- a. Book value of META per share is **Rs. 0.36** whereas its market value is **Rs. 7.29** per certificate (as on **June 21, 2023**).

Book Value - Rs. / Share	0.36

- b. META has weak financial position having limited capacity to raise funds. However, BBFL has strong financial position and shareholders of META can participate in profitability of BBFL (with healthy EBITDA i.e. earnings before interest, taxes, depreciation and amortization) soon after merger. Moreover, technical, financial and sales & marketing expertise of BBFL will be an added advantage for the operations of META. Thus it is expected to have positive synergies with this merger for the shareholders of both of the merging entities.
- c. BBFL shall be listed at PSX by virtue of listing status of META and accordingly BBFL would be having capacity to raise funds from the Market. Capital market can act as a catalyst to grow of merged company i.e. Big Bird Foods Limited and listing status can give it the requisite fund-raising power to harness its future diversification plan, if any.
- d. Free float of **30%** i.e. volumes will be created by BBFL with good free float once it is listed at PSX.
- e. The requisite changes in the Memorandum of Association of BBFL shall be made, if required, to accommodate the intended activities of META (as a transferor) in BBFL (as a transferee).
- f. Upon the completion of merger / amalgamation through the intended Scheme, META will be dissolved under the Order of the Honorable Lahore High Court, Lahore without winding up, and the shares of BBFL shall be issued to the registered members/shareholders of META.

**2) Benefits of the Scheme**

In addition to the benefits enumerated in the above section, the merger shall also provide the following benefits:

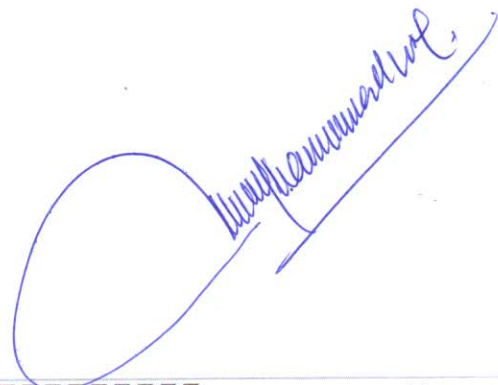

**To BBFL and its Shareholders:**

- a. Operational and strategic synergies in terms of costs, efficiency and fund raising (if any) will be available to BBFL if all operations of both the companies (i.e., BBFL & META) are combined.

- 
- b. The proposed merger will provide a broader shareholders' base which will be conducive in further fund raising from the capital market, if required.
  - c. The combined equity value of the company shall increase to more than PKR 4.61 billion, which will be beneficial to all shareholders.
  - d. Shares of BBFL will be listed on PSX that will provide secondary market for the shareholders.

**To META and its Shareholders:**

- a. Financial position of META is weak and with this merger shareholders of META will be the part of strong balance sheet of BBFL.
- b. The combined value (based on book value) of BBFL shares that are being given to META's shareholders under the SWAP ratio is expected to be in excess of the market value of META's shares. Thus, the shareholders of META shall gain from the merger transaction.
- c. It is expected that trading volumes (at PSX) will be improved after the proposed merger which will provide liquidity and tradability to the shareholders/investors.
