#### Agenda Item No. 2 of the Special Business - To Alter the Provisions of Articles of Association Relating to Capitalization of Reserves:

The existing provision that necessitates members' approval in a general meeting for capitalizing reserves should be revised. Currently, obtaining approval from members for capitalizing reserves is a time-consuming and costly process, especially when the Board of Directors recommends issuing bonus shares. To address this, it is proposed to amend Article 43 of the Company's Articles of Association. The suggested modification would authorize the Board of Directors to make decisions regarding the capitalization of reserves. This change will streamline the process of issuing fully paid shares or debentures by the Company. The comparison of existing Article 43 and proposed Article 43 is as under:

Existing Article	Proposed Article
The Directors may set aside out of the profit of the Company available for dividend, and carry to reserve such sums as they may think proper and may carry forward any balance they may think proper without carrying the same to reserve. All sums carried and for the time being standing to any such reserve, shall at the discretion of the Directors be applicable for meeting contingencies or for the liquidation of any debt or liability of the Company or for meeting losses on realizations of or writing down investments or other capital assets (either individually or in the aggregate) or for equalizing or paying dividends or for any purpose to which profits of the Company may properly be applied.	"the Board of Directors of the Company may resolve that it is desirable to capitalize any part of the amount for the time being standing to the credit of any of the company's reserve accounts or to the credit of the profit and loss account or otherwise available for distribution, and accordingly that such sum be set free for distribution amongst the members who would have been entitled thereto if distributed by way of dividend and in the same proportions on condition that the same be not paid in cash but be applied in or towards paying up in full unissued shares as bonus shares or debentures of the company to be allotted and distributed as fully paid up to and amongst such members in the proportion aforesaid and the directors shall give effect to such resolution. Whenever such a resolution aforesaid shall have been passed by the Board of Directors of the Company, the directors are authorized to make all appropriations and applications of the undivided profits resolved to be capitalized thereby, and all allotments and issue of fully paid shares or debentures, if any, and generally shall do all acts and things required to give effects thereto."

None of the Directors of the Company have any personal interest in the aforesaid Special Resolutions except in their capacity as Shareholders or Directors of the Company.
