DIRECTORS' REPORT

On behalf of the Board of Directors of Pervez Ahmed Consultancy Services Limited, we feel immense pleasure to present the un-audited financial statements of the Company for the half year ended December 31, 2022.

Financial Results of the Company

During the six month period ended December 31, 2022, the Company recorded an operating profit of Rs.415,551 versus loss of Rs 873,180 in the same period of last year. Net loss for the half year ended December 31, 2022 remained Rs. 878,799 compared to loss of Rs. 5,987,317 in the same period of last year. The loss per share for the six month ended December 31, 2022, recorded at Rs 0.005 as compared to loss per share of Rs. 0.032 for the same period of last year.

The auditor has expressed an adverse opinion in audit report with respect to going concern assumption, non recognition of mark-up on short term borrowings and litigations pending in different courts against the Company. However the management is making efforts for resolving these issues and regularizing operations of the Company

Future Outlook

The businesses are experiencing instability and uncertainty due to unfavourable economic conditions like growing inflation, aggressive monetary tightening and high energy costs. If the inflation rate is not brought under control, it could cause the country's economic growth to slow down and have a significant negative impact on economic activity. Additionally, now is the moment for policymakers to adopt a long-term perspective so that businesses may plan for the future. Pakistan's economy is also faces mounting pressures on account of the global situation. Going forward, the economic outlook is expected to be shaped largely by the revival of the IMF Program, restoration of political stability, and support from friendly countries along with the continued implementation of reforms aimed at stabilizing the economy to restore fiscal and external buffers.

Acknowledgement

The Board is thankful to its valued shareholders for their confidence in the Company, its clients, the Securities & Exchange Commission of Pakistan and to the management of Pakistan Stock Exchange Limited for their valuable support, assistance and guidance.

INDEPENDENT AUDITOR'S REVIEW REPORT

**To the members of PERVEZ AHMED CONSULTANCY SERVICES LIMITED
Report on review of Interim Financial Statements**

Introduction

We have reviewed the accompanying condensed interim statement of financial position of PERVEZ AHMED CONSULTANCY SERVICES LIMITED ['the Company'] as at 31 December 2022 and the related condensed interim statement of profit or loss, condensed interim statement of comprehensive income, condensed interim statement of changes in equity, condensed interim statement of cash flows and notes to the condensed interim financial statements for the six-month period then ended (here-in-after referred to as the 'interim financial statements'). Management is responsible for the preparation and presentation of these interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these interim financial statements based on our review. The figures for the three-month period ended 31 December 2022 of the condensed interim statement of profit or loss, condensed interim statement of comprehensive income have not been reviewed as we are required to review only cumulative figures for the six-month period ended on that date.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity." A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis of Adverse Conclusion

- a) As referred to in note 2.2 to the interim financial statements, the Company has accumulated losses of Rs. 1,629.695 million. Its current liabilities exceed current assets by Rs. 640.85 million. Further, the Trading Rights Entitlement Certificate issued to the Company was inactive due to inadequate net capital balance and the same has been sold to another company. One of the bankers has filed a recovery suit against the Company. Further as referred to in note 10.1.3 to the interim financial statements, the Additional Registrar of Companies ['ARC'], Securities and Exchange Commission of Pakistan has filed a petition in the Lahore High Court against the Company and its directors whereby the ARC has prayed that the affairs of the Company be declared as being conducted in an unlawful manner which is prejudicial for the shareholders, that the Company and its Directors be ordered to buy back the shares of minority shareholders at a price to be determined in accordance with Rule Book of Pakistan Stock Exchange Limited and that the directors be held responsible for not conducting the brokerage business as envisaged

in the memorandum of association of the Company. The Company also has overdue debt finances and interest thereon, as referred to note 8 and note 9 to the interim financial statements. One of the creditors has also filed a suit against the Company for recovery of its debts. These factors indicate existence of material uncertainty that raises doubts about the Company's ability to continue as a going concern and, therefore, that it may be unable to realize its assets and discharge its liabilities in the normal course of business. We consider that in the absence of any favourable settlement with the providers of debt finances/creditors, ability to obtain further financing and revival of its operations, the Company may not be able to settle its liabilities and realize its assets in the normal course of business. Consequently, the use of going concern assumption in the preparation of annexed financial statements is not appropriate and adjustments may be required to the recorded asset amounts and classification of liabilities. The financial statements do not disclose this fact.

