم کرنے کے لیے عدالتوں کے سامنے کمپنی کے مفاد کا دفاع کرنے کی کوششیں جاری ہیں۔

تمام ترمیمات کے باوجود، انقسام احراجات کو پورا کر رہی ہے، کمپنی اپنی موجودہ کاروباری سرگرمیوں میں سرمایہ کاری کر رہی ہے اور اس سے آمدنی پیدا کر رہی ہے، کمپنی ایک فعال ٹیکس دہندہ کے طور پر کام کر رہی ہے اور ہائی کورٹس میں اپنا دفاع کر رہی ہے۔

بورڈ آف ڈائریکٹرز کے لیے اور اس کی جانب سے،

INDEPENDENT AUDITOR'S REVIEW REPORT
To the Members of : KHYBER TEXTILE MILLS LIMITED
Report on Review of Interim Financial Statements

Introduction

We have reviewed the accompanying condensed interim statement of financial position of **KHYBER TEXTILE MILLS LIMITED** (the Company) as at December 31, 2022, the related condensed interim statement of profit or loss and statement of other comprehensive income, condensed interim statement of changes in equity, condensed interim statement of cash flows and notes to the condensed interim financial statements for the half year then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of these interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditors of the Entity". A review of interim financial statement consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion

During the year ended June 30, 2021, the Company wrote back creditors amounting to Rs.18,122,154. The Company had been making efforts to contact the creditors for verification of balances, but there was no response in spite of repeated reminders, therefore the Company decided to write back the same, as they have been outstanding for a very long time. In our opinion this write back, constitutes a departure from the International Financial Reporting Standards (Paragraph 3.3.1 of IFRS-9). Had this write back not been made the current liabilities would have been higher and the shareholder's equity would have been lower by this amount in the interim statement of financial position as on December 31, 2022.

We have qualified our audit opinion on the financial statements for the year ended June 30, 2022, owing to this matter, therefore our conclusion on the condensed interim financial statements is also qualified because of the effect of this matter on the comparability of the interim statement of financial position and the corresponding statement of financial position.

Qualified Conclusion

Based on our review, *with the exception of the matter described in the preceding paragraph*, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Emphasis of Matter

We draw attention to Note 2.4 to the condensed interim financial statements, which states that these financial statements have been prepared on going concern basis, yet there were factors which had affected the Company's ability to continue as a going concern in the past. Textile operations have been suspended since July 2007. However, the Company changed its line of operations few years back and has been able to generate net cash inflows. The Company is solvent and the Management has concluded that no material uncertainty exists which cast significant doubt on the Company's ability to continue as going concern. A detailed explanation is given in the aforesaid note.

Other Matter

The figures of the condensed interim statement profit or loss and other comprehensive income for the quarters ended December 31, 2021 and 2022 have not been reviewed as we were required to review only the cumulative figures for the half year ended December 31, 2022.

The engagement partner on the review resulting in this independent auditor's review report is **SAUD ANSARI**.

1 CORPORATE AND GENERAL INFORMATION

Khyber Textile Mills Limited is a Public Limited Company, incorporated on 26th August, 1961 under the Companies Act, 1913 (Now the Companies Act, 2017). Its shares are quoted on the Pakistan Stock Exchange Limited. The activities of the Company were the manufacture and sale of cotton/polyester yarn and cloth, however due to external factors production was halted. Consequently, the Company has been operating an agricultural livestock business on its vacant land since 2017, as a revised principal line of business of the Company, that is agricultural, which was approved by the Registrar of Companies in 2019. It has also been carrying out alternative business activities of renting excess buildings for warehousing and rental purposes since 2016.

The geographical locations and addresses of Company's premises are as under:

- The registered office of the Company, the production facility and agricultural farms are located at Baldher, District Haripur, Khyber Pakhtunkhwa

2 BASIS OF PRESENTATION

2.1 Purpose of Issuance

These condensed interim financial statements have been issued to the shareholders to comply with Section 237 of the Companies Act, 2017 are un-audited but subject to limited scope review by the external auditors as required by the Companies Act, 2017 and Code of Corporate Governance.

2.2 Statement of Compliance

These condensed interim financial statements have been prepared in accordance with the requirements of the International Accounting Standard 34 – “Interim Financial Reporting” and provisions of and directives issued under the Companies Act, 2017. In case where requirements differ, the provisions of or directives issued under the Companies Act, 2017 have been followed. These condensed interim financial statements do not include all of the information and disclosures required for annual financial statements, and should be read in conjunction with the financial statements of the Company as at and for the year ended June 30, 2022. These condensed interim financial statements are unaudited.

2.3 Comparative Financial Information

The comparative statement of financial position presented in these condensed interim financial statements has been extracted from the annual audited financial statements of the Company for the year ended June 30, 2022, whereas the comparative condensed interim profit or loss and other comprehensive income, condensed interim statement of changes in equity and condensed interim cash flow statement, are extracted from the unaudited condensed interim financial statements for the half year ended December 31, 2021.

2.4 Basis of Measurement

These condensed interim financial statements have been prepared under the historical cost convention except for certain items of property, plant and equipment, which are carried at revalued amounts, less accumulated depreciation .

Going Concern Assumption

- * These financial statements have been prepared on going concern basis, yet there were factors which had affected the Company's ability to continue as a going concern in the past. Textile operations have been suspended since July 2007. The core reasons for the adverse situation is the continued financial squeeze resulting from ongoing litigation in the High Courts. Due to this the Company continues to appear on the SBP Credit Information Bureau Report as a defaulter of National Bank of Pakistan, which has caused a complete ban on access to credit. The continued litigation also restricts the Company to dispose-off its excess land to meet the BMR and working capital requirements to restart the textile unit. Consequently, most of the employees got laid-off and production of yarn was completely stopped in the financial year 2008 to avoid further losses. Nonetheless, Board of Directors, and Management are determined to rehabilitate and restart the textile unit once the funding is available from the Banks, for which Company's Management is diligently pursuing the High Court cases so that they may reach finality and the credit facilities are restored.

- * Subsequent to the closure of textile operations the Company has made investments in an Agricultural Livestock Farm, while irrigation and water storage systems were constructed on the Company's vacant land to facilitate fodder production. Further, Management has dedicated a substantial amount of the Company's vacant land for the agricultural business i.e. livestock farm and for the production of crops/fodder for its cattle. The Company also successfully rented vacant buildings for warehousing etc. to reputable organizations and local distributors.
- * Financial support is also available from the directors. During the year ended June 30, 2022 one of the directors has also deferred his right to claim repayment of his loan for at least twelve months from the date of the financial statements, as a result, the Company's current assets exceed the current liabilities. The equity is positive and the Company has been generating positive cash flows from operations by way of its livestock business and renting out of empty buildings, for the last few years. The main cause of loss is the charging of depreciation on idle items of property, plant and equipment which had been revalued upward in 2019. This is a non cash expense which does not affect liquidity position of the Company. The Management has concluded that no material uncertainty exists which cast significant doubt on the Company's ability to continue as going concern.

2.5 Accounting Policies

The accounting policies and the methods of computation adopted in the preparation of these condensed interim financial statements are the same as those applied in the preparation of the audited financial statements for the year ended June 30, 2022.

2.6 Accounting Estimates and Judgements

Estimates and judgments made by Management in the preparation of these condensed interim financial statements are the same as those that were applied to the audited annual financial statements of the Company as at and for the year ended June 30, 2022.

2.7 Functional and Presentation Currency

These financial statements are presented in Pakistan Rupees, which is the Company's functional and presentation currency.