- b) The Company has not recognized interest on short term borrowings amounting to Rs. 127.67 million upto 31 December 2022. Had this interest been recognized, accumulated losses as at 31 December 2022 and loss for the period then ended would have been higher by Rs. 127.67 million and Rs. 8.121 million respectively. The interim financial statements do not disclose this fact.
- c) As referred to note 10.1.1 to the interim financial statements, one of the creditors of the Company filed suit against the Company for the recovery of Rs. 36.57 million including late payment surcharge amounting to Rs. 17.45 million. The Company has not recognized provision for late payment surcharge of Rs. 17.45 million. Had the provision been recognized, accumulated losses as at 31 December 2022 and loss for the period then ended would have been higher by Rs. 17.45 million.

Adverse Conclusion

Our review indicated that, because of the matters discussed in Basis for Adverse Conclusion paragraph, accompanying interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

The engagement partner on the review resulting in this independent auditor's review report is ALI RAZA JAFFERY.

NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED)

FOR THE SIX MONTH PERIOD ENDED DECEMBER 31, 2022

1 LEGAL STATUS AND OPERATIONS

Pervez Ahmed Consultancy Services Limited [the Company] was incorporated in Pakistan on 08 June 2005 as a Single Member Company under the repealed Companies Ordinance, 1984 (now Companies Act, 2017) and was later converted to Public Limited Company and listed on Pakistan Stock Exchanges Limited. The Company was primarily a brokerage house engaged in the shares brokerage and trading, consultancy services and underwriting. However, the Company has amended its memorandum of association to change its principal activity to act as consultants and advisors to individual, corporations, financial institutions, Government bodies and departments, Companies, corporations and other entities. The registered office of the Company is situated at 20-K Gulberg II, Lahore.

1.1 Placement on defaulters segment

The Company has been placed on defaulters segment by Pakistan Stock Exchange.

2 BASIS OF PREPARATION

These interim financial statements are un-audited and have been presented in condensed form and do not include all the information as is required to be provided in a full set of annual financial statements. These interim financial statements should be read in conjunction with the audited financial statements of the Company for the year ended 30 June 2022.

These interim financial statements have been subjected to limited scope review by the auditors of the company, as required under section 237 of the Companies Act, 2017. The comparative condensed interim statement of financial position as at 30 June 2022 and the related notes to the interim financial statements are based on audited financial statements. The comparative condensed interim statement of profit or loss, condensed interim statement of comprehensive income, condensed interim statement of changes in equity, condensed interim statement of cash flows and related notes to the condensed interim financial statements for the six month period ended 31 December 2021 are based on unaudited, reviewed interim financial statements. The condensed interim statement of profit or loss and condensed interim statement of comprehensive income for the three months period ended 31 December 2022 and 31 December 2021 are neither audited

2.1 Statement of compliance

These interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprises of:

- International Accounting Standard 34 - Interim Financial Reporting, issued by International Accounting Standards Board [IASB] as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017

Where the provisions of and directives issued under the Companies Act, 2017 differ with the requirements of IAS 34, the provisions of and directives issued under the Companies Act, 2017 have been followed.

2.2 Going concern assumption

The Company has accumulated losses of Rs. 1,629.695 million. Its current liabilities exceed current assets by Rs. 640.848 million. Further, the Company has had no notable operating activity since the Trading Rights Entitlement Certificate issued to the Company became inactive due to inadequate net capital balance. These factors indicate existence of material uncertainty that raise doubts about the Company's ability to continue as a going concern and that the Company may not be able to discharge its liabilities and realize its assets in the normal course of business. However, these financial statements have been prepared on a going concern basis based on the following:

- The Company has amended its memorandum of association and changed its principal activity to act as consultants and advisors to individual, corporations, financial institutions, Government bodies and departments, Companies, corporations and other entities.
- Negotiations with lenders regarding settlement of overdue debt finances.
- The Company has continued financial support of its sponsors and associated companies in the form of interest free

2.3 Basis of measurement

These financial statements have been prepared on the historical cost basis except for the following items, which are measured on an alternative basis as at the reporting date.

Items	Measurement basis
Financial liabilities	Amortized cost
Financial assets	Fair value/amortized cost

2.4 Critical accounting judgements and key sources of estimation uncertainty

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions and judgments are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which forms the basis of making judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Subsequently, actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and in any future periods affected.

2.5 Functional currency

These interim financial statements have been prepared in Pak Rupees which is the Company's functional currency. The amounts reported in these interim financial statements have been rounded to the nearest Rupees unless specified

2.6 Date of authorisation for issue

These interim financial statements have been approved by the Board of Directors of the Company and authorized for issue on 27 February 2023.

3 NEW AND REVISED STANDARDS, INTERPRETATIONS AND AMENDMENTS EFFECTIVE DURING THE PERIOD.

The following new and revised standards, interpretations and amendments are effective in the current period but are either not relevant to the Company or their application does not have any material impact on the financial statements of the Company other than presentation and disclosures, except as stated otherwise.

3.1 Reference to the Conceptual Framework (Amendments to IFRS 3 - Business Combinations)

The amendments update an outdated reference to the Conceptual Framework in IFRS 3 without significantly changing the requirements in the standard.

3.2 Property, Plant and Equipment - Proceeds before Intended Use (Amendments to IAS 16 - Property, Plant and

The amendments prohibit deducting from the cost of an item of property, plant and equipment any proceeds from selling items produced while bringing that asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Instead, an entity recognises the proceeds from selling such items, and the cost of producing those items, in profit or loss.

3.3 Onerous Contracts - Cost of Fulfilling a Contract (Amendments to IAS 37 - Impairment of Assets)

The amendments specify that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract).

3.4 Annual Improvements to IFRS Standards 2018–2020

The annual improvements have made amendments to the following standards:

- **IFRS 1 - First Time Adoption of International Financial Reporting Standards** - The amendment permits a subsidiary that applies paragraph D16(a) of IFRS 1 to measure cumulative translation differences using the amounts reported by its parent, based on the parent's date of transition to IFRSs.
- **IFRS 9 - Financial Instruments** - The amendment clarifies which fees an entity includes when it applies the '10 per cent' test in paragraph B3.3.6 of IFRS 9 in assessing whether to derecognise a financial liability. An entity includes only fees paid or received between the entity (the borrower) and the lender, including fees paid or received by either the entity or the lender on the other's behalf.
- **IFRS 16 - Leases** - The amendment to Illustrative Example 13 accompanying IFRS 16 removes from the example the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives are illustrated in that
- **IAS 41 - Agriculture** - The amendment removes the requirement in paragraph 22 of IAS 41 for entities to exclude taxation cash flows when measuring the fair value of a biological asset using a present value technique.

4 NEW AND REVISED STANDARDS, INTERPRETATIONS AND AMENDMENTS NOT YET EFFECTIVE.

The following standards, interpretations and amendments are in issue which are not effective as at the reporting date and have not been early adopted by the Company.

**Effective date
(annual periods beginning
on or after)**

Sale or contribution of assets between an Investor and its Associate or Joint Venture (Amendments to IFRS 10 - Consolidated Financial Statements and IAS 28 - Investments in Associates and Joint Ventures).	Deferred Indefinitely
Disclosure of Accounting Policies (Amendments to IAS 1 - Presentation of Financial Statements and IFRS Practice Statement 2 - Making Materiality Judgements)	01 January 2023
Definition of Accounting Estimates (Amendments to IAS 8 - Accounting Policies, Changes in Accounting Estimates and Errors)	01 January 2023
Deferred Tax related to Assets and Liabilities arising from a Single Transaction (Amendments to IAS 12 - Income Taxes)	01 January 2023
Classification of Liabilities as Current or Non-Current (Amendments to IAS 1 - Presentation of Financial Statements).	01 January 2024
Lease Liability in a Sale and Leaseback (Amendments to IFRS 16 - Leases)	01 January 2024
Non-current Liabilities with Covenants (Amendments to IAS 1 - Presentation of Financial Statements)	01 January 2024

Other than afore mentioned standards, interpretations and amendments, IASB has also issued the following standards which have not been notified by the Securities and Exchange Commission of Pakistan [‘SECP’]:

IFRS 1 - First Time Adoption of International Financial Reporting Standards

IFRS 17 - Insurance contracts

The Company intends to adopt these new and revised standards, interpretations and amendments on their effective dates, subject to, where required, notification by Securities and Exchange Commission of Pakistan under section 225 of the Companies Act, 2017 regarding their adoption. The management anticipates that the adoption of the above standards, amendments and interpretations in future periods, will not have a material impact on the Company's financial statements

5 ACCOUNTING POLICIES AND METHODS OF COMPUTATION

The accounting policies and methods of computation adopted in the preparation of these interim financial statements are the same as those applied in the preparation of preceding annual audited financial statements of the Company for the year

Cost of investment	9,000,000	9,000,000
Changes in fair value	(9,000,000)	(9,000,000)
	-	-

This represents investment in 900,000 ordinary shares of Origins Fabric (Private) Limited [OFPL]. OFPL was incorporated for the purpose of acquiring exclusive rights of ORIGINSLAWN, an extension of an already established and renowned retail brand ORIGINSREADY TO WEAR. The Company's shareholding in OFPL comprises 10,000 voting ordinary shares of Rs. 10 each and 890,000 non-voting ordinary shares of Rs. 10 each. The voting power held by the Company does not constitute control or significant influence. Therefore the investment has been accounted for under IFRS 9 - 'Financial Instruments' and mandatorily classified as 'financial asset at fair value through profit or loss'.

The investment was made by the Company with a view to profit from total return of the investee in the form of dividends and changes in fair value. However, as the Company lacks future prospects, the management believes that the fair value of the investment is nil.
